Dam Dedication Awaited

Army Secretary, Chief Of Engineers Will Speak

Dedication of the $40 million dam and locks at Stratton Thursday afternoon will mark another famous "first" for the Upper Ohio River Valley.

The new structure now in operation is the first to be completed in the Army Corps of Engineers' 20-year program to modernize and reconstruct navigational facilities on the Ohio River.

The dedication is being held 76 years after the first locks and dam on the Ohio, constructed by Army Engineers at Davis Island below Pittsburgh, were dedicated in 1885. The entire river system, which has played an important role in the development of Ohio Valley industry, was completed in 1929.

—:—

TWO OF THE Army's "top brass" will be featured speakers at the dedication ceremonies.

Secretary of the Army Elvis J. Stahr Jr., former president of West Virginia University, will speak at the formal dedication at Stratton at 4 p. m. following a parade of river boats to the new dam and locks from Steubenville.

ELVIS STAHR JR.
Secretary Of The Army.

LT. GEN. WILSON
He's Chief Of Engineers.

Some 300 guests are expected to attend a dedicatory luncheon at noon in the Masonic Temple in Steubenville at which Lt. Gen. Walter K. Wilson Jr., Army chief of engineers, will speak.

Gen. Wilson is making an inspection tour of engineer installations en route to the dedication. He arrived in Cincinnati today from Nashville and Louisville and will visit the Ohio River division offices there and the division lab-

On Disarmament, Berlin

U.N. Sees Little Chance Of Softer Soviet Aims

A-Weapons Use Pushed If Needed

Pentagon Sources Say Joint Chiefs Of Staff Favor Move

WASHINGTON (AP)—Pentagon sources said today the Joint Chiefs of Staff are united in a belief that nuclear weapons should be used if such a step becomes necessary in any military clash with the Soviet Union over Berlin.

These sources said the uniformed chiefs of the Army, Navy and Air Force long have been agreed with Secretary of Defense Robert S. McNamara on this.

The White House, unlike the Kremlin, has not been rattling nuclear weapons during the Berlin crisis. Premier Khrushchev set off outcries of "nuclear blackmail" and "terror tactics" when he talked recently of having the ability to develop a superbomb and bragged that he had the missile power to deliver it to any point on the globe.

But in commenting on the Berlin crisis during his United Nations address Monday, President Kennedy declared every nation should know "the United States has both the will and the weapons to join free men in standing up to their responsibilities."

On the point of willingness to use the U.S. weapons stockpile, the President in effect was replying to criticism in a Senate speech last week by Sen. Margaret Chase Smith, R-Maine. She said the Kennedy administration, in building up U.S. conventional forces, has practically told the Russians "we do not have the will to use nuclear power against them."

McNamara was quoted as calling Sen. Smith's contention nonsense, and saying the United States will respond with whatever weapons and in whatever quantity it considers necessary to protect its freedom and vital interests.

The Pentagon sources expressed puzzlement that there should be any doubt on where the United States stands on the question of using its nuclear punch if necessary.

Returns To Newell

'Stranded' Family's Home

Stranded in Cleveland over the weekend, this Newell area family returned to their humble home in the Newell area today through the generosity of a Protestant chaplain who furnished money for bus tickets when police spotted them starting the 90-mile trip on foot.

Mrs. Virginia Monroe, 36, and her seven children were picked up by Cleveland police when they were observed resting on a sidewalk.

Mrs. Monroe and the youngsters started the trip on foot after her husband failed to return to their West Side apartment from his truck - driving job.

Shown with Mrs. Monroe, who is expecting her eighth child, are, from the left, Esther, 10; Mary Ruth, 9; Donna Louise, 4; David, 2; Eddie, 5; Arlene, 6, and Beverly, 8.

The Rev. Edward E. Peters, Protestant chaplain at the Metropolitan General Hospital in Cleveland, came to the family's aid when he learned of

Gromyko's Policy Talk Due Today

Western Diplomats, Neutrals Impressed By Kennedy Speech

UNITED NATIONS, N.Y. (AP) —U.N. delegates saw little hope today that the Soviet Union will soften its position in replying to President Kennedy's call for new negotiations on disarmament and the Berlin crisis.

Soviet Foreign Minister Andrei A. Gromyko is expected to hold fast to the Kremlin's over-all stand on these and other international issues when he makes his policy statement before the 99-nation General Assembly.

Western diplomats and many neutrals were impressed by Kennedy's broad new disarmament proposals to freeze nuclear weapons production and stockpiles as soon as controls can be organized.

They also were impressed by Kennedy's overtures for a Berlin settlement coupled with his blunt warning that if the Soviet Union tries to take over the divided city, the United States stands ready to use nuclear weapons.

Kennedy's challenge to the Soviet Union to join in a race for peace leading to full disarmament made no visible imprint on the Communist bloc members who sat silently while the rest of the hall applauded.

Gromyko's first reaction was noncommital. Talking with newsmen outside the Soviet U.N. mission on Park Avenue he was asked if he saw any hopeful signs in the speech.

"I would not go so far," he said. "I want to study it more thoroughly."

He repeated Moscow's announced intention to sign a separate peace treaty with Communist East Germany, adding that some aspects of the speech "do not meet our objections regarding the possibility of negotiations on Germany."

Little hope was held for progress on the arms question at this stage in view of the discouraging report the Soviet Union and the United States made to the United Nations last week. The two powers disclosed complete failure to agree during three months of discussion on a way to resume full East-West negotiations.

The main sticking point has been Soviet insistence that the makeup of any new disarmament conference should be based on the troika principle—the same issue that has deadlocked selection of a successor to the late Secretary-General Dag Hammarskjold.

The Soviets insist that participants at an arms conference be divided among three numerically equal groups of nations—Communist, Western and neutral. The United States has offered several alternative proposals.

Numbers Slips Case Is Delayed

Several points of law may have to be threshed over before four Pittsburgh men are arraigned on Grand Jury indictments alleging they used their Lisbon Sales Book Co. to turn out numbers forms in wholesale quantities, it was indicated today after defense counsel Monday afternoon questioned the right of Atty. Gen. Mark McElroy and his staff to intervene as prosecutors.

A hearing is slated Thursday on a move to permit the state staff to aid County Prosecutor William Brokaw in presenting the case.

Atty. William B. Moore of Lisbon raised the question of the propriety of McElroy's action before Common Pleas Judge Joel H. Sharp at Lisbon when the indictments against his clients were called from the bench at a long list of Grand Jury arraignments.

He argued that the attorney general and his staff have no right to prosecute the case "unless it is for the public good or the public good requires it." Such a special prosecutor must be designated by the court and otherwise the case, like any other, should be handled by Prosecuting Atty. Brokaw, he argued.

Judge Sharp made no immediate ruling on the point raised by Atty. Moore, who is defending Martin Sufrin, Isadore Sufrin, Joseph Sufrin and Michael Schedlmeier, accused of violating a new Ohio law against printing of numbers slips. The Sufrins are officers of the raided concern and Schedlmeier is the manager.

McElroy personally led the raid against the printing concern a few days after the new law became effective Sept. 1. The Pittsburgh-ers were indicted by the September Grand Jury, which also returned a true bill naming the sales book company as a corporate entity.

The attorney general and three members of his staff were in court yesterday when the indictments against the Sufrins and Schedlmeier were called. None of the defendants appeared, but Atty. Moore advised the court they will "appear at any time designated by the court."

When the case was called, Atty. Moore advised the judge he represents all the defendants and the corporation.

Then he said he will file a motion requesting that the prosecution be required to file a bill of particulars on the charges — a more concise statement of the alleged violations than is given in the indictment.

He was granted until Wednesday to file the motion. It was indicated the defendants probably will be arraigned after the motion for the bill of particulars is filed and disposed of.

Judge Sharp said he will require a $1,000 bond of each of the defendants, but none was posted because they were not present.

Then Asst. Atty. Gen John Nybell of Youngstown, standing near the bench, advised the court that he expected to appear in the case for the prosecution.

It was then that Atty. Moore questioned the attorney general's right to intervene. Judge Sharp indicated he feels the point raised by Atty. Moore is correct.

He commented that the prosecu-

Buckeye Club Head Draws Fine Of $250

Judge Terms Place 'Nuisance' And Will Alert Liquor Board

Forgetting an old adage, "Hell hath no fury like a woman scorned," cost an East Liverpool man a fine of $250 and costs Monday afternoon in Municipal Court — and may lead him into trouble with state authorities.

George B. Collins, 837 Alton St., drew the fine and suspended 10-day jail term from Judge Samuel M. Chertoff, who accused Collins of operating "a bootlegging joint" and being the "front" for someone else.

Judge Chertoff ordered Collins to "clean up the place or get out of business," declaring he would ask Asst. Solicitor Richard J. Clark to investigate the possibility of closing the place as a "nuisance" and also would notify the State Liquor Control Board of the infraction.

Collins had pleaded guilty to a charge of Sunday sales of high-powered beer and whisky filed by Police Chief Americo Radeschi after a five-man police raid Sunday night on the Buckeye Club on Dresden Ave., which Collins claims to have purchased from the former owners.

The club is located in the former home of the Pfc. John R. Fox Detachment of the Marine Corps League. The private club moved to the Dresden Ave. location several months ago after being located for years on an upper floor of the Siff Building on the Diamond.

Lt. Thomas A. Walker, one of the raiding officers, took the stand briefly to relate the details.

The officer said a woman he identified as Martha Jane Taylor of Walnut St. complained to police Sunday night about the illegal sale. Questioned after the hearing, Lt. Walker said he was told the woman had been denied service and ordered to leave the club. Angered because she wasn't served, the woman turned in the complaint, he added.

The officer told Judge Chertoff he contacted Chief Radeschi, who was downtown but off duty, and the raid was set up. Patrolmen Orin C. Smith, K. J. Montgom-

12 Voters Qualified; Total Rises To 10,551

Twelve East Liverpool voters qualified Monday for the Nov. 7 general election as the County Election Board inaugurated longer offic hours in the last three days before the registration deadline. It pushed the number of qualified voters to an estimated 10,551.

The office opposite City Hall will be open until 9 tonight. It will operate until 10 Wednesday night, final deadline for qualifying.

Three branch registration offices will operate Wednesday from 11 a. m. to 3 p. m. and 5 to 10 p. m. They are at the Louis-James Clothing Store on Mulberry St., the North Side Fire Station and the Pleasant Heights School.

Saturday's Deadline For City Income Tax

Residents were reminded today that noon Saturday is the deadline for paying the third quarterly installment on the municipal income tax.

Meanwhile, D. G. Wilkinson, tax commissioner, said employers within and outside the city limits who withhold the tax from employes' wages will receive forms to remit the tax next Monday.

The forms, along with the remittance due for July, August and September, must be in the tax office by Oct. 31, he said.

Located in the basement of City Hall, the tax office is open daily from 8:30 a. m. until 4:30 p. m. except Saturdays when it closes at noon. The phone number is 385-5437.

Short-Change Charge Filed In Store Case

A 38-year-old Mahoning County man is due for a hearing Thursday at 9 a. m. in Municipal Court on a charge he bilked a downtown pharmacy out of $10 Monday night by using a timeworn short-change gimmick on a youthful clerk.

Police Capt. Robert Pyle identified the suspect as Leonard Pritchard of Youngstown, accused of obtaining the extra $10 in a complicated exchange of money he worked on William Pilgrim, a clerk in the McBurney Pharmacy at W. 6th St. and Dresden Ave. Charges of larceny by trick were filed against Pritchard today by Donald Lockhart, a pharmacist employed at the drugstore.

Arraigned this morning before Judge Samuel M. Chertoff, Pritchard won a continuance until Thursday morning when he requested time to obtain counsel. He did not enter a plea. The judge fixed bond at $500.

Capt. Pyle said it was the first time in memory a suspected short - change artist has been arrested by the local department. After leaving McBurney's, Pritchard went to Herche's Drugstore at Chester, where he failed in an attempt to work the same money switch, the captain related.

Meanwhile, acting on a report from the clerk at McBurney's, police furnished a description of the suspect to all East Liverpool drugstores. The job was made easier by the fact Pritchard wore "beatnik" garb, complete with a beard.

Pritchard was arrested a short time later by Patrolman K. J. Montgomery when he entered

18 Plead Not Guilty During Arraignment

6 Admit Charge, Request Probation; One Man Sentenced

Arraignment was held Monday afternoon at Lisbon for the remaining indictments of the regular session of the Grand Jury with 18 pleading innocent and six admitting charges and requesting probation.

Cases of three other defendants were continued and one of the 13 who were arraigned yesterday morning was sentenced on his plea of guilty.

Common Pleas Judge Joel H. Sharp said trials for those who pleaded not guilty would begin Oct. 9. He will preside over criminal cases this term. Innocent pleas were entered by:

Hamblet Brookes, 83, of St. Clair Ave., East Liverpool, second degree murder in the shooting of his wife, Louise Brooks, 81, in their home Aug. 26.

Homer R. Williams of Chester, first degree manslaughter in the death of Wilbert Willard Jr. of Tampa, Fla., in a fight in the Green Mill Tavern on Dresden Ave. June 4.

Glenn Richie of Salem, embezzlement of $3,175 from the Eagles Area while he was secretary.

Dales Carnes of Wellsville, burglary of the John Kuta Radio Shop.

John E. Wallace of Wellsville, burglary of the Julius Goetz Co. at Wellsville April 16.

Plan On Possible Berlin Accord Seen Developing

UNITED NATIONS, N.Y. (AP) —The rough outline of a possible East-West agreement to end the Berlin crisis is beginning to appear in official statements, including President Kennedy's speech to the United Nations.

This development indicated today, as some Western diplomats are saying privately, that sooner or later the Soviet Union and the Allied powers will agree on a compromise formula for opening negotiations to see whether a deal is possible.

What is highly uncertain is whether the formula can be worked out in Western diplomatic talks now under way with Soviet Foreign Minister Andrei A. Gromyko. The talks could produce accord in the next few days if Premier Khrushchev is ready to ease the tensions over Berlin a bit. If he is not, the current efforts of Secretary of State Dean Rusk and British Foreign Secretary Lord Home will end in failure.

Should these preliminary discussions collapse, however, the prospect is that some new effort to arrange negotiations will be undertaken later in the fall. Western leaders seem privately convinced of this because the alternative to a Berlin settlement may well be a nuclear war.

Kennedy told the United Nations Monday the Western powers are determined to defend West Berlin "by whatever means are forced upon them." But he expressed confidence that "firmness and reason" can lead to a peaceful solution.

The President stopped short of saying what kind of solution might be acceptable to the United States and its allies.

Kennedy said the United States recognized that Germany could be kept divided by troops and tanks. His guarded statement implied acceptance indefinitely of the existing division of Germany. Such acceptance could lead to Western accommodation to Communist authority in East Germany.

1 More Day To Register

To be eligible to vote in East Liverpool at the Nov. 7 general election, you must register with the County Election Board at 129 W. 6th St. if:

You haven't voted at a primary, general or special election in the last two years; you've changed your name by marriage or court action; you've changed your residence since the last election; you've become 21 since the last election or will be 21 on or before Nov. 7 the general election date.

A new resident is qualified to vote after he has resided in Ohio for a year and in Columbiana County and his precinct 40 days prior to Election Day. East Liverpool is the only community in the county where voter registration is required.

At Wellsville Ceremony

2 Brothers Become Eagle Scouts

Two Wellsville brothers were advanced to the rank of Eagle Scout — the highest in scouting — during a ceremony Monday night at the First Methodist Church in Wellsville.

Paul Burroughs, left, and Marvin Burroughs, left, with their parents, Mr. and Mrs. David L. Burroughs, 410 4th St., are shown viewing a large cake decorated to mark their achievement.

Paul, 16, and Marvin, 15, both attend Wellsville High School. They are the 13th and 14th members of Troop 19 of the church to attain the Eagle rank in 26 years. Their father is assistant scoutmaster of the troop.

They were presented their awards by Norman Brown, neighborhood commissioner.

The ceremony also marked the 37th birthday anniversary of Jack Glover, scoutmaster. The cake, which was served at a social period, also was decorated in observance of Glover's birthday.

A candlelight ceremony was conducted by the troop. Brown introduced the two and their parents. They were pinned by their mother and they in turn presented miniature Eagle Scout pins to their parents.

The Rev. Arden Beck, pastor, introduced Otto MacDonald and Supt. S. E. Daw, troop committee members; Frank Rossi, vice chairman of the Cherokee District; Sam Cole, scoutmaster of Troop 28, and Jack Clark, neighborhood commissioner.

They aided in the presentation of other awards and merit badges and commended the boys and Glover for their work. Don Wellington and Robert Glover also aided in the presentation of badges.

Tim O'Hara received first and second class awards while star rank was presented David Tarnovich and Don Wellington.

Eight were presented merit badges — Tarnovich, public speaking, cooking, public health, first aid, nature and community citizenship; Tommy Davidson, fishing; James Porter, cooking and fishing; Paul Burroughs, fishing, public speaking, nature, life saving, motor boating and wood work; Wellington, home repairs, citizenship in the home and basketry; Marvin Burroughs, nature, fishing, life saving, motor boating and wood work; Harold Neville, farm arrangement and soil and water conservation, and Bruce Glover, community citizenship and fishing.

Rev. Beck gave the invocation. Refreshments were served in the social room.

Serving were Mrs. Burroughs, Mrs. William Culp, Mrs. Vivian Bratt, Mrs. Robert Glover and Mrs. Jack Glover.

False Alarm Quiz Slated

City firemen are scheduled to question two suspects concerning a fire reported Sunday night at the home of Dr. F. D. Irwin on Radio Heights which turned out to be a false alarm.

The alarm was received at 9:19 p. m. and firemen and police raced to the Shadyside home only to learn there was no fire. Because the dentist's insurance policy covers calls by the city department, they responded, firemen said.

Another false alarm was received at 11:40 a. m. Monday, but it was an honest mistake, firemen said.

North Side firemen were called to Laura and Ephriam St. when a neighborhood woman thought a nearby home had been struck by lightning during the heavy storm.

Checking out the call, firemen said another neighbor was burning brush, causing the woman to believe a home was on fire. Firemen said the run could have been avoided if the department had been notified in advance about the brush burning.

Communist Reaction Hostile

U.S. Allies And Friends Praise Kennedy's Talk

By The Associated Press

President Kennedy's speech to the United Nations drew warm praise today from America's friends and allies. First Communist reaction was hostile.

Returns were awaited from the nonaligned nations, who were cast in a vital role by Kennedy. He appealed to them to help save the United Nations by working for a strong secretary-general and to participate in disarmament.

The first significant neutralist comment came from Prince Norodom Sihanouk, chief of state of Cambodia. He visited Kennedy at his New York hotel and told newsmen that Cambodia adopts the same position toward disarmament as Kennedy in his speech. "With controls," he stressed.

Moscow radio and the Soviet news agency Tass reported without comment that the President had addressed the General Assembly and "dwelt on the activity of the United Nations, the question of disarmament, the so-called Berlin crisis, and the question of colonialism."

The East German news agency ADN reported at length on the portions dealing with Germany and Berlin, accusing Kennedy of deliberately distorting the Soviet position. The agency said "he spoke of U.S. willingness to negotiate without submitting any concrete proposals."

Chinese Communist reaction appeared in the Ta Kung Pao of Hong Kong, a Red newspaper which follows Peiping's line. It accused Kennedy of mouthing "empty propaganda phrases."

A British Foreign Office statement said the plan "represents a realistic and practicable basis for negotiations."

British officials also privately praised Kennedy's statement that "we seek no perfect solution." The British have long felt that U.S. policy tended too much toward absolute solutions that would not end the cold war.

Non-Communist Asians reacted warmly and with praise.

Newspapers everywhere outside of mainland China gave it top play.

The Japanese Foreign Ministry called the speech "a welcome reaffirmation of the United States position on world problems." The Japanese were pleased with Kennedy's proposals for an end to nuclear tests and for general disarmament.

In Canada, Lester B. Pearson, Nobel Peace Prize winner and former U.N. Assembly president, said the speech put the Western world on a peace offensive.

This aspect drew mild criticism from a liberal newspaper in Denmark. The Politiken said the disarmament proposal "reminds one too much of tactics. A nuclear ban is a realistic and important thing. But proposing general nuclear disarmament unrelated to other kinds of disarmament control is either too naive or too smart. Kennedy knows the Soviet Union cannot accept his proposal."

Yet it was Kennedy's disarmament proposals that attracted attention in India, a leader of the nonaligned nations. The Hindustan Times, a supporter of Prime Minister Nehru's Congress party, played up the President's appeal for a nuclear test ban treaty and his step-by-step disarmament plan.

In Sweden, a neutral nation basically friendly to the West, Stockholm's liberal Dagens Nyheter said: "It was a speech written in small letters, a speech free from accusations and threats, a speech which, lacking every tone of aggressiveness, differed as radically as possible from what has been performed by Moscow recently."

City Boy Hurt As Bike Rams Auto Bumper

An 11-year-old boy suffered a laceration of the left leg Monday afternoon when his bicycle struck the rear bumper of an auto that halted suddenly in a W. 5th St. traffic lane, police said.

Robert Bickar, son of Mr. and Mrs. Robert D. Bickar, 718 Lincoln Ave., was treated by a physician after the mishap at 1:15 p. m. on W. 5th near Peach Alley in which his bicycle hit the rear of a 1960 two-door sedan operated by Seraphine E. Hamilton, 35, of 9th Ave., LaCroft. Four stitches were required to close the wound. The boy is a student at Westgate School.

The woman driver told police she was headed west on W. 5th when the occupant of a parked auto opened a door into her traffic lane. When she stopped to avoid striking the door, the boy's bicycle hit the rear bumper of her car, the motorist said.

police also listed two downtown crashes which damaged four autos and an East End mishap involving two cars.

A crash on E. 4th St. near Union St. Monday involved a 1957 four-door sedan driven by Charles Pelley Jr., 27, of 410 Grant St., Newell, and a 1955 four-door operated by Ruth Moninger Brown, 419 Thompson Ave., officers said. The crash damaged the left front fender of the Pelley car and caused extensive damage to the left front of the Brown auto, police said.

Cars driven by William H. Flurkey, 69, of Pughtown and Josephine Manypenny of Russell Heights, Wellsville, were damaged in a mishap on W. 4th St. near Persimmon Alley Monday at 3:30 p. m., officers said. Flurkey was pulling from a parking spot at the curb as the woman's car was headed east on W. 4th St., officers said.

A collision at 4:45 p. m. yesterday on Pennsylvania Ave. at Central Ave. involved a car driven by Frank Bosco, 27, of Rubicon St. and owned by M. & A. Motors and a 1954 auto driven by Mrs. Margaret Cregar, 42, of 1600 Holliday St., officers said. Bosco was driving west on Pennsylvania Ave. and Mrs. Cregar was entering the thoroughfare from Central Ave., officers said.

6 Fined In Wellsville For Wedding 'Fracas'

Six persons have been fined 25 for disorderly conduct by Mayor William J. Shoub of Wellsville as the result of a fight during a wedding reception and party early Saturday morning.

Five were fined Saturday and the other Monday, the mayor said.

Involved were Donald Hickman, 2206 Danbury Ave., Wellsville, Charles Clutter and Wilda Clutter, 2210 Danbury Ave., John Smith, 1735 Main St., Wellsville, Carl Bell, 2112 Pennsylvania Ave. Ext., East Liverpool, and Stewart Mehafey of Salineville R. D. 1.

Shoub said Mehafey was fined at a hearing yesterday and the others were fined Saturday.

The fight was at the home of Hickman early Saturday morning. Clutter was treated at City Hospital for rib injuries. Authorities said he was struck with an auto jack.

Living Costs Dipped Slightly In August

WASHINGTON (AP)—The cost of living dipped one-tenth of one per cent in August, the Labor Department announced today, mainly because of plentiful fresh foods at lower cost.

The department said consumer prices have risen one-half of one per cent in the first eight months of this year, "less than during any comparable period since 1955."

James Taylor and Morgan Westly Fulmer, both of East Liverpool, aggravated assault.

Nelson Montier of Jefferson County, carrying a concealed weapon at Wellsville.

Rosella Hofmann of near Wellsville, incest.

Herbert McCullough of Lisbon, assault and battery on Charlesetta Wilson, also of Lisbon.

William Figley of Rural Ln., East Liverpool, assault.

Pleading guilty and requesting probation investigation were:

Eugene Simmons Jr. of Aliquippa, assault. A charge of cutting with intent to wound was dropped.

Charles Walters of East Palestine, operating a motor vehicle without the owner's consent.

Richard Newlin of Wellsville, daytime burglary. A charge of operating a motor vehicle without the owner's consent was dropped.

Luther Griggs, 20, and Richard E. Shasteen, 21, both of Salem, burglary of the Memorial Building in Salem.

Mike Provenzano of Wellsville, perjury in a divorce case.

Cases continued were those of Howard Cusick of Lisbon R.D. 2, operating a motor vehicle without the owner's consent; Gail P. Freeman, burglary, and Robert H. Grove of East Palestine, making a false affidavit to obtain certificates of title. Freeman is in the Moundsville Prison.

Russell D. Lightner of West Point was sentenced to 1-15 years in the State Penitentiary on his plea of guilty to burglary of the Chamberlain tool shed.

Ralph Byers of East Liverpool, accused of molesting a minor, requested that he be sentenced in Juvenile Court. He is now serving a sentence for contributing to delinquency of a minor youth.

Atty. William Lodge of Columbiana pleaded not guilty of subornation of Perjury Tuesday and Lewis Myers, Ronald Long, James Facchini, Henry Cananico, Robert James and Michael Cantwell, all of Alliance, pleaded not guilty of assault and battery Friday.

Woman Fined $100 On Drunken Driving

NEW CUMBERLAND — A Rochester woman was fined for drunken driving and three truckers were fined on West Virginia State Police charges at hearings Monday before Squire John D. Herron.

Lucille Malloy, 28, of Rochester was fined $100 and costs for drunk driving, and $10 and costs for no auto registration card. She was found innocent of a charge of no operator's license. Her operator's license was revoked for six months.

Truckers fined included Joseph Jones, 31, of Pittsburgh, $20 and costs, no road tax plate; Floyd Leeds, 40, of Haines City, Fla., $25 and costs, and Walter M. Hannon, 31, of Cherryville, N. C., $25 and costs, no PSC plates.

William D. Allen, 20, of New Cumberland was fined $10 and costs for improper registration.

Short-Change

Bloor's Pharmacy on E. 5th St., Capt. Pyle said. Items which Pritchard had purchased at McBurney's were found in the glove compartment of an auto in which he had been riding with two other men, the captain said. The two others, cleared in interrogation, were released later.

Police said a man entered the McBurney store about 6:20 last night and enquired first about several brands of cigarettes, but all were out of stock. He finally purchased four packs of chewing gum and a box of cotton, handing the clerk a $10 bill in payment for the 43-cent sale, police said.

The clerk handed the suspect $9.57 in change, then the man insisted he had paid with a $1 bill, not a $10. That started the complicated exchange of money in which the suspect walked out $10 ahead, officers said.

Noting that he was $10 short, the clerk notified police and gave them a description of the suspect. Two police cruisers immediately made the rounds of all local drugstores to alert them against the racket and furnish a description of the suspect.

A short time later when a man attempted to work a money switch on a girl clerk at Herche's, she went to the back room of the store to escape the fast talk, figured out the transaction and gave him the proper change, police said.

Newell Man Hurt In Fall

A 22-year-old Newell man, hurt in a fall from a ladder at work, was admitted Monday to City Hospital. Four area residents were treated after separate mishaps.

Floyd Wilson, 315 Harrison St., Newell, is in "fairly good" condition with a fracture of the knee suffered in a 10-foot fall from a ladder in the Central Service of Newell.

Jane Price, 13, daughter of Mr. and Mrs. Dewey Price of Chester R. D. 1, was treated last night for injuries of the lower right arm and collarbone received in a fall from a bicycle.

John Sachs, 17, of 1066 St. Clair Ave. was treated last night for an injury of the right hand which he said he received when he hit a door at home.

Carl Newbold, 34, of Glenmoor suffered an injured left wrist in a fall while playing football.

Arnold Sanford, 31, of Substation Rd., employe of the Brown Auto Body Shop, was treated for a cut of a finger of the left hand recieved on sheet metal work.

To Hit Liquor, Vice

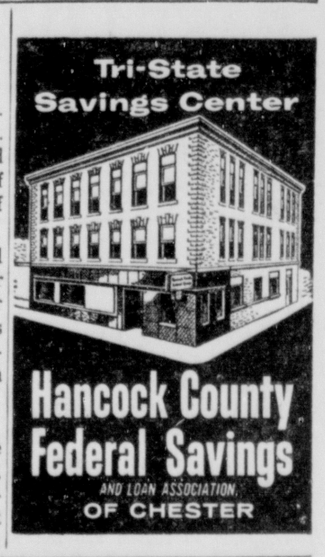

WHEELING (AP) — City police were ready today to clamp down on violators of the liquor and vice laws. Chief M. A. Bauman said yesterday that enforcement will be "to the letter of the law." City Manager James C. Boyd is to report to the city council tonight on what action the police are taking to curb vice in the city.

Family At Clarkson Has Alliance Guests

Earl Smith and Mr. and Mrs. Jack Harrison of Alliance and Mr. and Mrs. Gillis Smith of Westfield were Saturday dinner guests of Mr. and Mrs. Robert Smith of Clarkson.

Mr. and Mrs. Elmer Hiles and family entertained at a dinner Sunday at their home at Beaver Creek State Park where Hiles is manager. The Hiles recently returned from a vacation in Jackson County.

A Savoy noble, Bernard de Menthon, who became a monk, saw a desperate need for a mountain refuge in the Alps. He built the hospice that bears his name.

1962 LINCOLN CONTINENTAL FOUR-DOOR SEDAN

ANNOUNCING THE CAR THAT CANNOT BE OUTDATED BY THE CALENDAR

You will have to look closely to tell the difference between the new Lincoln Continental and its predecessor. The changes are really refinements and there are more than 38 in all, each with a purpose.

Outside, a keen eye will discover the chaste new look of the grille. You may also see that the headlights are one inch higher for a better view of the road at night.

Inside, there are further refinements. The steering wheel, for example, is ¾ of an inch higher for more comfort. And beneath the hood are more refinements such as a new self-sealing dipstick to prevent dust particles from contaminating the crankcase lubricant.

The fact is that the Lincoln Continental was deliberately designed to be the first American car that cannot be outdated by the calendar. Its character remains the same—distinguished, durable, beautiful.

The extra distinctions are there, too. Notice the four doors which open at the center for easy entrance, and are counter-balanced to open at a touch, for all their reassuring thickness.

*These are but a few of the qualities that make the Lincoln Continental an American classic in its style, its workmanship, its timelessness. It is your finest investment in tomorrow; in fact, it is warranted for twice as long as any other American car (24,000 miles or two full years).**

DAA

*Ford Motor Company warrants to its dealers, and its dealers, in turn, warrant to their Lincoln Continental customers as follows: That for 24 months or 24,000 miles, whichever comes first, free replacement including related labor, will be made by dealers, of any part with a defect in workmanship or materials. Tires are not covered by the warranty; appropriate adjustments will be made by tire companies. Owners will remain responsible for normal maintenance service and routine replacement of items such as filters, spark plugs, ignition points and wiper blades.

Communism Makes No Converts

President Kennedy was the Free World's star salesman in his United Nations speech Monday morning.

Not only in what he said but in the way he said it he reflected what the West believes in and stands for. If he failed to make converts, it was not because he failed to be attractive.

Appeals to reason are the Free World's prime resource, and the Kennedy speech was purely an appeal to reason. Its theme was the prospect of an honorable peace, approached by negotiation and disarmament.

He made it clear that if the Soviet Union does not want peace and insists on driving the United States to war, there will be war. He did his best, as all spokesmen for this country have been doing, to convince the Soviet Union that the United States and its allies will not be pushed.

Whether or not he succeeded cannot be known now, but even before he spoke there were reports from Europe that Soviet Premier Khrushchev had softened his stand about an end-of-the-year deadline for a peace treaty with East Germany.

THIS WOULD BE a characteristic reaction in the Kremlin, which blusters and threatens, yet can speak soothingly, depending on the exigencies of the occasion.

Contrary to common belief, the exigency of the occasion at this moment calls for the Kremlin to quiet the fear of all nations large and small that the United Nations may be crushed between irreconcilable factions in the cold war.

Tension in Berlin and the Congo, brought to the cracking point by the tragic death of the U.N. general-secretary Dag Hammarskjold, has forced many governments to recognize a hard fact of life—that the United Nations is all that stands between them and the methods of the Communist Conspiracy. They must turn to the West.

It is their only long-range hope of preserving their sovereignty, because it is the only way the collective will of independent nations can be exerted against the inexorable program of the Communists for domination of all nations that cannot withstand them.

They know now there is a limit to how far they can go in playing off the United States and its allies by pretending to be friendly with Moscow. Communism makes no converts. It has no friends. It professes no loyalties. It honors no treaties.

It has only one purpose—revolution.

It uses only one method—subversion and revolution.

It offers no future, except to Communists. There is no place for independence, no tolerance for dissent, no alternative if the fallible men who make decisions for their slavish followers make mistakes. Premier Khrushchev has urgent need to quiet misgivings about Communism.

IT IS President Kennedy's job to present an attractive alternative to the absolutism of the Communist Conspiracy. He did the job superbly when he spoke to the United Nations General Assembly.

He offered a prospect of peace, to be approached by progressive disarmament.

He offered reasonableness in place of harsh decrees.

He told the Russians what they need to know—that the United States and its allies will not be pushed.

And then he told millions of worried people in all countries what they want to know—that if war can be averted—and it could be if Russia wanted it to be—that their lives could be made peaceful and secure.

The contrast between what the United States and the Soviet Union are offering mankind never was clearer. President Kennedy has challenged Premier Khrushchev on the point of the Soviet Union's most serious weakness.

It can make slaves but not converts.

It has nothing to offer but the chains the original Bolsheviks promised to strike from the proletariat.

Gov. DiSalle Could Be Wrong

That special session of the Ohio General Assembly last Friday turned out even more dismally than the gloomiest predictions.

Instead of accomplishing far too little for far too much time, trouble and expense, it accomplished nothing at all. Gov. DiSalle could not muster votes in his own Democratic party, and the members of the Republican majority could see no reason to relax their opposition in the Senate bottleneck.

Consequently, all action on capital improvements now has been postponed until the next special session, scheduled for November, when it will be necessary for the representatives and senators to troop to Columbus again to deal with the consequences of the governor's unprecedented veto of the second half of the biennial budget.

Politically, the question in this General Assembly now has been defined so sharply by the standoff between the legislators and Gov. DiSalle that the outcome of the standoff will shape partisan politics for years to come.

GOV. DiSALLE has committed Ohio Democrats to an open-handed spending policy, backed up with substantial increases in state taxes to underwrite the cost of what he describes as imperative needs.

This is a reversal of the position held so long and successfully by the Lausche administration, when it represented the Ohio Democratic party. Gov. Frank J. Lausche was and continues to be a financial conservative. He takes the same position in the U.S. Senate that he formerly held in the Ohio governorship—that the highest function of political leadership is to sit on the spenders.

Ohio Republicans, on the other hand, now are commited more firmly than ever to a policy of financial prudence.

Which position is likely to attract more voters?

If Gov. DiSalle is right, Ohioans are clamoring or soon will be clamoring for more taxes to underwrite more spending for a wide range of purposes. They will demand executive leadership and legislative action to boost Ohio's rate of statewide spending. They will not be satisfied until this state has grown accustomed to a rate of spending that will put it into the top 10 of the welfare states.

Gov. DiSalle has statistical comparisons that show Ohio at present to be out of contention for top-10 rating, and they make him heavy-hearted.

REPUBLICANS are stuck for better or worse with an unexciting claim that Ohio has no desire, statewide, to be a welfare state—that most Ohioans prefer to play state finances close to the vest.

Republicans insist it is the duty of government to concentrate on giving people what they think they can afford, not to foist on them what free-handed spenders claim they should be glad to pay for.

This position is hateful to the national Democratic administration. From where the Kennedy administration sits in Washington to survey the political climate of the nation, Ohio does not fit into the political weather picture at all.

But Ohio didn't fit into the political weather picture last November, either. Though it supposedly had been made safe for the Democrats by the combined genius of the Kennedy organization and Gov. DiSalle, it wriggled free and ended up in the Republican column in what is still regarded as the prime upset of the 1960 election.

It could be that Gov. DiSalle has misread the signs and portents again.

'Thank You!'

The following is the type of letter which we always are happy to receive:

"While motoring to the eighth largest city in the United States, I drove through your city — East Liverpool, Ohio. I was pleasantly surprised to find such a picturesque community.

"The Ohio River, the hilly terrain, the green vegetation, the friendly people and the buildings all play a large part in making this one of the most interesting places in the Buckeye State.

"The inhabitants are living in a city which they can be proud of!"

The signature is that of a Mr. Kane Kerry, of Cleveland.

To Mr. Kerry, a heart-felt "Thank you!" To the residents of East Liverpool, with this as a spur, let's make it an even more attractive and friendly East Liverpool. There are many, many things which we can do in this direction.

The Once Over

By H. I. Phillips

Man can now retire at 62 and get a weekly check from government from then on "for the rest of his youth." He won't even need a gray hair. Day may be near when he can call it quits at 50, take up golf with government aid, get his clubs from Congress and receive his Federal check at his own fishing-camp bought on a 40-year mortgage.

Hard toil is "old hat." Easier life for all is general aim and few people seriously oppose a better break in life's tough journey through hazards, calculated risks and nonstop tensions.

But it's interesting to look back at grandpappy in the traditional American mold and ever think of him quitting work when he was in good shape, except because of rheumatism, flat feet and trouble putting his shoes on every morning.

He would have slugged anybody who said "It's time for you to retire. You're all through. Take your government's word for it."

He was apt to think at the age of 62 he was just emerging from childhood and could lick his weight in wildcats, tackle any job and take any talk of four-day week as Volshevistic.

He fought taxes, voted against big spending city, state and federal officials, did his bookkeeping without the aid of Aesop's Fables, had a clear idea when he was ahead, respected danger signals and hated to have anybody help support him when in good health.

Grandpa thought that retirement was a state of lethargy to be acquired only by the richest man in town. If he got any envelope with a Washington stamp he assumed it was a reply to letter for some free garden seeds.

He didn't give up because his feet hurt. He thought 65 was middle age and would argue that at 70 he was young enough to saw wood, dig a well, take in the hay, curry the horses, kick boulders out of the farmland, enter the 100-yard dash at the Rotary Club picnic and poke in the nose anybody fresh enough to suggest that he accept a lift.

There were men in their early 80s who ran away with a circus. It would be interesting to see grandpappy come back today for a brief spell of fighting his way through federal checks and loud invitations to throw away his overalls at 62.

Girdle sales are reported increasing in Africa, Asia and Latin America. Things are getting tight all over.

How 'Troika' Would Work

A Strike Without Moonglow

By Victor Riesel

ALBUQUERQUE, N. M.

From Jackass Flats, Nev., to the Moon and Mars is not as far as you think. These distances would have been closer if it hadn't been for a plumbers' strike earlier this summer, an Atomic Energy Commission expert said not so long ago.

Victor Riesel

Out on the Flats, some of our fantastic scientists are working on something called Kiwi-B reactor tests. They dubbed it Kiwi after the Australian bird which doesn't fly. At the Flats they're working on a nuclear rocket. They have run it through 2,000 degrees Fahrenheit during the Kiwi-A Prime and Kiwi-A3 era last year.

Now Kiwi-B is about to be tested to see if it could move a rocket to the Moon, around the Moon, back from the Moon, and speed another such interspace ship to Mars.

CONSTRUCTION and testing in all these phases of something called Nerva and the Rover and Pluto projects will cost a total of $90 million.

We're rolling the dice for big stakes at the testing grounds some 90 miles from Las Vegas. How big a stake? — literally the sky's the limit.

I never did think I'd write a sentence which would say that we had a "chance" to beat the Russians in any arana. But realism is realism.

From no less an authority than Dr. Krafft A. Ehricke, director of the Centaur Division of Convair Astronautics, comes word that this nuelear propulsion is the only chance we have to "leap frog" the Russians in rocket development.

So what happens to Kiwi-B experiments at the Flats early next month could keep the Moon and a few planets from becoming the newest Soviet satellites.

All this has been planned jointly by the AEC and NASA. Then last June, the southern Nevada plumbers, some 500 of them, got into a hassle with the Nevada construction contractors.

THESE BUILDING firms provide all such work in the region—civilian and governmental. Of the 500 about 100 plumbers worked for contractors who were and are involved in the Nerva, Rover and Pluto operations.

Then, on June 30, the plumbers decided to strike the southern Nevada contractors. These included the men working on the nuclear propulsion experimentation.

Work stopped at the testing grounds. Despite pressure and pleading and despite the fact that the national construction unions in Washington had pledged President Kennedy and Labor Secretary Goldberg that it would not happen — they stayed out until July 19.

That's almost three full working weeks, though it was generally known that Kiwi-B was due for testing in October.

The October experiment was scheduled to mark the start of a new accelerated testing phase in the nuclear rocket propulsion program. And then after this test there were to be "ground runs" of the nuclear thing every two months.

Before I give you the details of the records in the federal offices here, let me report that on July 10 an AEC spokesman in Las Vegas said that the U.S. project to put a nuclear - powered rocket on the Moon was being delayed by the stoppage.

LEGALLY it was the plumbers' right to strike. They had asked for a wage increase. The contractors had offered them a $18-a-week raise over the next two years.

This was a base pay increase—and would go up proportionately if the men worked more than 40 hours a week. They had been receiving $177-a-week straight time. The increase would have jacked it up to $195 for a 40-hour week.

Nonetheless they struck.

The records here reveal they wanted a nickel more an hour for vacation allotment. For this the nuclear ram-jet propulsion project went dead for a good part of July. Legally, this was the plumbers' privilege.

But there are other considerations. This was about the time the Russians were putting Major Titov through his final rehearsal for the flight of the Vostock II.

Those of us who awakened in Berlin a few weeks later to learn that a Soviet astronaut was circling the earth for the day did not feel so good. I wonder how the strikers felt.

(This strike was one of the most dramatic. But there have been a string of others since the pledge was made to the President, and they have cost the government tens of thousands of lost man hours.)

I wonder why the regional construction trades union leaders become so indignant when they are criticized by such men as Sen. McClellan.

After all, they went out on strike. Why do they fume so when the public strikes out at them?

What Have You Got To Lose?

By Truman Twill

Medicine men are telling the Yankee home-run hitter Roger Maris not to worry because his hair keeps falling out.

They say this is the result of anxiety over hifting enough home runs to put him up there in the big bucks. The estimate may be cockeyed, but someone has added up the possibilities and come out with a total of half a million dollars for becoming the new Sultan of Swat.

No wonder the young man is anxious. No wonder his hair keeps falling out.

The medicine men say it will grow back in when he gets over his anxiety, but Maris shouldn't put any stock in this. His hair is gone for keeps.

He will not get over his anxiety.

Millions of us who have been through the de-feathering process can testify to this. No one gave us the time of day when our foliage was dropping by the wayside. It wasn't news. No medicine men were consulted. We weren't Maris.

But we knew the score.

We were over-anxious. We were trying to hoist ourselves into the bucks—not the big ones, but enough to cover expenses.

The odds were against us. People kept making invidious comparisons, the way they have insisted on pitting poor Maris against the mighty Babe Ruth.

Many of them have resented Maris as an upstart who has no right to dream about being the new Sultan of Swat. We anonymous lumpies whose hair fell out were up against this same ugly animosity.

We were resented.

The pitchers threw at our heads.

The bench jockeys gave us the lip.

Hero-worshippers of the dying generation told us we weren't fit to carry the gloves of our illustrious predecessors.

The general notion was that our generation was rotten and irresponsible. We were juvenile delinquents who had been released on probation and should be kept under surveillance.

If we did anything spectacular it was because the ball was livelier. It didn't figure we could have done it in the good old days with a dead ball and the buddy-duddy bats our progenitors used. No sir.

That's what made us anxious.

That's why our hair fell out. And there was no nonsense about its growing back. We'd had it!

Our generation invented ugly baldness, premature heart attacks, gastric ulcers, hyper-tension, psychiatristic treatments and nervous breakdowns.

We hold all the patents on gray flannel suits, sweaty palms, button-down minds and organizational frustration. Also the menace of Communism.

We have forgotten more about anxiety than young Roger Maris with his bid for the big bucks will ever know.

Man and boy, we've shed enough hair while chasing a livelihood to provide each of us with a hair-filled mattress to toss and fret on.

And now that we know how it turned out, we rub our hairless heads and snicker when we read that the medicine men are telling Maris not to worry because his hair keeps falling out.

Sure, kid, why worry? What have you got to lose except your hair?

Unexplained Paradox

By David Lawrence

Freedom Rides Raise Some Questions

There's an unexplained paradox in the news these days. It raises several interesting questions:

David Lawrence

First, why was it necessary to organize Freedom Rides to protest against racial discrimination in the South in seating on buses and at bus-terminal restaurants when the Interstate Commerce Commission all along has had the power to do what it has just done — issue regulations forbidding such discrimination?

Second, why did the attorney neral wait until May 29 to ask the Interstate Commerce Commission to issue these new regulations?

Third, why were the organizers of the Freedom Rides given encouragement by government officials to carry on those demonstrations when there was a remedy in existing law?

Fourth, why was the United States subjected to criticism abroad and the Soviet Union enabled to get a considerable propaganda use out of the news of the disorders at a time of international tension and especially when the United States was seeking to win the friendship and favor of various African countries which now have votes in the U.N.?

The above questions relate to a fundamental belief which too many people have expressed that the only way to get things done is to "take the law into your own hands."

This was the psychology of those who argued that the Negroes had "already waited too long for equal treatment" and that it was "about time to do something."

Not so many years ago this was the argument also of those who started mobs to do lynchings.

The leaders said it was useless to wait for the long drawn out processes of the law to punish criminals.

This was widely described as "government by mob instead of government by law and order."

Indeed, when the disorders broke out at Little Rock, Ark., in the autumn of 1957, criticism was heard that the incitement to violence by impassioned partisans of the cause of segregation showed that they did not believe in "law and order."

THE FREEDOM RIDERS in 1961 disregarded the fears of the local populace that "law and order" would be disrupted and that violence might result if the demonstrations were carried to the point of actual resistance to local laws.

Even some clergymen, who are supposed to teach reconciliation and certainly are not supposed to do anything remotely to provoke violence, actually participated in the Freedom Rides without getting a single letter of reprimand from the institutions, religious or educational, with which they were associated.

Does this mean that "the end justifies the means" after all, and that, if the cause one believes in is a worthy one, it's all right to engage in a demonstration notwithstanding that it is likely to incite a mob to violence?

Whether one likes the "law of the land" is irrelevant but, since it's desirable in a democracy for the people to await the normal functioning of legal processes in one cause, it is equally desirable for the partisans of any other cause to agree that "law and order" must be given an opportunity to apply its mandates through the judicial processes available.

The Kennedy administration must have known last January that it could ask the Interstate Commission to issue regulations to cover seating in buses and terminal facilities similar to those previously issued for railways and rail terminal facilities.

Why didn't the Department of Justice advise the Negro organizations in the beginning not to start Freedom Rides but to give the law a chance to function?

THERE ARE RUMORS that the demonstrations were actually undertaken with the knowledge, if not the advice, of the Department of Justice. This needs to be cleared up for there is a suspicion growing that the Department of Justice is acting as a partisan of political causes and is playing politics with the whole problem of desegregation.

Thus, it is not explained why President Kennedy waited until the last moment in the current Congress to send to the Senate the nomination of Thurgood Marshall, general counsel for the National Association for the Advancement of Colored People, to be a U.S. circuit judge in the second circuit.

Knowing that the nomination would stir up a Senate inquiry to determine whether the appointment was a political one and whether some other Negro lawyer without such political connections and controversial background could have been nominated, the President held up sending the nomination to the Senate so that there would be no time for any inquiry at all at the present session of Congress.

Indeed, there now will be a recess appointment which will permit the new appointee—who has had no experience on the bench — to occupy a high judicial post and draw a $25,000 - a-year salary.

This is a defiance of customary procedures.

Again and again members of Congress have criticized the idea of giving recess appointments to federal judges. For what is to be thought of the rulings of such a judge made during the recess if his nomination next year fails to be confirmed?

THERE ARE SIGNS that both parties are playing politics in an effort to win the supply of Negro voters.

There seems to be a throwback to Reconstruction Days when the slogan was "might makes right." The 14th Amendment itself, on which the whole issue of "equal rights" is based today, was declared "ratified" in 1868 — three years after the war between the states was over—by precisely such illegal methods, in disregard of the requirements of the Constitution.

The Shark

Scientists are collecting a growing number of facts on man's ancient enemy—the shark.

An annual worldwide census of attacks on humans by the razor-toothed marauders is now kept at the Smithsonian Institution in Washington. Based on reports analyzed by the Shark Research Panel of the Amercan Institute of Biological Sciences, last year's record included 30 cases of "unprovoked" assault.

There are some 300 varieties of sharks, ranging from 2 to 60 feet in length. About a dozen are considered particularly dangerous. The "man-eater" white shark has been known to upset small boats, maiming or killing occupants. Among other sharks of ill repute are the tiger, hammerhead, mackerel and gray nurse.

One of nature's most sinister prowlers, the shark is equipped with a powerful jaw and mouth, studded with rows of sharp, pointed teeth. It will eat anything. Found in sharks' stomachs have been such assorted tidbits as tin cans, bricks, a fur coat, sack of coal, an alarm clock and a full-grown dog still wearing a collar.

Most sharks favor warm and temperate oceans, but some roam far north. A few inhabit tropical fresh-water lakes and rivers.

After World War II a Missouri-sized piece of Poland was given to Russia. In compensation, Poland was awarded the Kentucky-sized chunk of Germany now known as the Western Territories.

The first power - operated laundry was started in 1851 in Oakland, Calif., by a man named Davis. He used a 10-horsepower donkey engine.

Classic Styling Marks Lincoln

Lincoln Continental continues its classic styling theme in 1962, but adds a series of luxury appointments and mechanical reliability features.

That's the word from Ben D. Mills, Ford Motor Co. vice president and general manager of the Lincoln - Mercury Division.

The four-door Continental sedan is shown above.

The new Lincolns are offered locally by Arb Motor Sales, 1340 Pennsylvania Ave.

Continental will continue to offer two models, the four-door sedan and America's only four-door convertible.

Continental's styling continuity is enhanced in 1962 in the front by a new grille, a restyled bumper and repositioned headlights set slightly forward. The rear grille-type design matches the new front grille. From the side, the only appearances changes are the use of narrow-band white sidewall tires and new wheel covers.

A series of engineering refinements provide greater reliability, smoother and quieter riding, less need for car maintenance and more passenger comfort and convenience, Mills says.

Family

(Continued from Page One)

Mrs. Monroe's plight through the Salvation Army.

The family has resided in the rural Newell area for about a year after coming to Hancock County from either Tennessee or one of the Carolinas, welfare officials said.

Edward Monroe, the father, quit his job at the Pughtown Garage of the West Virginia State Road Commission last month to seek work in Cleveland, they said. When he failed to return to their apartment Thursday night, Mrs. Monroe became alarmed and started on foot with her children to their Newell area home.

Hancock County Court and sheriff's deputies supplied the family with medicine, blankets, food and clothing last Christmas. Deputies employed a four-wheel drive vehicle to plow through heavy snow to the Monroe home located in a ravine.

County welfare workers in New Cumberland said the family has not asked for aid or relief orders.

Weirton Woman's Unhurt In Car Crash

A Weirton woman escaped injury when her car skidded on the Penn-Lincoln Park Way, Routes 22 and 30, and crashed into railing near Pittsburgh Monday at 7:30 p. m.

The Carnegie barracks of the Pennsylvania State Police said a westbound car driven by Marie Koprivich, 24, of 111 Clearview Ave., Weirton, skidded on the wet pavement, crossed the divider strip and crashed into guardrails.

Damage was estimated at $600 to the car.

Union Event To Draw 60

Between 60 and 80 persons are expected to attend the taxation study workshop of United Steelworkers District 20 Wednesday at the Midland union hall, Kay Kluz, chairman of the district legislative committee, said.

It is being held for Executive Board members, legislative committees, recording secretaries, staff representatives and interested membership of the various district locals.

Prof. Helmut Golatz of the Pennsylvania State University and Prof. Edward Cook of the University of Pittsburgh will conduct the workshops in conjunction with the union's legislative office in Harrisburg and the International Education Department.

Prof. Golatz will be in charge of the taxation classes which will include, in addition to a broad examination of taxation, specific analysis of President Kennedy's federal tax program and Gov. Lawrence's tax program in the new school reform proposal.

Prof. Cook will discuss taxation in Third Class cities and boroughs and First, Second and Third Class townships.

The program will be conducted on a workshop basis with a question-and-answer period. The discussions will be held from 9:30 a. m. to 10:30, followed by a 15-minute break.

$7,433 Low Bid For New Refuse Truck

Mackall Motors, 1503 Pennsylvania Ave., submitted the apparent low offer when bids were opened Monday afternoon by the Board of Control for a new refuse collection truck with a 12-cubic yard "packer" body for the incinerator department.

The Ford agency offered an F-600 truck for $3,738 plus a 12-cubic yard Pak-Mor Model F body for $3,695, a total price of $7,433. It offered $1,100 for the city's 1954 Ford truck with a similar body bringing the net price to $6,333.

However, the Mackall firm recommended the city purchase a heavy - duty V-8 engine because of excessive starting, stopping and constant idling. If the heavy duty engine is purchased, the complete cost to the city would be $6,483.

O. S. Hill & Co., 948 Pennsylvania Ave., ask $7,650.50 for an International Model B-162 truck with a Thiele 16-cubic yard, side-loading packer body with a 13-cubic yard storage capacity. The body is 8-foot wide.

It offered an allowance of $1,305.50 for the trade in of the present unit, bringing the net cost to $6,345.

It offered as optional equipment a short cab for $125, five-speed transmission for $100, and oversize brakes for $25. There would be no extra charge for a 7-foot wide Thiele body, the bid said.

Wimmer Motor Sales, 600 Walnut St., offered a 1962 GMC truck with 165-horsepower V-6 engine for $3,600 less a $200 trade in of the present truck and a variety of body types.

They included a 12-cubic yard Pak-Mo Model F for $3,695; 13-cubic yard Heil Mark II for $4,555; 13-cubic yard Leach Packmaster at $4,504, and a Thiele packer body with a 13-cubic yard storage capacity and 4 - cubic yard loading compartment for $3,675.

A wide selection of packer bodies also was offered by Mike Turk, Inc., of E. 6th St. with a 1962 Chevrolet truck chassis.

The truck with a 13-cubic yard Thiele body was offered at $7,113.54; 12-cubic yard Pak - Mor body, $7,133.54; 16-cubic yard Seal Press, $7,543.54; 10 - cubic yard Leach body, $7,725.54; 13-cubic yard Leach body, $7,942.54; 18-cubic yard Truxmore body, $7,988.54 and 13-cubic yard Heil Collectomatic, $7,993.54.

It offered a trade in of $150 on the present 1954 truck and body.

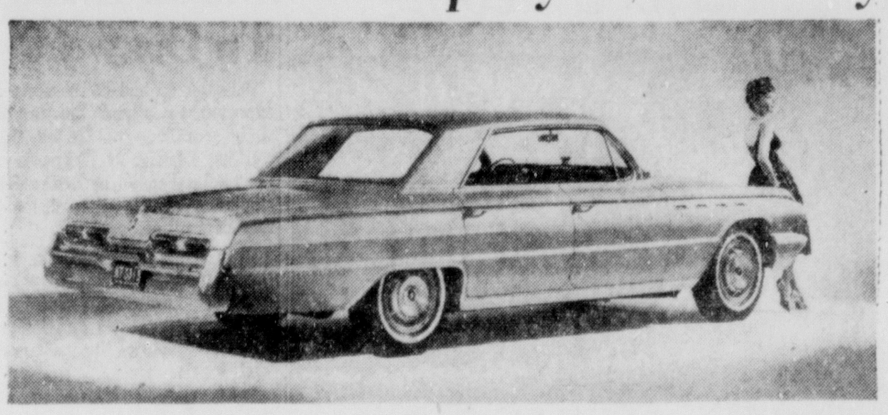

Turk recommended the truck be equipped with a 12-inch clutch, five-speed transmission, reinforced frame, heavy-duty brakes with a vacuum reserve tank, 7,000 - pound front suspension and heavy-duty front springs which would be available for an additional $375.

Composed of Mayor Bert H. Goodballet and Safety - Service Director Robert Owen, the board took the bids under advisement.

Because City Hall did not open until 1 p. m. out of respect to the late Lt. Micheal A. Winters Jr., opening of the bids was delayed from noon until shortly after 1.

Buicks Go On Display Wednesday

The new Buicks will go on display here Wednesday at Mike Turk, Inc., 415 E. 6th St.

The Electra 225 series is shown above.

The 1962 models feature a revolutionary 90-degree V-6 engine in its Special series which has been expanded to include a two-door convertible.

All regular - size cars boast a completely new design with sporty new roof styles and long sweeping lines that make the car look bigger and more massive.

"We have recaptured that big-car look that has traditionally characterized Buick styling," said Edward D. Rollert, general manager of Buick and vice president of General Motors. "We feel that with our new styling, which is clean and uncluttered, and with the excellent record in mechanical performance Buick has achieved in the past year, we will continue to make substantial gains in the market."

For the first time, Buick, which pioneered the hardtop styling 12 years ago, will offer a two-door hardtop that looks like a regular convertible. These models will be available in the Invicta and LeSabre series.

A distinctive new roofline, with wide, sloping rear pillars, distnguishes the two-door and four-door hardtops in the new Electra 225 series.

Interiors in the regular line have been completely restyled, tastefully fashioned in the latest luxury fabrics in nylon, leather and vinyl. The instrument panel also is of new design, with an instrument cluster designed around a new needle-type speedometer.

Fall Crop's On Way

Change In Season Means Switch In Food Varieties

With the coming of fall, area produce counters will take on a larger variety of fruit and vegetables, Richard W. Skinner, marketing agent with the Co-Operative Extension Service in Canfield, pointed out today.

Summer fruits and vegetables such as sweet corn, tomatoes, peaches and melons will disappear from the market gradually in the next week or two, but they will be replaced by more apples, pears, grapes, potatoes, cabbage, squash, egg plant and beets, he said.

The sweet corn season is fast drawing to an end. Many growers did not have corn as long as they hoped to because of the dry weather in certain areas. Those growers who still have corn report their supply is near the end.

Tomatoes, peppers and cucumbers will be eliminated after the first frost, which usually occurs during the first week of October. However, it may occur sooner. If you are planning on canning tomatoes or making pickles, you will want to do so this week and as early in the week as possible.

There will be a limited amount of fresh peaches on the market until about Oct. 5. You may still find a few growers that have Elberta or J. H. Hale. However, Shippers Late Red is the more common peach found at this time. While Elberta and J. H. Hale may be used for canning or freezing, the Shippers Late Red is best when used fresh.

The volume of fruit marketed shifts from peaches to apples at this time. The first really mature McIntosh, a favorite of many, will be available about the first of October from Northern Ohio orchards. From this time until the end of winter, apples will remain one of the prime sources of fresh fruit for consumers of this area.

Concord grapes are now on area markets and they will increase in supply during the week. Concord grapes are grown locally in volume and are favorites for juice.

Other native grown grapes that are on the market include Delawares, which are excellent for eating fresh, and Niagaras, which have a flavor all their own. Western grapes are favorite table grapes. Varieties now available are Tokay and Thompson Seedless. You will find grapes an economical buy for the next two or three weeks.

Cabbage, squash, potatoes, beets and carrots have been rather plentiful and this will continue for some weeks. As usual, potatoes and cabbage are two of the best budget-stretchers.

Sweet potatoes, egg plant and beets have increased in supply and will be considerably lower in price during the next week or two than in recent weeks.

This is seasonally the time of year when there are more of the smaller size eggs available. Because of an increased number of pullets started earlier this year, there will not be a noticeable tightening of supply during the next month, which usually is the case.

Any price advance will likely be centered on the grade A large, since small and medium sizes will make up more of the supply.

To find the most economical buy in eggs, check the cost per ounce. To do this you will need to remember that one dozen large eggs equals 24 ounces, one dozen medium eggs equals 21 ounces and one dozen small eggs equals 18 ounces. Divide the price per dozen into the weight per dozen to determine the cost per ounce.

The size that has the lower cost per ounce will be the best buy. When three is a difference of eight cents or more between sizes, the smaller sizes will usually be the better buy. In most stores today the medium size is the best buy on a cost per ounce basis.

All meat prices except one are about the same as one year ago. The one exception is poultry. Poultry fryers and turkeys are top choices in value in most retail markets.

Outside Agencies Aid Police During Funeral

Police Chief Americo J. Radeschi today thanked the Wellsville police department, Columbiana County sheriff's office and the State Highway Patrol for the aid they furnished local officers during the funeral Monday morning for Police Lt. Michael A. Winters Jrs.

The Wellsville department manned the desk at police headquarters and sheriff's deputies answered radio calls while city police attended the funeral for their fellow officer who died Thursday following a heart attack.

The State Highway Patrol led the funeral procession to the Columbiana County Memorial Park for the burial.

Vandals Hit 2 City Schools

Vandals forced their way into two city schools over the weekend and broke several windows but apparently took nothing, police reported.

It was the third breaking and entering of school buildings within a few days. Thieves stole $5, ransacked offices, broke glass panes and took door keys to Memorial Auditorium Thursday night or early Friday.

The intruders broke a window in the science room at East Junior High to gain entrance, opened desks and drawers in several rooms and broke the glass in the office door before leaving by the rear door, police said.

The building was entered between noon Saturday and 7:30 a. m. Monday, officers said, virtually the same time in which Westgate School also was entered.

At Westgate, desks and drawers in the general office, classroom and teachers' lounge were pried open and glass panes in the office and classroom were broken, police said.

Melvin L. Harris, 1071 Pennsylvania Ave., reported to police Monday that a vandal cut a six-inch slash in the roof of his car causing damage estimated at $96.

The vandalism apparently occurred between 9 p. m. Saturday and 8 a. m. Sunday while the car was parked at his home or at American Legion Post 374 on Pennsylvania Ave. or on 5th St., Harris said. He noticed the slash Sunday.

Nothing was taken when thieves broke open a door to the Central Service warehouse on Dresden Ave., police were told yesterday.

A thief climbed the fire escape on the north side of the former Faulk Building and kicked down a door leading into the second floor, police were told.

2 Workers Claimed By Sewer Gas Fumes

COLUMBUS, Ohio (AP) — Two city employes were asphyxiated by sewer gas Monday, one while trying to rescue the other who had been inspecting a new sewer line.

Dead are John W. Turner Jr., 56, and Robert Milburn, 22, workers in the city's sewage and drainage division.

Witnesses said Milburn went down the manhole and called out that he smelled gas. He started up the ladder but fell back unconscious. Turner went down the 15-foot hole to rescue Milburn, they said, but passed out as soon as he got to the bottom.

Firemen wearing gas masks carried the two to the surface.

Dixie Governors Back Kennedy On Peace Moves

NASHVILLE, Tenn. (AP) — Southern governors put aside sectional problems today and stood united behind the Kennedy administration's promise to work for peace but never to surrender to blackmail.

Vice President Lyndon B. Johnson, substituting at the Southern Governor's Conference Monday night for President Kennedy, warned the Soviets not to misjudge the character and strength of this nation, lest the world be pushed into nuclear war.

"We seek peace but we shun appeasement because we have learned appeasement is surrender on the installment plan and the signal for ultimate war," the vice president said.

Johnson spoke slowly and at times grimly. He drew his biggest applause from the 17 governors present when he declared the United States would never desert West Berlin or Nationalist China.

A resolution, submitted by Govs. Lindsay Almond of Virginia and Orval Faubus of Arkansas, was adopted in which Kennedy's speech was termed "a magnificent address."

2-Car Crash Fatal To Expectant Mother

COLUMBUS, Ohio (AP)—A two-car collision took the life of an expectant mother Monday night, police reported.

Mrs. Barbara J. Stertzer, 21, of Columbus suffered fatal injuries in the headon collision on Hamilton Road Monday morning. She died at St. Anthony Hospital about 12 hours after the crash. She was the mother of two children.

Army 'Brass' To Speak At Stratton Rites

(Continued from Page One)

oratories in Mariemont before going to Huntington for another inspection.

—:—

FOLLOWING the luncheon, the guests will board river boats at Lock 10 at 1:30 p. m. and are scheduled to arrive at Stratton at 3:30 p. m., 30 minutes before Secretary Stahr's address.

The dedication program is being sponsored by the Steubenville Chamber of Commerce with the Pittsburgh Engineers District and the Pittsburgh Coal Exchange co-operating. Heading the committee are H. Nelson Lang of the Wheeling Steel Corp., J. K. Deasy of the Weirton Steel Co. and Common Pleas Judge J. J. Greisinger of Steubenville.

The ceremony is being held almost six years after Lt. Gen. Samuel D. Sturgis, then Army chief of engineers, spaded the first dirt in November, 1955, to officially launch construction.

—:—

THE PROJECT actually got under way about a year earlier when some 70 properties in the Stratton area were torn down or moved to allow for the relocation of Route 7 some 200 feet to the west.

The Savin Construction Co. of East Hartford, Conn., constructed the two locks under a $16,312,765 contract while the Dravo Corp. of Pittsburgh, which was the second low bidder for the locks, won the contract to build the dam with a bid of $13,452,000.

The new dam and locks replace obsolete structures at Dams 7, 8 and 9, formerly located at Midland, Newell and New Cumberland, which already have been removed from the river.

Te high-lift, crest-grated dam provides a continuous 22.7 - mile pool from Stratton to the Montgomery Island dam at Ohio View, cutting as much as four hours from the towboat travel time through this section.

—:—

TWO LOCKS operate in conjunction with the dam, the larger measuring 110 feet wide by 1,200 feet long and the auxiliary chamber being 110 feet wide and 600 feet long.

The larger lock will raise or lower a towboat and 24 standard 1,000 - ton barges (26-x-175-feet) in seven minutes after entry while the 600-foot lock, the same size as the chamber in the old structures, will handle a towboat and eight standard barges in the same time. The lift from the lower to upper pool is 22.6 feet.

When modernization of the navigation system is completed in the late 1970's, a 24-barge tow traveling the 981 miles from Pittsburgh to Cairo, Ill., will be able to save as much as 45 hours in locking time alone, Gen. Wilson has said.

—:—

THE BILLION-dollar program ultimately calls for the present 46 locks and dams to be replaced with 21, of which three will be retained from the present system.

As the Upper Ohio Valley's industrial complex has grown and expanded, the Ohio River has loomed more important. Its importance is indicated by the steady increase in freight tonnages carried in the stretch in which the new dam and locks are located.

Tonnage in this area jumped more than 80 per cent in a five-year period, climbing from 8,631,800 tons in 1952 to 15,099,400 tons in 1956 when 4,200 towboats towing 30,245 barges traversed this part of the river.

In 1900, only 3 million tons of freight was moved over the entire 981 miles of the Ohio.

—:—

WHEN THE present system of locks and dams was authorized, the optimistic assumption was that traffic might increase in time to 15 million tons a year.

However, Army Engineers were criticized for "extravagance" in designing 600-foot locks.

By 1929 when the system was completed, the volume had risen to 22 million tons a year and by 1959 to a peak of 80,801,017—and the locks once criticized as being too large became bottlenecks impeding the flow of raw materials to industrial plants.

It became necessary to break modern tows of 20 or more barges carrying over 20,000 tons of freight into two or three parts and lock each separately.

An estimated 79,477,586 tons of freight was carried on the Ohio in 1960, about 20 million more than was handled through the Panama Canal.

—:—

COAL AND coke accounted for more than 50 per cent of the tonnage to feed the steel mills and huge electric plants which have developed along the river. One of the newest is the Ohio Edison Co.'s $115 million dollar plant at Stratton.

Ranking second but far behind in tonnage was oil and gasoline with stone, sand and gravel in third place. Miscellaneous freight ranked fourth, iron and steel was fifth, chemicals sixth and sulphur seventh.

2 District Bands To Play At Stratton

The Stanton Local and New Cumberland High School Bands will participate in the dedication program Thursday at the Stratton super-dam.

The Irondale band is directed by John William Hutson. Miss Helen Stobinsky is director of the New Cumberland band.

Gen. Eichelberger, War II Hero, Dies

ASHEVILLE, N.C. (AP)—Gen. Robert L. Eichelberger, 75, commander of the U.S. 8th Army in the Pacific in World War II and former superintendent of the U.S. Military Academy at West Point, N.Y., died here early today.

Eichelberger, who guided the "amphibious 8th" through the long Philippines campaign and later commanded Allied occupation forces in Japan, was hospitalized last Friday. He underwent surgery Monday.

Eichelberger had served as secretary of the general staff of two chiefs of staff of the U.S. Army—Douglas MacArthur and Malin Craig. He was graduated from West Point in 1909.

Lisbon Joins County Step For Planners

LISBON — A petition requesting Columbiana County commissioners to appoint a County Planning Commission was authorized by Lisbon Council Monday night.

The move is part of an organized effort by villages and cities in the county, now without planning groups, to obtain a county commission to correlate planning. The move stemmed from a recent meeting of the County Mayors Association.

Lisbon has no planning organization at present.

Council discussed ambulance service for Center and Elkrun Townships by the Lisbon volunteer fire department. Mayor Dean Stockman is to confer with trustees of the townships to discuss paying firemen for manning the ambulance on emergency calls.

Gerald Boring and Joseph Brown of the Shifters Auto Club explained the club's activities to Council, and said a sponsoring organization is needed, such as a group, business or government agency.

There are some 15 members in the club which has a garage about four miles west and has a "dune-buggy" to be operated next spring. The two representatives said the club is interested in helping the community.

Mayor Stockman said the club could meet at the Village Hall, but will have to make reservation arrangements with Police Chief Dalton Pike.

Mayor Stockman reported a tree has been cut down on property near the Nace Drugstore of N. Market St., eliminating a leaf problem. New parts costing $342 have been obtained for the village's leaf mulching machine, and street department crews are to do the labor.

The mayor reported on erection of "slow" signs where requested, and said he has received one complaint that the signs make grass cutting difficult. Council discussed lack of street markers at some intersections.

Bills totaling $10,878 were paid. Next meeting will be Oct. 9.

The Council chamber was recently painted by the Lisbon Junior Chamber of Commerce as a community service.

Don't try a recipe you've never made before on guests! Have a rehearsal first — for the family only.

Welfare Fund Contribution Set By Legion Post

A contribution of $25 for the Community Fund was authorized by Chester American Legion Post 121 at a meeting Monday night at the post home.

Gold life membership cards were presented to Byron Allison and Stanley Smusz, past commanders, by Jack Huff, commander.

Reports were given by M. J. Sweeney, service officer, and Myron Rogers, finance officer.

It was announced the post will sponsor buses to the Pitt - West Virginia football game Oct. 14 and the Steelers - Browns football game Oct. 14 and the Steelers-Browns football game Oct. 22. Tickets are available at the post.

Plans were made for dinner-dances November through March. Refreshments were served by Ed Huff and his committee. The next meeting will be Oct. 9.

Band Mothers Set Benefit Sale

Plans for a rummage sale Oct. 9-14 at a Mulberry St. store room in East Liverpool were completed at a meeting of the Purple and Gold Band Mothers Monday night at Chester High School.

Donations for the sale may be made by notifying the committee co-chairmen, Mrs. Bernard Reber and Mrs. Fred Morris.

Mrs. Cecil Pugh and Mrs. Darwin Picklesimer were appointed co-chairmen of a cooking school to be held with the Monongahela Power Co. in the future.

John Clovis, band director, was authorized to purchase six fire batons for the majorettes. Lunch was served 25 by Mrs. Reber and Mrs. Fred Greenlee.

Mrs. Herman Wilson, president, was in charge.

Pittsburgh Driver Jailed

A 63-year-old Pittsburgh man, whose car was hit by another auto in Chester and who later backed into a pedestrian, was jailed in lieu of bonds on two traffic citations Monday night.

Arthur Goss of Pittsburgh is slated for a hearing next Monday before Mayor Ray Collins on charges of failure to have his vehicle under control and failure to yield the right-of-way.

Patrolman Clarence Lennens said Goss' 1960 sedan was hit by a 1955 sedan driven by Mrs. Linda Kay Durbin of Carolina Ave. last night at 8:45 at Carolina Ave. and 1st St. Mrs. Durbin received a slight cut of the lip.

Lennens said Goss made a left turn from a right lane and was hit by Mrs. Durbin's car moving in the center lane at the intersection, causing extensive damage to the front of the Durbin auto and minor damage to the rear of the other car.

About 15 minutes later, when Lennens instructed Goss to pull his car ahead to clear the intersection, the Pittsburgher put the auto in reverse and backed into Mrs. Rena Pugh of Carolina Ave. who was walking across the street. She received knee bruises.

Goss was freed this morning when he posted $55.50 bond for the failure to yield the right-of-way charge, and $30.50 bond on the other charge.

Hits Discrimination

TOLEDO, Ohio (AP) — City Council Monday passed an ordinance prohibiting discrimination in the sale of real estate or the rental of multiple-dwelling units. It prohibits discrimination on the basis of race, color, religion or national origin, but contains no penalty for violations.

Raid

(Continued from Page One)

ery and Leonard Richard were included in the raiding team.

The officer said he gained entrance by waiting until the locked door was opened to admit two women.

Twelve men and women were seated in the club, Lt. Walker testified, and bottles of beer, a "shot" of whisky and some mixed drinks were on the bar and at tables. He did not witness a sale, he continued.

Walker introduced nine bottles of beer and the "shot" of liquor which police confiscated along with four bottle caps. Colored blue, the caps indicated the bottles contained high - powered—or 7 per cent—beer, he said.

Questioned by the judge, Collins said he "bought the place" and added it is a private club with memberships available for $1.

Asked by Judge Chertoff as to the purpose of the club, the former Hookstown resident replied, "I haven't found out yet."

"We are not going to allow the sale of whisky in East Liverpool on Sunday with or without a card," Judge Chertoff warned, pointing out there are many legitimate places of business trying to comply with the law and not desecrate the Sabbath.

"I can't believe a word you tell me. I believe you are only a 'front' for someone else. You can't tell me the purpose of the club or anything else about it," Judge Chertoff said. Collins objected that he had "papers at home" to show the purchase.

"Is this place related in any manner to the old club?" Judge Chertoff ask Radeschi. "It has the same license," the chief replied.

"The old club had a good reputation and some fine people were members. It apparently has fallen into disrepute and into the hands of bootleggers," Judge Chertoff replied.

He then decreed the fine and suspended jail term, informing Collins a check would be made to see if it can be closed as a "nuisance" and the state liquor authorities would be notified.

The Lincoln Memorial was dedicated in May 1922, culminating a project originated two years after Abraham Lincoln's death.

Here tomorrow—a great new exclusive from Buick

ADVANCED THRUST

Moves power forward for arrow-straight going

It puts the engine ahead like the tip of an arrow • It tames "wind wander" and road sway • It sweeps you forward in a hush of luxury • It turns the floor hump into foot space.

WHAT IT IS—Buick's big new move: It positions the great new Wildcat V-8 and Turbine Drive way up front over Buick's front wheels.

WHAT IT DOES—As the engine went forward, the floor hump went DOWN. And, the forward weight makes wheel response far quicker, cornering far surer, ride far smoother.

WHY YOU'LL LOVE IT—It's the closest you can come to sports car handling in a passenger car. Distances shrink before its ¾-G thrust. Hills disappear. Lean on curves is really gone. Winds don't make you wander. It's going at its Buick best!

How Can I?

By ANNE ASHLEY

Q. How can I insure longer wear in metal garbage and trash cans?

A. Periodic washing and drying will prolong the life of a galvanized steel garbage or trash can. Rust can be prevented by painting the inside of the metal can with zinc chromate when it is new. The base of the container may be given additional protection by priming and painting.

Q. How can I avoid smoke in my kitchen while grilling pancakes?

A. By rubbing your griddle with a small bag containing a quantity of salt. This bag can be used for a long time, and if the griddle is well tempered, it will need no further greasing.

Q. What is a good "substitute" cleaner for my typewriter keys?

A. Cigaret lighter fluid does a good job of this. Use it sparingly with a type-cleaning brush, or an old toothbrush.

Mrs. Solak Appointed To State School Unit

Mrs. Marilyn Solak of Salineville, high school supervisor for Columbiana County Schools, has been named to the Executive Committee of the Ohio Association of County Supervisors for the school year 1961-62.

Mrs. Solak has a bachelor's degree from Mount Union College and a master of education degree from Kent State University. At present, she is taking additional graduate work at Western Reserve University. She is a member of Delta Kappa Gamma, a life member of the National Education Association and an active member of several other educational organizations.

The Ohio Association of County Supervisors is a department of the Ohio Education Association and the Division of Rural Education. Its purpose is to promote the improvement of instruction in county schools of Ohio and the development of sound supervisory procedures applicable to county systems.

Heads National Unit

TOLEDO, Ohio (AP)—Rt. Rev. Msgr. Michael J. Doyle, director of Toledo Diocese Catholic Charities for 26 years, is the new president of the National Conference of Catholic Charities.

Rt. Rev. Msgr. Raymond J. Gallagher of Cleveland was elected secretary.

The Interior Department intends to preserve an 88-mile section of Padre Island, Texas, in its natural state.

Constitution Day Marked By Bethia Southwick DAR

Edwin Pugh of Wellsville, school teacher, spoke on "One Country, One Constitution and One Destiny" at the annual Constitution Day meeting of the Bethia Southwick Chapter of the Daughters of the American Revolution Saturday afternoon at Wellsville. Mrs. Isabel Hart of Aten Ave. was hostess.

Teacher of history and sociology in East Liverpool High School and of a Geneva College extension class, he outlined governmental experiences as milestones previous to the Constitution. He contends the first "GI Bill of Rights" was in 1787 as land grants for veterans of the Revolution in Ohio and western territories.

Mrs. George Fraser, chaplain, read Gal.5:1 for Scripture. She said "we have four symbols of freedom — the Holy Bible, our right to worship; a doorkey to lock our door against illegal government forces and prying; a pencil, freedom to speak or write what you think; free ballot, your right to choose people who represent you in government and your protection against government tyranny. Mrs. Fraser followed with prayer for Constitution Day.

The national defense topic was given by Mrs. Alva Dickey, chairman.

Mrs. Ford S. Ball, regent, presided and the group voted a $10 donation to Mrs. Robert Faulk, approved schools chairman, for a window at the Kate Duncan Smith auditorium at Grantsville, Ala.

The theme for the year will be "For evil to triumph, good men need only to do nothing," from Edmund Burke, English barrister and friend of the American colonists.

The buffet table was laid with a Colonial coverlet and had an arrangement of red and white carnations in a George Washington Toby made in an East Liverpool pottery, together with blue candles to emphasize the patriotic color scheme. The hostess was assisted by Mrs. Willard Leggett and Mrs. Lee Walton.

A Founder's Day program will be presented at the meeting Oct. 13 at the home of Mrs. D. T. O'Hara of Main St. Guest speaker will be Mrs. Marshall H. Francis of Steubenville, state registrar.

Several members of the chapter will attend the Central East district meeting at Gnadenhutten in the Joseph Heckenwelder Moravian Church Wednesday. Mrs. Edison M. Meyers, district director, will preside.

Wellsville Waits Scout Fund Drive

The annual Boy Scout Fund drive will open Monday in Wellsville, James Laughlin and Donald Wellington, co - chairmen, announced today.

The drive committee will meet tonight at 7:30 at the Carnegie Library to complete plans.

The chairmen said they hope to have the drive completed within a week. The goal is $2,500. There are 10 troops in the city.

The drive will include a house-to-house canvass plus a solicitation of businesses.

Team captains include Wilbert Ewing, William Hughes, Chauncey Whiteman, George Schneidmiller, Jack Lanam, Jack Clark, Charles Stone, Paul Waite, Atty. William Bush, Perry Mason, Dan MacLean and Dan Hitt.

The drive is held annually as the city does not have a United Fund campaign. Robert Gray of Chester, Cherokee District scout executive, will meet with the committee.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: Last Thursday was one of the hottest days in our city's history. Our wonderful 14-year-old collie was in the yard as usual. I had to fill his water pan three times.

About midafternoon he began to whine so I let him in the house. He looked at me pleadingly, panted a few times and then rolled over and died.

Blaze was like a member of the family. It took all my strength to call my neighbor and ask her to bury him—which she did.

When my husband came home I told him about Blaze. He turned on me like a maniac. He said I was stupid not to call a vet. He claims the vet might have saved him. I tried to explain Blaze dropped dead before I knew anything was wrong but he refused to listen.

My husband then went to the phone and called his mother and sisters and told them that my stupidity had killed the dog. Nothing I said seemed to get through. I'm really annoyed at him for making me out to be a nut. Any advice? — WILMA.

-:-

Dear Wilma: Your husband is distraught over the death of the dog and he is reacting in a child-like manner — placing the blame on the handiest party. A dog 14 years old is equivalent to a human being of 98. I'd say Blaze lived a good, full life.

Go out and buy another collie as soon as possible. Name him Blaze Jr. and tell your husband to button his lip already.

Too-Familiar Friend

Dear Ann: I'm getting pretty fed up on the actions of a certain man who has been coming over to play cards with my father for as long as I can remember. He always brings me a sack of candy as if I were 2 years old.

I'm 15 now and I think it's time he stopped trying to kiss me on the lips and pull me onto his lap. I told my mother that maybe this was all right when I was a baby but I'm a young lady now and I hate it. I also told her that if he doesn't stop pawing me I am going to sock him right in the chops. May I have your okay? — NO INFANT.

-:-

Dear No Infant: Sorry, but a young lady doesn't go around socking her father's friends — or anyone else — in the chops.

You are perfectly right to resent his behavior but there's a better way to handle the old coot.

Tell him you've outgrown the baby stuff and from now on his greeting is a handshake. If he doesn't get in line tell your father to give him the message—man to man.

Old College Ties

Dear Ann: I'm a bride of two months who needs your opinion. I attended college in the Southeast and was graduated three years ago. Since then I have carried on a rather extensive correspondence with college friends—both male and female.

It is my turn to answer several of these letters but my husband says a married woman should not correspond with males, even if it is platonic. I'd hate to lose track of these people because they are good friends. Our letters have always been strictly informational and I was never romantically involved with any of these fellows.

Do you feel that my husband is right? He calls it "preventive surgery." — MRS. A.W.K.

-:-

Dear Mrs. A.W.K.: I hope he's not a surgeon. Too much hacking away of healthy tissue can be dangerous.

A mature man should be able to tolerate his wife's correspondence with old college friends.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

United Fund Drive Slated Oct. 2-31 In Midland Area

Oct. 2-31 was set Monday evening for the United Fund campaign of the Midland Area Combined Charities whose goal is $45,471 of the Beaver County goal of $699,345.

Money raised will be used for more than 40 United Fund affiliated agencies which help solve the personal problems of over 50,000 or one out of every four persons in Beaver County.

Members of the Board of Directors of the charities group met Monday night at Lincoln High School to set the date and the "kickoff" meeting of the campaign committee, divisional chairmen and workers to be held next Monday night.

Materials for the solicitations will be given to chairmen at a meeting tonight at 7:30 at the high school.

Robert C. Kelker, superintendent of the electrical department of the Midland Works of the Crucible Steel Co., and general campaign chairman, reported on progress todate.

He said the mill is expected to get started soon on its solicitation and has promised its cooperation. It was brought out that most divisions of the campaign can get under way next Monday with only the house-to-house canvass held up until mill workers get their United Fund stickers on windows and doors so they will not be asked to give twice.

The solicitation of Crucible emloyes is expected to take about three weeks. The first report meeting of the campaign is Oct. 9 and the final Oct. 30.

Auditing for the county campaign will be done by Snodgrass & Co. and members of the Beaver County Chapter of the National Association of Accountants will assist area campaigns.

Joseph D'Alesio, president of Steelworkers Local 1212 at Crucible, is campaign co-chairman.

Kelker said there will be a speaker at the "kickoff" meeting and a film will be screened. It will be held in the Music Forum of the high school. Directors decided that refreshments will be served.

In other business, Nile H. Wain, secretary, and Charles L. Smith, president, were authorized to make payments to the United Fund of Beaver County when requested.

The board accepted the resignation of Atty. Edwin M. Wallover, a founder of the Midland charities, who recently moved to Beaver. School Supt. Ralph H. Jewell was asked to prepare a letter to be sent to Wallover, which will be read at the group's next meeting.

Jewell also reported on budget meetings of the county fund group to which he and the Rev. George Bohlender were Midland delegates during the summer.

Wain gave financial, petty cash and treasurer reports which were accepted.

Newell Fire Unit Elects

Newell volunteer firemen elected a new chief Monday night after accepting the resignation of Charles Lee.

Arch Coen, 217 Grant St., a clerk at the Crucible Steel Co. in Midland, received the post.

Lee, 430 Jefferson St., resigned because of business commitments.

Don Foltz, an employe of the Globe Brick Co., was elected assistant chief. Pete Lamp, a potter, was elected vice president to fill the vacancy created by the elevation of Foltz.

The department's maintenance committee will meet tonight at 6:30 to map plans for the annual fund - raising campaign for operations of the unit. Coen is chairman of the drive which gets under way early next month.

Firemen have been asked to meet Saturday at 10 a. m. to finish roofing of the fire station. The project is half completed. In case of rain, the work will be done Sunday.

Vern Betteridge, president, conducted business.

Wheat Plan Deadline Set

LISBON — Farmers who wish to participate in the 1962 wheat program must sign an intention in the Columbiana County Agricultural Stabilization and Conservation office by Nov. 15, according to C. F. Shaw, chairman.

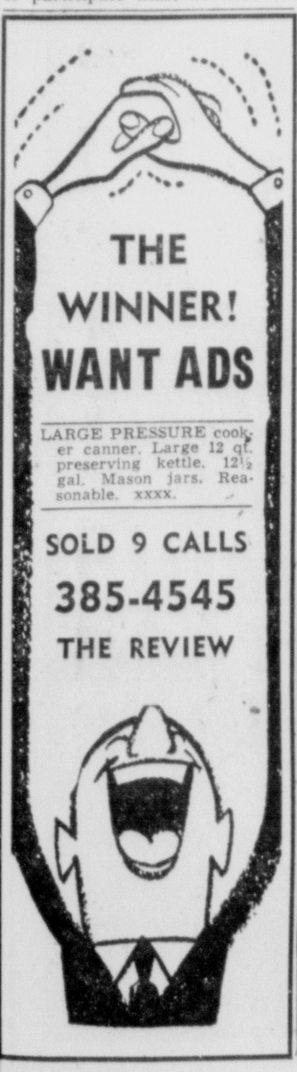

They must reduce the acreage of wheat by a minimum of 10 per cent below what the 1962 allotment would have been without the program.

They may also voluntarily divert additional acreage subject to certain limits and conditions. Diverted acreage removed from wheat production must be put to an approved conservation use. The total acreage on the farm devoted to conservation uses, excluding the acreage diverted under this program and that diverted under the 1962 program for feed grains, must not be less than the total average average of land devoted to conservation uses on the farm in 1959 and 1960, Shaw said.

The acres diverted can not be harvested or pastured and weeds must be controlled as designated by the county ASC committee. Farmers are not required to participate but non - participants will be ineligible for price support on any wheat grown in 1962 or for payments for reduction of wheat acreage and diversion to conservation uses. The average price support in Ohio for 1962 wheat will be about $2.05 per bushel. Non-participating farmers have the choice of harvesting not more than their permitted acreage or paying the marketing quota penalty for the wheat produced in excess of the farm allotment.

An additional choice for farmers with less than 13.5 acres is to harvest within the permitted acreage for the farm. Intention to participate must be filed not later than Nov. 15 to be eligible for payment for underplanting.

Each farm situation is different and each farmer must decide for himself whether he wishes to participate, Shaw said. Farm allotments and payment rates have been mailed to each wheat farmer. Additional information is available at the county ASC office and producers with questions on the program are urged to check before planting their wheat.

Number Slip Case Delayed

(Continued from Page One)

tor had advised him previously of the attorney general's staff appearing before the Grand Jury when the indictment was sought in the sales book case.

John Gleason, another assistant to McElroy, remarked to the court that he was in favor of starting extradition proceedings "right away" to require the defendants to appear. Atty. Moore replied such action was unnecessary, as the defendants had agreed to "appear at any time designated by the court."

The case of the sales book concern was the last called by the judge, as the indictments were taken in numerical order and the "numbers" charge was the last returned by the Grand Jury. The hearing ended shortly after noon.

Brokaw told the court he and Atty. Moore have an arrangement that the four defendants will appear as soon as the defense counsel studies the bill of particulars.

Brokaw added that he will file a motion requesting that the attorney general's staff be allowed to aid in the prosecution.

A hearing will be held Thursday afternoon at 1 before Judge Sharp on the motion.

Marble Cash Taken

LISBON — A small amount of change was taken from the marble board of the Thomas service station at Westville, according to Deputy Sheriff James Miller, who said a side window was broken for entry early Monday morning to the combined gas station and grocery at the junction of Routes 62 and 173. Harley Thomas, owner, said nothing else was missing.

Has 680,768 Vehicles

CLEVELAND (AP)— Cuyahoga County has 680,768 of the 4,391,836 motor vehicles registered in Ohio and is likely to have 700,000 by March 31, C. W. Ayers, registrar of the Ohio Bureau of Motor Vehicles in Columbus, reports.

Newsmen To End Course On State Setup, Financing

OXFORD, Ohio (AP) — Seventeen newsmen today wind up a short course in state government and its financing.

"Schoolmaster" Michael V. DiSalle and his cabinet assistants are discovering they picked a tough job in attempting to educate the newsmen in the mysteries of government finance in a couple of two-day seminars.

The first seminar was scheduled to wind up this afternoon on the Miami University campus in Oxford. The second opens Wednesday night at Bowling Green State University.

Newsmen who have covered DiSalle's five-a - week news conferences during his 2½ years as governor found nothing really new in the session which opened Sunday night. But it appeared to be an impressive education for newsmen who do not customarily cover the governor and his one-a-week cabinet meetings each Friday.

With relatively few strictly political overtones showing, DiSalle cabinet members attempted a quick sales presentation of their views on the need for more money for key state programs.

Motorist Fined

LISBON — William Rudibaugh, 31, of R. D. was fined $5 and costs by County Judge James L. MacDonald Monday on a charge of crossing the yellow line in a hazardous zone. Albert S. Boyce, 29, of Cleveland forfeited a $15 appearance bond for speeding in another State Highway Patrol case.

SANDUSKY, Ohio (AP)—Daniel Douglas White, 100, said to be the oldest resident of Erie County, died here Monday following an illness of six weeks.

Jefferson St. Mishap Damages Three Cars

Three autos were damaged in a collision late Monday morning on Jefferson St., about 100 feet south of the intersection with Webber Way, police reported.

Involved in the crash at 10:50 a. m. were cars operated by Robert McPherson, 40, of Salineville R. D. 1 and Max Walton, 69, of 1115 Harker Ave. and a parked sedan owned by Nathan Caplan of Jefferson St. and Webber Way, police said.

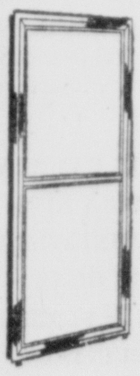

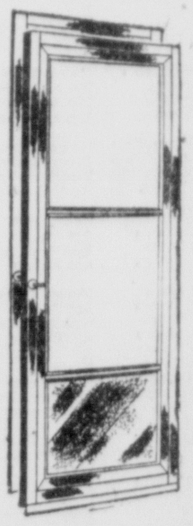

McPherson said he was headed east and turned up the Jefferson grade when Walton pulled from the curb into his path. Walton said he saw nothing coming and pulled out when he was struck by the car operated by McPherson and owned by Ideal Chevrolet, 409 Broadway, Wellsville.

The impact shoved his car into Caplan's parked auto, Walton said.

Deaths and Funerals

Former City Resident Dies

Clarence M. Crytzer, a resident of East Liverpool until six years ago, died suddenly Monday at 6:30 p. m. at the home of his daughter, Mrs. Dorothy Swisher, in Valparaiso, Ind.

Mr. Crytzer was born in Kittanning, Oct. 10, 1883, but resided here for many years.

A jiggerman at the Homer Laughlin China Co. for 40 years, he was a member of the Calvary Methodist Church and the IBOP. His wife, Viola Maude Crytzer, died in 1935.

Surviving are two other daughters, Mrs. Annabell McCoy of Linesville, Pa., and Mrs. Bessie Silverthorn of East Gary, Ind.; three sons, William A. Crytzer of Columbia, S. C., Vernon W. Crytzer of East Gary and Robert H. Crytzer of Richmond, Va.; a sister, Mrs. Helen Roberts of Cleveland and 23 grandchildren.

Services will be held Wednesday in Valparaiso and again Friday at 2 p. m. at the Martin Funeral Home by the Rev. Carl Beighley. Burial will be in Locust Hill Cemetery.

Friends may call Thursday night at the funeral home.

Charles Goddard

Charles Goddard, 608 Fisher Ave., was found dead Monday at 3:45 p. m. at his home.

Mr. Goddard was born in Rogers, son of Benjamin and Myra Goddard, and spent his lifetime in this area. A veteran of World War I, he was employed for eight years as a waxer at the Hall China Co., retiring in 1951.

He was a charter member of American Legion Post 374 and a member of the IBOP.

He is survived by his widow, Mrs. Jessie M. Goddard, and two sisters, Mrs. Eva Reagle of East Palestine and Miss Myrtle Goddard of East Liverpool.

Services will be held Thursday at 2 p. m. at the Martin Funeral Home by Dr. A. K. Davison, pastor of the First United Presbyterian Church, assisted by the Rev. John L. Clark, pastor of the First Methodist Church. Burial will be in Riverview Cemetery.

Friends may call Wednesday afternoon and night at the funeral home.

Mrs. Rose Rhodes

Mrs. Rose Rhodes, 88, of the Industry - Fairview Rd., Industry R. D. 1, a resident of the Midland area 14 years, died Monday at 1:30 p. m. at Rochester General Hospital after a lingering illness.

She was born in Johnstown and came to the Midland area from Cambria County, Pa. Survivors include a son, David Rhodes of Quincy, Mich.

Services will be Thursday at 2:30 p. m. at the Cannon Funeral Home at Midland. The Rev. George H. Bohlender, pastor of the Midland Presbyterian Church, will officiate. Burial will be in Oak Grove Cemetery in Industry.

Services will be held Thursday at 1:30 p. m. at the Eells - Leggett Funeral Home by the Rev. Paul T. Gerrard. Burial will be in Lisbon Cemetery.

Friends may call at the funeral home Wednesday from 2 to 4 and 7 to 9 p. m.

Chester Autoist Fined 3 Counts

Raymond Sprout 18, of Montana Ave., Chester, was fined a total of $60 and costs on three traffic charges Monday night by Mayor Ray Collins, who dismissed two other charges.

Sprout was fined $25 and costs each for hazardous driving and no city driver's license and $10 and costs for driving an unsafe vehicle. He was committed to the Hancock County Jail in lieu of payment.

Charges of lack of registration and state driver's license were dismissed when Sprout presented them. He was cited Friday on Carolina Ave.

Ronald Newlun of 3rd St. Ext., cited Sept. 15 for hazardous driving after his car sideswiped another, was fined $10 and costs by Mayor Collins.

Ralph B. Watson, 30, of River Ave. was fined $5 and costs for operating a vehicle without a registration plate. He was cited Wednesday.

Storm

(Continued from Page One)

teer firemen, probably saved her life. Her husband, Charles W. McCarthy, was at work at the time at Universal Cyclops at Bridgeville. She has four step-children.

According to her father-in-law, the lightning came in on the copper tubing of the laundry tubs, grounding through her body.

He said he gave her mouth-to-mouth resuscitation and artifical respiration for about an hour. Mrs. Hazel Walker, a nurse at the Shippingport atomic power plant, operated a resuscitator supplied by Shippingport volunteer firemen.

Shippingport firemen were summoned by Hookstown firemen and Fire Chief Eugene Frasier met the Shippingport crew at Hookstown and gave directions to the Rohm farm.

Lawrenceville firemen were also at the scene.

Responding from Shippingport were Les Jones, a firemen, and Andrew Reese and Ronald Burris, William Burris, fire chief, said.

The hospital said today that Mrs. McCarthy is "doing as well as can be expected." She may be released in about 48 hours.

The wind, rain and lightning caused some damage along the Ohio River from Beaver to Ambridge.

A four-hour power failure was reported for Gringo, near Aliquippa, and in Monaca's third ward, about 300 homes were without power for 45 minutes.

Beaver reported tree limbs down and borough employes were out until midnight. No serious damage was reported.

In Rochester, one house was struck by lightning, "blowing" out a radio and causing about $30 damage.

Ambridge reported winds of 60-mph., broken tree limbs and wires down.

Midland police reported no damage.

The first of the series of storms with the advancing cool front occurred shortly before noon.

Most of rain yesterday fell with the heavier storm that hit about 6:30, with gusty winds that continued much of the night. No damage was reported, however.

The Tri-State District had been warned of "tornado conditions" about 6, but the alert was called off by the Ohio weatherman about 10 last night.

Glenmoor Men Grab Dog As Sheep-Killer

Glenmoor firemen captured a large black dog which attacked and killed the pet sheep of a Lincoln Highway family Monday morning.

The dog killed "Lula," the pet sheep of th echildren of Loren Griffiths, firemen said.

The animal was impounded in the station and was to be turned over to a dog warden from Lisbon. It gave no outward signs of having rabies. The dog did not wear a license.

Police Asked To Seek Missing City Girls, 14

Police were asked early today to seek two 14-year-old East Liverpool girls missing from their homes since late Monday afternoon.

They are Jewell Ann Green, daughter of Mrs. Naomi Green, 782 Woodlawn Ave., and Mary Frances Humphrey, daughter of Mrs. Dorothy Humphrey, 323½ E. 8th St.

The Green girl is 5 feet 4 inches, weighs 107 and has brown hair and gray eyes, her mother said.

The Humphrey girl is 5 feet, weighs 120 and has blonde hair and blue eyes. She was wearing green shorts, a white blouse and tennis shoes. Both girls were reported missing shortly after midnight.

Sophs To Get Chance . . .

After their performance in the Steubenville Central game, several sophomores may move up to starting spots for Friday night's tilt with New Philadelphia.

The sophomore group did such a fine job that it even satisfied some of the Monday morning quarterbacks.

Coach Bob Hedmond indicated the following moves in the backfield. He plans on shifting senior Jerry Bell from fullback to halfback and putting junior Len Oliver at fullback. Oliver turned in some fine running against Central on thrusts up the middle.

Sophomore Chuck Baker will be the starting quarterback, offensively, replacing senior Vince McKinnon, who will be used as a safety man on defense.

We saw something in Baker that you very seldom see in a young quarterback; that is passing while on the dead run. In one instance last Friday night he stiff armed an opponent with his left arm and threw a pass at the same time. And he looked like a veteran in doing it.

Bob Mercer is getting a shot at the other halfback post. The sophomore speedster was on the receiving end of two Baker passes Friday night. He has the speed and deception to make a great runner.

In a reserve game Saturday, he reeled off a 55-yard touchdown run.

This quartet could be the starting backfield Friday night, depending on what each boy shows on the practice field in the next few days.

—:—

ROGER OURS of Wellsville will have to go down as the "back of the week" on the district scene. His 25-yard jump pass with some six minutes left in the game brought Wellsville from behind to nip Toronto, 14-8.

On the receiving end of the toss was Andy Dash, Wellsville's senior end.

If there was a runnerup for top back honors it would have to be Don Reese of Chester. Just converted from a guard, Reese romped 79 yards for a touchdown on the first play from scrimmage for the Panthers. It led to Chester's first win of the season, a 14-6 verdict over South Side.

Potts, Zelch, Musuraca Star . . .

"THAT Jim Potts just threaded the needle all night," was the comment by Marshall football coach Charlie Snyder after Bowling Green had beaten his squad, 40-0, Saturday night at Huntington.

Snyder, of course, was talking about the East Liverpool product who passed for two touchdowns and set up another TD. In all, Bowling Green passers completed 10 of 12 aerials, with Potts doing most of the throwing.

"That was the best Bowling Green team I've ever seen," Snyder said.

Potts appears to be the key to Bowling Green's success this season. Jim is the most experienced quarterback in the Mid-American conference and since he has been at that positon Bowling Green has only lost one game in three seasons.

He alternated as a sohomore, but was the No. 1 signal caller last season.

The Falcons have been picked to capture the Mid - American championship.

—:—

DAVE ZELCH, the ex - Potter, who failed to get into the Miami lineup a week ago when the Hurricanes played Pitt on nationwide TV, made his debut Saturday night when Miami came from behind to defeat the University of Kentucky, 14-7.

The report from Coral Gables said: "Zelch, a sophomore halfback, was used on the Miami defensive unit and looked especially well in passing situations. He covers the ground well and did an excellent job against a club which put the ball into the air 33 times against Miami.

"Coaches thought that his debut, under real pressure and on foreign soil, was excellent and they expect him to develop into an outstanding defender."

This week, Miami plays Penn State, which defeated Navy last Saturday.

—:—

CONTINUING with ex - Potters who are making good on the college gridiron, Nick Musuraca got off to a fine start in his junior year at Denison University.

Denison whipped Centre College of Kentucky, 35-6, with Nick scoring one touchdown and setting up several others. He gained 104 yards on a hot afternoon at Granville and dashed 14 yards for his TD.

Nick, who was the team's leading ground gainer last season, will appear with Denison in the Rubber Bowl Saturday night when the Big Reds meet Akron University. Kickoff time is 8 p. m.

He also will visit the area on Oct. 21 when Denison meets Mt. Union College at Alliance.

A Wise Decision . . .

HATS OFF to a Bellaire doctor who came onto the gridiron Saturday at Bellaire and stopped a football game because of the extreme heat.

Fifteen high school football players who took part in the Bellaire-Marietta game were out of action due to heat exhaustion and one was in critical condition at Bellaire City Hospital when Dr. Pete Lancione halted the game after two minutes of play in the third quarter.

Sugar Ray Tops Foe In Another Comeback

DETROIT (AP) — Sugar Ray Robinson, at 41 just a spurting shadow of a great champion, wants to wear the middleweight crown once more.

The five-time former middleweight king launched another of his many comebacks Monday night and earned a 10-round split decision over aggressive Wilfie Greaves.

Robinson got off the canvas after a low blow in the eighth round to notch his first victory in nearly 18 months.

As soon as he's ready, he said he'd like to fight Gene Fullmer, NBA champion who defeated him last March, or Terry Downes of England. Downes is recognized as the champion in New York, Massachusetts and Europe.

"I'm certainly not ready yet to fight for the championship," Robinson said, weary after his close victory over Greaves, claimant to the Canadian middleweight championship.

Robinson is signed to fight Denny Moyer in New York's Madison Square Garden Oct. 21.

Judge Nick Thimmesch awarded the fight to Robinson 47-46. Judge Al Goodman favored Robinson 46-44. Referee Lou Handler voted for Greaves 45-44. The AP scored it 48-44 under Michigan's five-point must system.

Local Mat Show Will Bring Crusher, Calhoun Together

A wrestling show sponsored by the Harding Chapter, Order of DeMolay, will bring "The Crusher" and Haystacks Calhoun together for the first time Saturday night at Memorial Auditorium.

While "The Crusher" - Calhoun bout is billed as the feature, three other battles are listed for the local ring.

Meeting in a tag-team match will be Billy Fox and Ace Freeman against Mickey Sharp and Jack Terry. Gypsy Joe, a veteran of the pro mat wars, will take the ring against Zivko Kovacic. One other bout is also scheduled.

Proceeds from the wrestling show will go towards two $500 college scholarships and the lifetime membership fund, which the local DeMolay is planning to establish.

Magic No. 2 LA, Pirates In Twin Bill

By JIM HACKLEMAN
Associated Press Sports Writer

A wait of more than two decades may have dwindled into the final few hours for the Cincinnati Reds. Tonight could bring them their first National League pennant since 1940.

With the magic number at two, the race is at the wire. The Reds play the Cubs at Chicago this afternoon and the Los Angeles Dodgers are slated for a twi-night doubleheader at Pittsburgh with last year's surprise flag winners, the Pirates.

Any combination of two—a Cincinnati win plus a Dodger defeat, or a pair of Dodger losses—would give the NL another bust-to-boom champion, and would send the Reds into the World Series against New York's home run-blasting Yankees.

Cincinnati was idle Monday night. The Dodgers and Pirates were rained out, setting up their twi-nighter. In other NL games, the San Francisco Giants bombed the Philadelphia Phillies 10-2 with an 18-hit offensive and the Milwaukee Braves cut down the potential tying run at the plate in the ninth inning and edged the St. Louis Cardinals 2-1.

In the only American League action, Bob Shaw pitched eight no-hit innings but was rapped in the ninth as Kansas City gained a split with Detroit, 6-3. The Tigers clinched second place by winning their sixth in a row in the doubleheader opener, 6-4.

The Giants' free-swinging assault against the Phils was spearheaded by Orlando Cepeda and rookie catcher John Orsino.

Cepeda, on a torrid batting streak, had four hits and drove in four runs, boosting his league-leading RBI total to 140. Orsino homered twice and singled, while Willie Mays and Felipe Alou also contributed three hits each. Left-hander Mike McCormick (13-16) was tagged for 10 hits but won in a breeze. Don Farrarese (5-11), batted out early, was the loser.

The Braves saved their narrow decision over the Cards by cutting down Ken Boyer when he tried to score on an almost-wild pitch by Don McMahon. Ray Washburn (0-1), in his first big league start, gave up a first-inning homer to Hank Aaron and balked across the deciding run in the fourth. Milwaukee starter Carl Willey (6-12) collaborated on a five-hitter with McMahon.

Shaw (12-13) reached the ninth inning before his try for a no-hitter blew up. Dick McAuliffe led off the Tiger ninth and was safe on Dick Howser's wild throw, then Bubba Morton clipped the Kansas City right-hander for a solid single. An infield out, a sacrifice fly, Larry Osborne's homer and a single by Jake Wood followed before Frank House popped up for the last out.

A five-run burst in the eighth brought Detroit from behind in the opening game. Wood, pinch-batters Al Kaline and Vic Wertz, Bill Bruton and Morton knocked in the runs in the Tiger rally.

A GROUP OF dejected Dodgers look on rain swept Forbes Field as their game with the Pittsburgh Pirates was called off Monday night. They will play a twinight doubleheader today. (UPI Telephoto)

Lopez Given New Contract At Chicago

CHICAGO (AP)—Al Lopez, the only manager to crack New York Yankee pennant superiority since 1948, will pilot the Chicago White Sox for the sixth consecutive season in 1962.

Lopez, 53, signed a one-year contract Monday after suffering the worst finish of his managerial career. The Sox will wind up fourth this year.

Last year they finished third. Previous to last season, no team managed by Lopez, a former National League catcher, had finished lower than second.

Lopez won pennants with the Cleveland Indians in 1954 and the White Sox in 1959. His one burning ambition is to manage a team to a world championship, something he failed to achieve in 1954 and again in 1959.

In signing Lopez to what is believed to be a $50,000 contract, General Manager Ed Short said, "I am delighted that Al has decided to remain with the White Sox. I consider him the best manager in baseball and I hope he stays with us a long, long time."

Yankees Lose Cerv For World Series

NEW YORK (AP) — The New York Yankees have lost a reserve outfielder and valued pinch hitter for the World Series.

Bob Cerv, who set two records last Saturday when he hit the 12th pinch-homer of his career and the Yanks 10th of the season, entered the hospital for a cartilage operation on his right knee.

Jordan Wins Links Event

Jim Jordan ran up 26 points to capture Sunday's par-birdie-eagle contest at the East Liverpool Country Club.

Second was Norman Ankrim with 21 points while Dr. R. J. Kinsey and E. B. Rohrer tied with 20 each.

Bill Mayers won honors in the second division with 28 points.

George Bloomgren and Rohrer fired 7 up to share honors in Saturday's match play against par. Ankrim was 5 up while W. B. Cooper and T. H. Kashuba finished 3 up.

The closing golf event of the season will be a best ball medal play over nine holes Wednesday afternoon.

Iowa Ranks No. 1 Team In Country

By ED CORRIGAN

Iowa, which doesn't open its season until Saturday, was voted the top college football team in the country today in the first regular-season Associated Press weekly poll.

The special national panel of 49 sports writers and sportscasters gave the Hawkeyes, who tangle with California in their opener, 343 points to 332 for second-place Mississippi and 309 for third-place Ohio State, another outfit that doesn't get rolling until Saturday.

The points were based on the formula of 10 for first place, 9 for second and so on.

Iowa, which also led the preseason poll, received 19 first place votes to 12 for Mississippi and 7 for Ohio State. The Buckeyes, second to Iowa in the preseason poll, play Texas Christian in their first game Saturday.

Mississippi's smoothly contrived 16-0 victory over Arkansas in a nationally televised game last week obviously impressed the panel. Ole Miss was placed no better than ninth in the preseason poll with a mere two first-place votes.

The top 10 teams — first place votes in parentheses:

Iowa (19)	343
Mississippi (12)	332
Ohio State (7)	309
Alabama (6)	307
Syracuse	233
Texas (1)	227
Rice (2)	220
Penn State (2)	192
UCLA	98
Michigan State	80

Other teams receiving votes: Missouri, Baylor, Georgia Tech, Texas Christian, Purdue, Kansas, Florida, Maryland, Louisiana State, Duke, Minnesota, Oregon, Pitt, Kansas State, Auburn, Notre Dame, Army, Wyoming, Wisconsin, North Carolina State, Colorado, Mississippi State, Tennessee, Utah State, Furman, California.

Niles Pressing Massillon For 1st Place In Initial Ohio Grid Poll

By FRIT HOWELL
Associated Press Sports Writer

COLUMBUS, Ohio (AP) — Massillon's mighty Tigers, winners of the 1960 Ohio high school football championship, were right back on top today as 36 sports writers rated the teams in the opening Associated Press poll of the infant campaign.

Niles McKinley, runner-up last year, was in second place—a lot closer than the Red Dragons were at the 1960 finish when they were 131 poll points behind Leo Strang's Tigers. Today the margin was a mere 25 points, and Niles grabbed seven first-place votes while Massillon was getting six.

Alliance, third a year ago, skidded to fourth place, trading spots with Sandusky. Cincinnati Purcell, sixth last season, was down in 10th place—but the other five in the top ten were newcomers.

From fifth through ninth the new ones are Toledo St. Francis, Mansfield's resurgent Tygers, Steubenville's Big Red, Toledo Scott and Warren Harding — the latter the only loser in the lot.

Hamilton Garfield, pre-season pick to land among the elite, failed to get beyond 11th place in the voting. A squeaky 7-6 win over Cincinnati Woodward last weekend failed to help Lou Florio's team to any great extent.

Springfield South, always a contender, was belted 14-6 by Columbus North, and the Wildcats wound up with a single tenth-place vote. Portsmouth, after two impressive wins, was stunned 27-14 by Columbus Aquinas to push the Trojans out of the running.

FROM HERE AND THERE:

Ricky Sygar has scored 62 points in three games for Niles, which has now won 21 in a row since losing the 1959 opener to Youngstown Rayen.

Mike Urbanic of New Admiral King at Lorain scored two touchdowns and intercepted a crucial fourth-period pass as his team, after two losses, whipped Lorain 28-8. His dad, Chuck Urbanic, was the coach of the losing team.

Warren, ninth in the ratings, was smothered 34-16 by Cleveland Collinwood in its opener, fumbles playing a big part. But the Panthers came up with the big one last weekend as junior Reedy Thomas scored all 20 points in a 20-8 win over Canton McKinley. McKinley was held to 83 yards rushing.

David Myers of Beaver Local in Columbiana County blocked four punts against Chester, W. Va., last week. He's a 160-pound guard.

Hamilton has an 8-0 record for its three high schools. Garfield and Taft are 3-0, and Catholic 2-0.

Kettering Fairmont, after winning its opener 20-8 over Marion Harding, has been tied 8-8 by Middletown and 6-6 by Dayton Chaminade. The last time Fairmont went two straight without a victory was in 1955 when the Dragons tied Miamisburg 0-0 and then lost to Troy 13-6.

Steubenville trailed Weirton, W. Va., 16-0 in the second quarter but stormed back to win 22-16 as 9,500 cheered. Halfback Harry Wilson has scored seven touchdowns for the Big Red, on runs of 51, 76, 58, 70, 37 and 35 yards, plus a 52-yard pass.

Steubenville Central's quarterback, Slingin' Sam Fornsaglio, has passed for seven touchdowns, and halfback Jim Gilday has scored eight as the Crusaders swamped three foes by 126 to 6. Central gets a chance at Niles Oct. 7.

The big one this week is Alliance at Massillon Friday night, with 18,000 due to watch it. Massillon won 14-10 in the last minute a year ago. Alliance's halfbacks are 140-pounders, the fullback 145 and the quarterback 165—one of the smallest corps in the state. And Charley Babb, the demon middle linebacker, tips the scale at 136.

Here's How Writers Voted In Grid Poll

The Top Ten

Teams	Poll Pts.	Scoring
Massillon (6)	275	102-18
Niles McKinley (7)	250	120-20
Sandusky (2)	143	72-42
Alliance (3)	130	94-22
Tol. St. Francis (8)	82	21-0
Mansfield (0)	69	56-14
Steubenville (1)	51	100-34
Toledo Scott (0)	51	28-18
Warren Harding (0)	47	36-42
Cincinnati Purcell (1)	46	75-32

Toledo St. Francis, Toledo Scott and Cincinnati Purcell have 2-0-0 records; Warren Harding is 1-1-0, and the rest are 3-0-0.

Others: Hamilton Garfield (2) 44; Napoleon 40; Salem (1) 37; Dayton Chaminade 35; Marion Harding (1) 34; Tiffin Columbian 32; Urbana (1) 31; Middletown (1) 30; Youngstown Boardman 29; Kettering Fairmont 28; Columbus Eastmoor (1) 27; Cincinnati Roger Bacon 26; Jackson 22; Upper Arlington 21; Dayton Dunbar (1) and Youngstown Woodrow Wilson 18; Columbus North, Martins Ferry, Rossford and Youngstown Mooney 16; Portsmouth 15; Canton McKinley 14; Cincinnati Elder and Steubenville Central 13; Wellsville 12; Poland and Mansfield Madison 10; Barberton and Dover 9; Findlay, Columbus Central, Pomeroy, Zanesville and Bowling Green 8; Canton Central, East Cleveland Shaw and Columbus West 7; Athens, Minerva and Bellevue 6; Hamilton Taft, Delaware Hayes, Chauncey - Dover, Shaker Heights, Akron East, Columbus Aquinas, Dayton Fairborn and Beaver Local 5; Hamilton Catholic, Waverly, Lima Senior, Berea, Shelby, Canton Lincoln, Parma, Lowellville and Hubbard 4; Columbus St. Charles, Southwestern (Gallia), Cleveland Collinwood, Fremont Ross and Circleville 3; Groveport, Canton Glenwood, Cleveland Holy Name, Huron, Cardington, Cuyahoga Falls, Cleveland Benedictine, Warren St. Mary and United Local 2; Springfield South, North Canton, Cleveland St. Ignatius, Tiffin Calvert and Painesville Harvey 1.

Maris Waits, But Pitchers Refuse To Make Mistakes

NEW YORK (AP) — Roger Maris, still looking for "a pitcher to make a mistake," resumes his search for his 60th home run tonight as the New York Yankees return to Yankee Stadium for their last five games of the regular season.

Baltimore, with a pitching staff that has allowed only two homers to the 27-year-old slugger, furnishes the opposition tonight and Wednesday afternoon, and the Boston Red Sox for the final three games—Friday night, and Saturday and Sunday afternoons.

Maris, who'll have to settle for a 162-game record in his challenge to Babe Ruth's all-time total of 60 in 1927 if he manages to hit any more, isn't at all confident.

"They (the pitchers) aren't giving me anything to hit," he said. "I'd have a better chance at the Stadium if they pitched to me. But, you watch, they'll pitch me outside. The only way I'll get another one is if a pitcher makes a mistake."

The law of averages would indicate that Maris should hit at least one home run, possibly two, in the last five games. In 76 games at the Stadium, he has hit 28—an average of a home run every 2.7 games.

Popular Piersall Seen On Tribe Trading Block

MINNEAPOLIS (AP) — Jim Piersall reportedly is the Cleveland Indians' prime trade bait as they look forward to next season.

But the fiery centerfielder is extremely popular with the fans, and his departure from the wigwam probably would touch off the greatest public reaction in Cleveland since Rocky Colavito was sent to Detroit in exchange for Harvey Kuenn at the start of the 1960 season.

Tribe General Manager Gabe Paul offered Piersall and Walter Bond to the Kansas City Athletics for Norm Siebern, but the A's turned down the offer.

Fans argue that Piersall is the only colorful player the Indians have, but Paul says color doesn't draw people to the ball park. Piersall was in center field this season when the Indians drew only 725,547 fans, compared with 950,985 last year.

One reason Piersall is on the trading block is that his market value is high because he is batting 50 points over his lifetime average. It may never be as high again.

The Indians are here for a three-game series with the Minnesota Twins opening today. Gary Bell (11-15) will start for the Tribe in the opener and will be opposed by Jack Kralick (13-10).

A style show of girl's bowling sportswear will be presented at 6 p. m. Wednesday at the Don-Bus Alleys before the women's Cosmo League bowls. All women bowlers and anyone interested are invited.

Boosters Set Oct. 28 Fete At Midland

The Midland Leopard Booster Club Sunday evening set Oct. 28 for its "Booster Betty Banquet" to be held at the American-Yugoslav Club.

Those wishing tickets may contact John Wilson or William (Butch) Vinovich, co-chairmen in the charge of the dinner. Further plans will be announced later.

James (Sonny) Migliore, president, turned the meeting over Charles Polce, Lincoln High football coach who discussed Friday's Midland - Beaver game. Movies of the game were screened and a question and answer period was held.

Refreshments were served by a committee, including Hugo Oberg, Ray Colaber and Frank Migliore.

A guest speaker could not make the meeting and another, probably one of the Beaver Valley coaches, is expected at the business meeting Sunday at 7:30 p. m. in Council Chambers in the Borough Building.

Polce plans to have a demonstration to explain various football equipment.

U.S. Davis Cup Play Seen Even Against India

NEW DELHI (AP) — The captain of the U.S. Davis Cup team said today America's chances look about even in the interzone tennis finals against India this weekend.

David L. Freed, non-playing captain of the Americans, said India possibly should have a little edge because its star, Ramanathan Krishnan, is the best singles player on the two teams.

"But our average ability may be a little higher, so it works out about even," Freed told a group of sports writers.

The U.S. team is led by Chuck McKinley, 20-year-old Trinity University sophomore who lost to Australia's Rod Laver in the Wimbledon finals this year.

Other members of the American team are Whitney Reed, whom the Indians fear as an upset artist, Donald Dell and Martin Riessen.

FIGHT RESULTS

Detroit—Sugar Ray Robinson, 160¼, New York, defeated Wilfie Greaves, 161¼, Edmonton, Alta., 10.

New York—Cecil Shorts, 146¼, Cleveland, stopped Fernando Barreto, 146¼, Brazil, 6.

San Francisco—Alejandro Lavorante, 207, Argentina, defeated Alonzo Johnson, 188, Rankin, Pa., 10.

The University of Utah has won the Skyline Conference football championship 18 times since 1910, more than any other conference team.

Scalpers Given Okay For $1,000 License

CINCINNATI (AP) — Ticket scalpers who wangle Cincinnati Reds World Series seats can pursue their trade without trouble—if they buy a city license for $1,000.

City Treasurer Thomas Coyne said Monday nobody has shown up yet to buy the license to sell tickets at more than established prices. He noted, however, the fine for those caught selling tickets without the license is $100.

Signs With Indians

CHARLESTON (AP) — Roy Kuhl, 17-year-old All-State baseball player from East Bank, has signed a contract with the Cleveland Indians for next season. Kuhl, who hit .431 for East Bank as a catcher last season, said he probably would be sent to a Class D club.

Local Creek Has Taken On 'Dirty Look'

Apparently due to the lack of rain, Columbiana County's best fishing stream, Beaver Creek, has taken on a "dirty look."

Fishermen of the area said the water in the creek is very low and large amounts of "green slime" are on the bottom and along the shoreline. It also has been reported that there are heavy accumulations of a thick foam along sections of the shoreline. This generally accumulates during hot weather.

The county only has had scattered thundershowers for the past several weeks. There hasn't been a heavy rain, which apparently is what is needed to "wash" the creek clean.

But, the water's condition apparently hasn't drastically affected fishing. Although not generally good, there are scattered reports of some good catches being made. Some say they are doing good with hellgramites and small lizards, while others report catches on artifical bait.

Those using plugs are having the best luck in the evenings and early mornings.

Wellsville Brothers Win On Motorcycles

Donald and Ronald Heaton, Wellsville brothers, won top honors at the final meet of the season for the Flying Wheels Motorcycle Club of Wellsville Sunday afternoon at the club grounds on Leatherberry Rd.

Bill Smith, an official, made the presentation to the three top riders. Donald, first with 15 points; Ronald, second, 14 points, and John Neidengard, third, 10 points.

Nine contestants from several cities in the Tri-State area participated in the 12 - game event supervised by Mrs. Janet Kevan, George Tate, James Heaton Jr. and Smith. Sixty attended the meet.

Next meeting is Oct. 2 at the Heaton Harley - Davidson Sales in Wellsville with Charles White, president, in charge.

Jeff Chandler's Death Results In $1.5 Million Suit

SANTA MONICA, Calif. (AP)—Actor Jeff Chandler's death last June has resulted in a $1.5-million damage suit against six doctors and a hospital.

The suit, filed Monday, alleged negligence, malpractice, wrongful death and assault and battery. It was filed on behalf of Chandler's children and his estate.

Named as defendants were Drs. Marvin A. Korbin, Peter B. Samuels, Sam Galinson, Kenneth J. Richland, Alan M. Rosenberg and Milton Rosenthal; and Culver City Hospital. Also named in the suit were 20 John Does.

"The victim was caused to die," the action said, "by the combined negligence of the defendants, or one or more of them, and it is requested that the court determine the liability of each."

Chandler, 42, underwent surgery at Culver City Hospital May 13 for a slipped spinal disc.

A few days later he suffered severe internal bleeding and was given 55 pints of blood. He rallied and seemed headed for recovery, but suffered a relapse and died June 17. Death was attributed to general blood infection.

There was no immediate comment from the doctors.

The hospital released a statement disclaiming any responsibility in the death.

The suit asked $1 million for daughters Jamie, 14, and Dana, 11, plus $500,000 for the estate. Chandler's divorced wife, Marjorie, asked nothing.

Russian Paper Prints Story On Kennedy's Stand

MOSCOW (AP)—Pravda today printed a two-column article about President Kennedy—at the invitation of the New York Post.

The article was written by the Post's editor, James Wechsler, who pointed out that almost everything about Premier Khrushchev is printed in U.S. newspapers but little about Kennedy appears in Soviet newspapers.

In his article Wechsler invited the Communist party newspaper Pravda and the government newspaper Izvestia to print the article, which he called a brief analysis of the position of the President. Pravda reported it was printing it in full.

Wechsler wrote that Kennedy has no illusions about victory in a nuclear war, but if the worst happened he would not allow the United States to accept defeat.

Nevertheless, he said the President was determined to try to work out solutions of existing problems even knowing that any solution will shower blame on him as a conciliator. He said the President thought anything could be negotiated except the dignity of a free people.

Countess Dies At 79

NEW YORK (AP) — Countess Marguerite Cassini, 79, prominent Washington social figure in the days of Presidents McKinley and Theodore Roosevelt, died Monday. The countess was born in Bucharest, a daughter of Count Cassini, Russia's ambassador to the United States. She was the mother of Oleg Cassini, dress designer, and Igor Cassini, syndicated society columnist.

Dam Dedication Awaited

Army Secretary, Chief Of Engineers Will Speak

ELVIS STAHR JR.
Secretary Of The Army.

LT. GEN. WILSON
He's Chief Of Engineers.

Dedication of the $40 million dam and locks at Stratton Thursday afternoon will mark another famous "first" for the Upper Ohio River Valley.

The new structure now in operation is the first to be completed in the Army Corps of Engineers' 20-year program to modernize and reconstruct navigational facilities on the Ohio River.

The dedication is being held 76 years after the first locks and dam on the Ohio, constructed by Army Engineers at Davis Island below Pittsburgh, were dedicated in 1885. The entire river system, which has played an important role in the development of Ohio Valley industry, was completed in 1929.

—:—

TWO OF THE Army's "top brass" will be featured speakers at the dedication ceremonies.

Secretary of the Army Elvis J. Stahr Jr., former president of West Virginia University, will speak at the formal dedication at Stratton at 4 p. m. following a parade of river boats to the new dam and locks from Steubenville.

Some 300 guests are expected to attend a dedicatory luncheon at noon in the Masonic Temple in Steubenville at which Lt. Gen. Walter K. Wilson Jr., Army chief of engineers, will speak.

Gen. Wilson is making an inspection tour of engineer installations en route to the dedication. He arrived in Cincinnati today from Nashville and Louisville and will visit the Ohio River division offices there and the division lab-

On Disarmament, Berlin

U.N. Sees Little Chance Of Softer Soviet Aims

A-Weapons Use Pushed If Needed

Pentagon Sources Say Joint Chiefs Of Staff Favor Move

WASHINGTON (AP)—Pentagon sources said today the Joint Chiefs of Staff are united in a belief that nuclear weapons should be used if such a step becomes necessary in any military clash with the Soviet Union over Berlin.

These sources said the uniformed chiefs of the Army, Navy and Air Force long have been agreed with Secretary of Defense Robert S. McNamara on this.

The White House, unlike the Kremlin, has not been rattling nuclear weapons during the Berlin crisis. Premier Khrushchev set off outcries of "nuclear blackmail" and "terror tactics" when he talked recently of having the ability to develop a superbomb and bragged that he had the missile power to deliver it to any point on the globe.

But in commenting on the Berlin crisis during his United Nations address Monday, President Kennedy declared every nation should know "the United States has both the will and the weapons to join free men in standing up to their responsibilities."

On the point of willingness to use the U.S. weapons stockpile, the President in effect was replying to criticism in a Senate speech last week by Sen. Margaret Chase Smith, R-Maine. She said the Kennedy administration, in building up U.S. conventional forces, has practically told the Russians "we do not have the will to use nuclear power against them."

McNamara was quoted as calling Sen. Smith's contention nonsense, and saying the United States will respond with whatever weapons and in whatever quantity it considers necessary to protect its freedom and vital interests.

The Pentagon sources expressed puzzlement that there should be any doubt on where the United States stands on the question of using its nuclear punch if necessary.

Returns To Newell

'Stranded' Family's Home

Stranded in Cleveland over the weekend, this Newell area family returned to their humble home in the Newell area today through the generosity of a Protestant chaplain who furnished money for bus tickets when police spotted them starting the 90-mile trip on foot.

Mrs. Virginia Monroe, 36, and her seven children were picked up by Cleveland police when they were observed resting on a sidewalk.

Mrs. Monroe and the youngsters started the trip on foot after her husband failed to return to their West Side apartment from his truck - driving job.

Shown with Mrs. Monroe, who is expecting her eighth child, are, from the left, Esther, 10; Mary Ruth, 9; Donna Louise, 4; David, 2; Eddie, 5; Arlene, 6, and Beverly, 8.

The Rev. Edward E. Peters, Protestant chaplain at the Metropolitan General Hospital in Cleveland, came to the family's aid when he learned of

Gromyko's Policy Talk Due Today

Western Diplomats, Neutrals Impressed By Kennedy Speech

UNITED NATIONS, N.Y. (AP) —U.N. delegates saw little hope today that the Soviet Union will soften its position in replying to President Kennedy's call for new negotiations on disarmament and the Berlin crisis.

Soviet Foreign Minister Andrei A. Gromyko is expected to hold fast to the Kremlin's over-all stand on these and other international issues when he makes his policy statement before the 99-nation General Assembly.

Western diplomats and many neutrals were impressed by Kennedy's broad new disarmament proposals to freeze nuclear weapons production and stockpiles as soon as controls can be organized.

They also were impressed by Kennedy's overtures for a Berlin settlement coupled with his blunt warning that if the Soviet Union tries to take over the divided city, the United States stands ready to use nuclear weapons.

Kennedy's challenge to the Soviet Union to join in a race for peace leading to full disarmament made no visible imprint on the Communist bloc members who sat silently while the rest of the halt applauded.

Gromyko's first reaction was noncommital. Talking with newsmen outside the Soviet U.N. mission on Park Avenue he was asked if he saw any hopeful signs in the speech.

"I would not go so far," he said. "I want to study it more thoroughly."

He repeated Moscow's announced intention to sign a separate peace treaty with Communist East Germany, adding that some aspects of the speech "do not meet our objections regarding the possibility of negotiations on Germany."

Little hope was held for progress on the arms question at this stage in view of the discouraging report the Soviet Union and the United States made to the United Nations last week. The two powers disclosed complete failure to agree during three months of discussion on a way to resume full East-West negotiations.

The main sticking point has been Soviet insistence that the makeup of any new disarmament conference should be based on the troika principle—the same issue that has deadlocked selection of a successor to the late Secretary-General Dag Hammarskjold.

The Soviets insist that participants at an arms conference be divided among three numerically equal groups of nations—Communist, Western and neutral. The United States has offered several alternative proposals.

Numbers Slips Case Is Delayed

Several points of law may have to be threshed over before four Pittsburgh men are arraigned on Grand Jury indictments alleging they used their Lisbon Sales Book Co. to turn out numbers forms in wholesale quantities, it was indicated today after defense counsel Monday afternoon questioned the right of Atty. Gen. Mark McElroy and his staff to intervene as prosecutors.

A hearing is slated Thursday on a move to permit the state staff to aid County Prosecutor William Brokaw in presenting the case.

Atty. William B. Moore of Lisbon raised the question of the propriety of McElroy's action before Common Pleas Judge Joel H. Sharp at Lisbon when the indictments against his clients were called from the bench at a long list of Grand Jury arraignments.

He argued that the attorney general and his staff have no right to prosecute the case "unless it is for the public good or the public good requires it." Such a special prosecutor must be designated by the court and otherwise the case, like any other, should be handled by Prosecuting Atty. Brokaw, he argued.

Judge Sharp made no immediate ruling on the point raised by Atty. Moore, who is defending Martin Sufrin, Isadore Sufrin, Joseph Sufrin and Michael Schedlmeier, accused of violating a new Ohio law against printing of numbers slips. The Sufrins are officers of the raided concern and Schedlmeier is the manager.

McElroy personally led the raid against the printing concern a few days after the new law became effective Sept. 1. The Pittsburgh-ers were indicted by the September Grand Jury, which also returned a true bill naming the sales book company as a corporate entity.

The attorney general and three members of his staff were in court yesterday when the indictments against the Sufrins and Schedlmeier were called. None of the defendants appeared, but Atty. Moore advised the court they will "appear at any time designated by the court."

When the case was called, Atty. Moore advised the judge he represents all the defendants and the corporation.

Then he said he will file a motion requesting that the prosecution be required to file a bill of particulars on the charges — a more concise statement of the alleged violations than is given in the indictment.

He was granted until Wednesday to file the motion. It was indicated the defendants probably will be arraigned after the motion for the bill of particulars is filed and disposed of.

Judge Sharp said he will require a $1,000 bond of each of the defendants, but none was posted because they were not present.

Then Asst. Atty. Gen John Nybell of Youngstown, standing near the bench, advised the court that he expected to appear in the case for the prosecution.

It was then that Atty. Moore questioned the attorney general's right to intervene. Judge Sharp indicated he feels the point raised by Atty. Moore is correct.

He commented that the prosecu-

Buckeye Club Head Draws Fine Of $250

Judge Terms Place 'Nuisance' And Will Alert Liquor Board

Forgetting an old adage, "Hell hath no fury like a woman scorned," cost an East Liverpool man a fine of $250 and costs Monday afternoon in Municipal Court — and may lead him into trouble with state authorities.

George B. Collins, 837 Alton St., drew the fine and suspended 10-day jail term from Judge Samuel M. Chertoff, who accused Collins of operating "a bootlegging joint" and being the "front" for someone else.

Judge Chertoff ordered Collins to "clean up the place or get out of business," declaring he would ask Asst. Solicitor Richard J. Clark to investigate the possibility of closing the place as a "nuisance" and also would notify the State Liquor Control Board of the infraction.

Collins had pleaded guilty to a charge of Sunday sales of high-powered beer and whisky filed by Police Chief Americo Radeschi after a five-man police raid Sunday night on the Buckeye Club on Dresden Ave., which Collins claims to have purchased from the former owners.

The club is located in the former home of the Pfc. John R. Fox Detachment of the Marine Corps League. The private club moved to the Dresden Ave. location several months ago after being located for years on an upper floor of the Siff Building on the Diamond.

Lt. Thomas A. Walker, one of the raiding officers, took the stand briefly to relate the details.

The officer said a woman he identified as Martha Jane Taylor of Walnut St. complained to police Sunday night about the illegal sale. Questioned after the hearing, Lt. Walker said he was told the woman had been denied service and ordered to leave the club. Angered because she wasn't served, the woman turned in the complaint, he added.

The officer told Judge Chertoff he contacted Chief Radeschi, who was downtown but off duty, and the raid was set up. Patrolmen Orin C. Smith, K. J. Montgom-

12 Voters Qualified; Total Rises To 10,551

Twelve East Liverpool voters qualified Monday for the Nov. 7 general election as the County Election Board inaugurated longer offic hours in the last three days before the registration deadline. It pushed the number of qualified voters to an estimated 10,551.

The office opposite City Hall will be open until 9 tonight. It will operate until 10 Wednesday night, final deadline for qualifying.

Three branch registration offices will operate Wednesday from 11 a. m. to 3 p. m. and 5 to 10 p. m. They are at the Louis-James Clothing Store on Mulberry St., the North Side Fire Station and the Pleasant Heights School.

Saturday's Deadline For City Income Tax

Residents were reminded today that noon Saturday is the deadline for paying the third quarterly installment on the municipal income tax.

Meanwhile, D. G. Wilkinson, tax commissioner, said employers within and outside the city limits who withhold the tax from employes' wages will receive forms to remit the tax next Monday.

The forms, along with the remittance due for July, August and September, must be in the tax office by Oct. 31, he said.

Located in the basement of City Hall, the tax office is open daily from 8:30 a. m. until 4:30 p. m. except Saturdays when it closes at noon. The phone number is 385-5437.

Plan On Possible Berlin Accord Seen Developing

UNITED NATIONS, N.Y. (AP) —The rough outline of a possible East-West agreement to end the Berlin crisis is beginning to appear in official statements, including President Kennedy's speech to the United Nations.

This development indicated today, as some Western diplomats are saying privately, that sooner or later the Soviet Union and the Allied powers will agree on a compromise formula for opening negotiations to see whether a deal is possible.

What is highly uncertain is whether the formula can be worked out in Western diplomatic talks now under way with Soviet Foreign Minister Andrei A. Gromyko. The talks could produce accord in the next few days if Premier Khrushchev is ready to ease the tensions over Berlin a bit. If he is not, the current efforts of Secretary of State Dean Rusk and British Foreign Secretary Lord Home will end in failure.

Should these preliminary discussions collapse, however, the prospect is that some new effort to arrange negotiations will be undertaken later in the fall. Western leaders seem privately convinced of this because the alternative to a Berlin settlement may well be a nuclear war.

Kennedy told the United Nations Monday the Western powers are determined to defend West Berlin "by whatever means are forced upon them." But he expressed confidence that "firmness and reason" can lead to a peaceful solution.

The President stopped short of saying what kind of solution might be acceptable to the United States and its allies.

Kennedy said the United States recognized that Germany could be kept divided by troops and tanks. His guarded statement implied acceptance indefinitely of the existing division of Germany. Such acceptance could lead to Western accommodation to Communist authority in East Germany.

Short-Change Charge Filed In Store Case

A 38-year-old Mahoning County man is due for a hearing Thursday at 9 a. m. in Municipal Court on a charge he bilked a downtown pharmacy out of $10 Monday night by using a timeworn short-change gimmick on a youthful clerk.

Police Capt. Robert Pyle identified the suspect as Leonard Pritchard of Youngstown, accused of obtaining the extra $10 in a complicated exchange of money he worked on William Pilgrim, a clerk in the McBurney Pharmacy at W. 6th St. and Dresden Ave. Charges of larceny by trick were filed against Pritchard today by Donald Lockhart, a pharmacist employed at the drugstore.

Arraigned this morning before Judge Samuel M. Chertoff, Pritchard won a continuance until Thursday morning when he requested time to obtain counsel. He did not enter a plea. The judge fixed bond at $500.

Capt. Pyle said it was the first time in memory a suspected short - change artist has been arrested by the local department. After leaving McBurney's, Pritchard went to Herche's Drugstore at Chester, where he failed in an attempt to work the same money switch, the captain related.

Meanwhile, acting on a report from the clerk at McBurney's, police furnished a description of the suspect to all East Liverpool drugstores. The job was made easier by the fact Pritchard wore "beatnik" garb, complete with a beard.

Pritchard was arrested a short time later by Patrolman K. J. Montgomery when he entered

18 Plead Not Guilty During Arraignment

6 Admit Charge, Request Probation; One Man Sentenced

Arraignment was held Monday afternoon at Lisbon for the remaining indictments of the regular session of the Grand Jury with 18 pleading innocent and six admitting charges and requesting probation.

Cases of three other defendants were continued and one of the 13 who were arraigned yesterday morning was sentenced on his plea of guilty.

Common Pleas Judge Joel H. Sharp said trials for those who pleaded not guilty would begin Oct. 9. He will preside over criminal cases this term. Innocent pleas were entered by:

Hamblet Brookes, 83, of St. Clair Ave., East Liverpool, second degree murder in the shooting of his wife, Louise Brooks, 81, in their home Aug. 26.

Homer R. Williams of Chester, first degree manslaughter in the death of Wilbert Willard Jr. of Tampa, Fla., in a fight in the Green Mill Tavern on Dresden Ave. June 4.

Glenn Richie of Salem, embezzlement of $3,175 from the Eagles Area while he was secretary.

At Wellsville Ceremony

2 Brothers Become Eagle Scouts

Two Wellsville brothers were advanced to the rank of Eagle Scout — the highest in scouting — during a ceremony Monday night at the First Methodist Church in Wellsville.

Paul Burroughs, left, and Marvin Burroughs, left, with their parents, Mr. and Mrs. David L. Burroughs, 410 4th St., are shown viewing a large cake decorated to mark their achievement.

Paul, 16, and Marvin, 15, both attend Wellsville High School. They are the 13th and 14th members of Troop 19 of the church to attain the Eagle rank in 26 years. Their father is assistant scoutmaster of the troop.

They were presented their awards by Norman Brown, neighborhood commissioner.

The ceremony also marked the 37th birthday anniversary of Jack Glover, scoutmaster. The cake, which was served at a social period, also was decorated in observance of Glover's birthday.

A candlelight ceremony was conducted by the troop. Brown introduced the two and their parents. They were pinned by their mother and they in turn presented miniature Eagle Scout pins to their parents.

The Rev. Arden Beck, pastor, introduced Otto MacDonald and Supt. S. E. Daw, troop committee members; Frank Rossi, vice chairman of the Cherokee District; Sam Cole, scoutmaster of Troop 28, and Jack Clark, neighborhood commissioner.

They aided in the presentation of other awards and merit badges and commended the boys and Glover for their work. Don Wellington and Robert Glover also aided in the presentation of badges.

Tim O'Hara received first and second class awards while star rank was presented David Tarnovich and Don Wellington.

Eight were presented merit badges — Tarnovich, public speaking, cooking, public health, first aid, nature and community citizenship; Tommy Davidson, fishing; James Porter, cooking and fishing; Paul Burroughs, fishing, public speaking, nature, life saving, motor boating and wood work; Wellington, home repairs, citizenship in the home and basketry; Marvin Burroughs, nature, fishing, life saving, motor boating and wood work; Harold Neville, farm arrangement and soil and water conservation, and Bruce Glover, community citizenship and fishing.

Rev. Beck gave the invocation. Refreshments were served in the social room.

Serving were Mrs. Burroughs, Mrs. William Culp, Mrs. Vivian Bratt, Mrs. Robert Glover and Mrs. Jack Glover.

False Alarm Quiz Slated

City firemen are scheduled to question two suspects concerning a fire reported Sunday night at the home of Dr. F. D. Irwin on Radio Heights which turned out to be a false alarm.

The alarm was received at 9:19 p. m. and firemen and police raced to the Shadyside home only to learn there was no fire. Because the dentist's insurance policy covers calls by the city department, they responded, firemen said.

Another false alarm was received at 11:40 a. m. Monday, but it was an honest mistake, firemen said.

North Side firemen were called to Laura and Ephriam St. when a neighborhood woman thought a nearby home had been struck by lightning during the heavy storm.

Checking out the call, firemen said another neighbor was burning brush, causing the woman to believe a home was on fire. Firemen said the run could have been avoided if the department had been notified in advance about the brush burning.

Communist Reaction Hostile

U.S. Allies And Friends Praise Kennedy's Talk

By The Associated Press

President Kennedy's speech to the United Nations drew warm praise today from America's friends and allies. First Communist reaction was hostile.

Returns were awaited from the nonaligned nations, who were cast in a vital role by Kennedy. He appealed to them to help save the United Nations by working for a strong secretary-general and to participate in disarmament.

The first significant neutralist comment came from Prince Norodom Sihanouk, chief of state of Cambodia. He visited Kennedy at his New York hotel and told newsmen that Cambodia adopts the same position toward disarmament as Kennedy in his speech. "With controls," he stressed.

Moscow radio and the Soviet news agency Tass reported without comment that the President had addressed the General Assembly and "dwelt on the activity of the United Nations, the question of disarmament, the socalled Berlin crisis, and the question of colonialism."

The East German news agency ADN reported at length on the portions dealing with Germany and Berlin, accusing Kennedy of deliberately distorting the Soviet position. The agency said "he spoke of U.S. willingness to negotiate without submitting any concrete proposals."

Chinese Communist reaction appeared in the Ta Kung Pao of Hong Kong, a Red newspaper which follows Peiping's line. It accused Kennedy of mouthing "empty propaganda phrases."

A British Foreign Office statement said the plan "represents a realistic and practicable basis for negotiations."

British officials also privately praised Kennedy's statement that "we seek no perfect solution." The British have long felt that U.S. policy tended too much toward absolute solutions that would not end the cold war.

Non-Communist Asians reacted warmly and with praise.

Newspapers everywhere outside of mainland China gave it top play.

The Japanese Foreign Ministry called the speech "a welcome reaffirmation of the United States position on world problems." The Japanese were pleased with Kennedy's proposals for an end to nuclear tests and for general disarmament.

In Canada, Lester B. Pearson, Nobel Peace Prize winner and former U.N. Assembly president, said the speech put the Western world on a peace offensive.

This aspect drew mild criticism from a liberal newspaper in Denmark. The Politiken said the disarmament proposal "reminds one too much of tactics. A nuclear ban is a realistic and important thing. But proposing general nuclear disarmament unrelated to other kinds of disarmament control is either too naive or too smart. Kennedy knows the Soviet Union cannot accept his proposal."

Yet it was Kennedy's disarmament proposals that attracted attention in India, a leader of the nonaligned nations. The Hindustan Times, a supporter of Prime Minister Nehru's Congress party, played up the President's appeal for a nuclear test ban treaty and his step-by-step disarmament plan.

In Sweden, a neutral nation basically friendly to the West, Stockholm's liberal Dagens Nyheter said: "It was a speech written in small letters, a speech free from accusations and threats, a speech which, lacking every tone of aggressiveness, differed as radically as possible from what has been performed by Moscow recently."

City Boy Hurt As Bike Rams Auto Bumper

An 11-year-old boy suffered a laceration of the left leg Monday afternoon when his bicycle struck the rear bumper of an auto that halted suddenly in a W. 5th St. traffic lane, police said.

Robert Bickar, son of Mr. and Mrs. Robert D. Bickar, 718 Lincoln Ave., was treated by a physician after the mishap at 1:15 p. m. on W. 5th near Peach Alley in which his bicycle hit the rear of a 1960 two-door sedan operated by Seraphine E. Hamilton, 35, of 9th Ave., LaCroft. Four stitches were required to close the wound. The boy is a student at Westgate School.

The woman driver told police she was headed west on W. 5th when the occupant of a parked auto opened a door into her traffic lane. When she stopped to avoid striking the door, the boy's bicycle hit the rear bumper of her car, the motorist said.

police also listed two downtown crashes which damaged four autos and an East End mishap involving two cars.

A crash on E. 4th St. near Union St. Monday involved a 1957 four-door sedan driven by Charles Pelley Jr., 27, of 410 Grant St., Newell, and a 1955 four-door operated by Ruth Moninger Brown, 419 Thompson Ave., officers said. The crash damaged the left front fender of the Pelley car and caused extensive damage to the left front of the Brown auto, police said.

Cars driven by William H. Flurkey, 69, of Pughtown and Josephine Manypenny of Russell Heights, Wellsville, were damaged in a mishap on W. 4th St. near Persimmon Alley Monday at 3:30 p. m., officers said. Flurkey was pulling from a parking spot at the curb as the woman's car was headed east on W. 4th St., officers said.

A collision at 4:45 p. m. yesterday on Pennsylvania Ave. at Central Ave. involved a car driven by Frank Bosco, 27, of Rubicon St. and owned by M. & A. Motors and a 1954 auto driven by Mrs. Margaret Cregar, 42, of 1600 Holliday St., officers said. Bosco was driving west on Pennsylvania Ave. and Mrs. Cregar was entering the thoroughfare from Central Ave., officers said.

6 Fined In Wellsville For Wedding 'Fracas'

Six persons have been fined 25 for disorderly conduct by Mayor William J. Shoub of Wellsville as the result of a fight during a wedding reception and party early Saturday morning.

Five were fined Saturday and the other Monday, the mayor said.

Involved were Donald Hickman, 2206 Danbury Ave., Wellsville, Charles Clutter and Wilda Clutter, 2210 Danbury Ave., John Smith, 1735 Main St., Wellsville, Carl Bell, 2112 Pennsylvania Ave. Ext., East Liverpool, and Stewart Mehafey of Salineville R. D. 1.

Shoub said Mehafey was fined at a hearing yesterday and the others were fined Saturday.

The fight was at the home of Hickman early Saturday morning. Clutter was treated at City Hospital for rib injuries. Authorities said he was struck with an auto jack.

Living Costs Dipped Slightly In August

WASHINGTON (AP)—The cost of living dipped one-tenth of one per cent in August, the Labor Department announced today, mainly because of plentiful fresh foods at lower cost.

The department said consumer prices have risen one-half of one per cent in the first eight months of this year, "less than during any comparable period since 1955."

Woman Fined $100 On Drunken Driving

NEW CUMBERLAND — A Rochester woman was fined for drunken driving and three truckers were fined on West Virginia State Police charges at hearings Monday before Squire John D. Herron.

Lucille Malloy, 28, of Rochester was fined $100 and costs for drunk driving, and $10 and costs for no auto registration card. She was found innocent of a charge of no operator's license. Her operator's license was revoked for six months.

Truckers fined included Joseph Jones, 31, of Pittsburgh, $20 and costs, no road tax plate; Floyd Leeds, 40, of Haines City, Fla., $25 and costs, and Walter M. Hannon, 31, of Cherryville, N. C., $25 and costs, no PSC plates.

William D. Allen, 20, of New Cumberland was fined $10 and costs for improper registration.

Bloor's Pharmacy on E. 5th St., Capt. Pyle said. Items which Pritchard had purchased at McBurney's were found in the glove compartment of an auto in which he had been riding with two other men, the captain said. The two others, cleared in interrogation, were released later.

Police said a man entered the McBurney store about 6:20 last night and enquired first about several brands of cigarettes, but all were out of stock. He finally purchased four packs of chewing gum and a box of cotton, handing the clerk a $10 bill in payment for the 43-cent sale, police said.

The clerk handed the suspect $9.57 in change, then the man insisted he had paid with a $1 bill, not a $10. That started the complicated exchange of money in which the suspect walked out $10 ahead, officers said.

Noting that he was $10 short, the clerk notified police and gave them a description of the suspect. Two police cruisers immediately made the rounds of all local drugstores to alert them against the racket and furnish a description of the suspect.

A short time later when a man attempted to work a money switch on a girl clerk at Herche's, she went to the back room of the store to escape the fast talk, figured out the transaction and gave him the proper change, police said.

Newell Man Hurt In Fall

A 22-year-old Newell man, hurt in a fall from a ladder at work, was admitted Monday to City Hospital. Four area residents were treated after separate mishaps.

Floyd Wilson, 315 Harrison St., Newell, is in "fairly good" condition with a fracture of the knee suffered in a 10-foot fall from a ladder in the Central Service of Newell.

Jane Price, 13, daughter of Mr. and Mrs. Dewey Price of Chester R. D. 1, was treated last night for injuries of the lower right arm and collarbone received in a fall from a bicycle.

John Sachs, 17, of 1066 St. Clair Ave. was treated last night for an injury of the right hand which he said he received when he hit a door at home.

Carl Newbold, 34, of Glenmoor suffered an injured left wrist in a fall while playing football.

Arnold Sanford, 31, of Substation Rd., employe of the Brown Auto Body Shop, was treated for a cut of a finger of the left hand recieved on sheet metal work.

To Hit Liquor, Vice

WHEELING (AP) — City police were ready today to clamp down on violators of the liquor and vice laws. Chief M. A. Bauman said yesterday that enforcement will be "to the letter of the law." City Manager James C. Boyd is to report to the city council tonight on what action the police are taking to curb vice in the city.

Family At Clarkson Has Alliance Guests

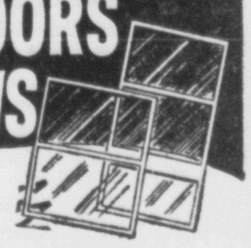

Earl Smith and Mr. and Mrs. Jack Harrison of Alliance and Mr. and Mrs. Gillis Smith of Westfield were Saturday dinner guests of Mr. and Mrs. Robert Smith of Clarkson.

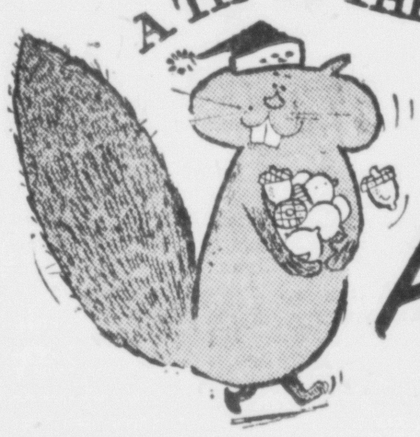

Mr. and Mrs. Elmer Hiles and family entertained at a dinner Sunday at their home at Beaver Creek State Park where Hiles is manager. The Hiles recently returned from a vacation in Jackson County.

1962 LINCOLN CONTINENTAL FOUR-DOOR SEDAN

ANNOUNCING THE CAR THAT CANNOT BE OUTDATED BY THE CALENDAR

You will have to look closely to tell the difference between the new Lincoln Continental and its predecessor. The changes are really refinements and there are more than 38 in all, each with a purpose.

Outside, a keen eye will discover the chaste new look of the grille. You may also see that the headlights are one inch higher for a better view of the road at night.

Inside, there are further refinements. The steering wheel, for example, is ¾ of an inch higher for more comfort. And beneath the hood are more refinements such as a new self-sealing dipstick to prevent dust particles from contaminating the crankcase lubricant.

The fact is that the Lincoln Continental was deliberately designed to be the first American car that cannot be outdated by the calendar. Its character remains the same—distinguished, durable, beautiful.

The extra distinctions are there, too. Notice the four doors which open at the center for easy entrance, and are counter-balanced to open at a touch, for all their reassuring thickness.

*These are but a few of the qualities that make the Lincoln Continental an American classic in its style, its workmanship, its timelessness. It is your finest investment in tomorrow; in fact, it is warranted for twice as long as any other American car (24,000 miles or two full years).**

DAA

*Ford Motor Company warrants to its dealers, and its dealers, in turn, warrant to their Lincoln Continental customers as follows: That for 24 months or 24,000 miles, whichever comes first, free replacement including related labor, will be made by dealers, of any part with a defect in workmanship or materials. Tires are not covered by the warranty; appropiate adjustments will be made by tire companies. Owners will remain responsible for normal maintenance service and routine replacement of items such as filters, spark plugs, ignition points and wiper blades.

Communism Makes No Converts

President Kennedy was the Free World's star salesman in his United Nations speech Monday morning.

Not only in what he said but in the way he said it he reflected what the West believes in and stands for. If he failed to make converts, it was not because he failed to be attractive.

Appeals to reason are the Free World's prime resource, and the Kennedy speech was purely an appeal to reason. Its theme was the prospect of an honorable peace, approached by negotiation and disarmament.

He made it clear that if the Soviet Union does not want peace and insists on driving the United States to war, there will be war. He did his best, as all spokesmen for this country have been doing, to convince the Soviet Union that the United States and its allies will not be pushed.

Whether or not he succeeded cannot be known now, but even before he spoke there were reports from Europe that Soviet Premier Khrushchev had softened his stand about an end-of-the-year deadline for a peace treaty with East Germany.

THIS WOULD BE a characteristic reaction in the Kremlin, which blusters and threatens, yet can speak soothingly, depending on the exigencies of the occasion.

Contrary to common belief, the exigency of the occasion at this moment calls for the Kremlin to quiet the fear of all nations large and small that the United Nations may be crushed between irreconcilable factions in the cold war.

Tension in Berlin and the Congo, brought to the cracking point by the tragic death of the U.N. general-secretary Dag Hammarskjold, has forced many governments to recognize a hard fact of life—that the United Nations is all that stands between them and the methods of the Communist Conspiracy. They must turn to the West.

It is their only long-range hope of preserving their sovereignty, because it is the only way the collective will of independent nations can be exerted against the inexorable program of the Communists for domination of all nations that cannot withstand them.

They know now there is a limit to how far they can go in playing off the United States and its allies by pretending to be friendly with Moscow. Communism makes no converts. It has no friends. It professes no loyalties. It honors no treaties.

It has only one purpose—revolution.

It uses only one method—subversion and revolution.

It offers no future, except to Communists. There is no place for independence, no tolerance for dissent, no alternative if the fallible men who make decisions for their slavish followers make mistakes. Premier Khrushchev has urgent need to quiet misgivings about Communism.

IT IS President Kennedy's job to present an attractive alternative to the absolutism of the Communist Conspiracy. He did the job superbly when he spoke to the United Nations General Assembly.

He offered a prospect of peace, to be approached by progressive disarmament.

He offered reasonableness in place of harsh decrees.

He told the Russians what they need to know—that the United States and its allies will not be pushed.

And then he told millions of worried people in all countries what they want to know—that if war can be averted—and it could be if Russia wanted it to be—that their lives could be made peaceful and secure.

The contrast between what the United States and the Soviet Union are offering mankind never was clearer. President Kennedy has challenged Premier Khrushchev on the point of the Soviet Union's most serious weakness.

It can make slaves but not converts.

It has nothing to offer but the chains the original Bolsheviks promised to strike from the proletariat.

Gov. DiSalle Could Be Wrong

That special session of the Ohio General Assembly last Friday turned out even more dismally than the gloomiest predictions.

Instead of accomplishing far too little for far too much time, trouble and expense, it accomplished nothing at all. Gov. DiSalle could not muster votes in his own Democratic party, and the members of the Republican majority could see no reason to relax their opposition in the Senate bottleneck.

Consequently, all action on capital improvements now has been postponed until the next special session, scheduled for November, when it will be necessary for the representatives and senators to troop to Columbus again to deal with the consequences of the governor's unprecedented veto of the second half of the biennial budget.

Politically, the question in this General Assembly now has been defined so sharply by the standoff between the legislators and Gov. DiSalle that the outcome of the standoff will shape partisan politics for years to come.

GOV. DiSALLE has committed Ohio Democrats to an open-handed spending policy, backed up with substantial increases in state taxes to underwrite the cost of what he describes as imperative needs.

This is a reversal of the position held so long and successfully by the Lausche administration, when it represented the Ohio Democratic party. Gov. Frank J. Lausche was and continues to be a financial conservative. He takes the same position in the U.S. Senate that he formerly held in the Ohio governorship—that the highest function of political leadership is to sit on the spenders.

Ohio Republicans, on the other hand, now are commited more firmly than ever to a policy of financial prudence.

Which position is likely to attract more voters?

If Gov. DiSalle is right, Ohioans are clamoring or soon will be clamoring for more taxes to underwrite more spending for a wide range of purposes. They will demand executive leadership and legislative action to boost Ohio's rate of statewide spending. They will not be satisfied until this state has grown accustomed to a rate of spending that will put it into the top 10 of the welfare states.

Gov. DiSalle has statistical comparisons that show Ohio at present to be out of contention for top-10 rating, and they make him heavy-hearted.

REPUBLICANS are stuck for better or worse with an unexciting claim that Ohio has no desire, statewide, to be a welfare state—that most Ohioans prefer to play state finances close to the vest.

Republicans insist it is the duty of government to concentrate on giving people what they think they can afford, not to foist on them what free-handed spenders claim they should be glad to pay for.

This position is hateful to the national Democratic administration. From where the Kennedy administration sits in Washington to survey the political climate of the nation, Ohio does not fit into the political weather picture at all.

But Ohio didn't fit into the political weather picture last November, either. Though it supposedly had been made safe for the Democrats by the combined genius of the Kennedy organization and Gov. DiSalle, it wriggled free and ended up in the Republican column in what is still regarded as the prime upset of the 1960 election.

It could be that Gov. DiSalle has misread the signs and portents again.

'Thank You!'

The following is the type of letter which we always are happy to receive:

"While motoring to the eighth largest city in the United States, I drove through your city — East Liverpool, Ohio. I was pleasantly surprised to find such a picturesque community.

"The Ohio River, the hilly terrain, the green vegetation, the friendly people and the buildings all play a large part in making this one of the most interesting places in the Buckeye State.

"The inhabitants are living in a city which they can be proud of!"

The signature is that of a Mr. Kane Kerry, of Cleveland.

To Mr. Kerry, a heart-felt "Thank you!" To the residents of East Liverpool, with this as a spur, let's make it an even more attractive and friendly East Liverpool. There are many, many things which we can do in this direction.

The Once Over

By H. I. Phillips

Man can now retire at 62 and get a weekly check from government from then on "for the rest of his youth." He won't even need a gray hair. Day may be near when he can call it quits at 50, take up golf with government aid, get his clubs from Congress and receive his Federal check at his own fishing-camp bought on a 40-year mortgage.

Hard toil is "old hat." Easier life for all is general aim and few people seriously oppose a better break in life's tough journey through hazards, calculated risks and nonstop tensions.

But it's interesting to look back at grandpappy in the traditional American mold and ever think of him quitting work when he was in good shape, except because of rheumatism, flat feet and trouble putting his shoes on every morning.

He would have slugged anybody who said "It's time for you to retire. You're all through. Take your government's word for it."

He was apt to think at the age of 62 he was just emerging from childhood and could lick his weight in wildcats, tackle any job and take any talk of four-day week as Volshevistic.

He fought taxes, voted against big spending city, state and federal officials, did his bookkeeping without the aid of Aesop's Fables, had a clear idea when he was ahead, respected danger signals and hated to have anybody help support him when in good health.

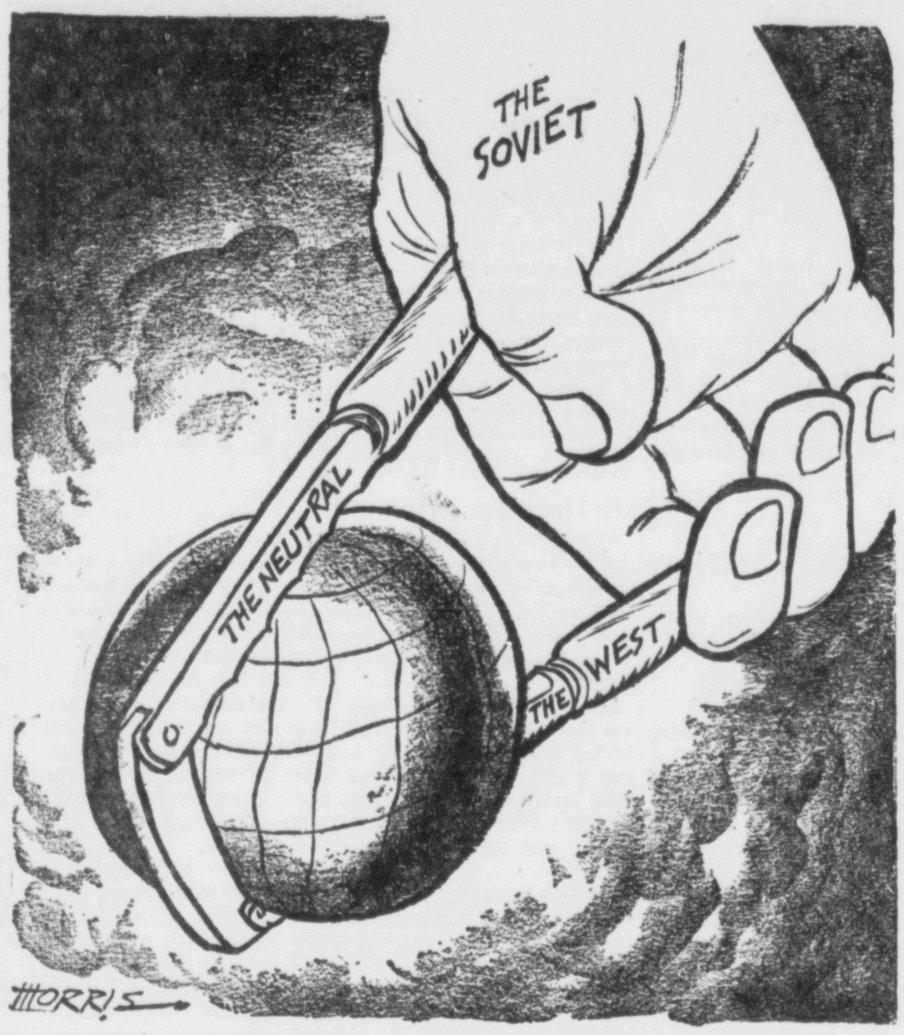

Grandpa thought that retirement was a state of lethargy to be acquired only by the richest man in town. If he got any envelope with a Washington stamp he assumed it was a reply to letter for some free garden seeds.

He didn't give up because his feet hurt. He thought 65 was middle age and would argue that at 70 he was young enough to saw wood, dig a well, take in the hay, curry the horses, kick boulders out of the farmland, enter the 100-yard dash at the Rotary Club picnic and poke in the nose anybody fresh enough to suggest that he accept a lift.

There were men in their early 80s who ran away with a circus. It would be interesting to see grandpappy come back today for a brief spell of fighting his way through federal checks and loud invitations to throw away his overalls at 62.

Girdle sales are reported increasing in Africa, Asia and Latin America. Things are getting tight all over.

How 'Troika' Would Work

A Strike Without Moonglow

By Victor Riesel

ALBUQUERQUE, N. M. From Jackass Flats, Nev., to the Moon and Mars is not as far as you think. These distances would have been closer if it hadn't been for a plumbers' strike earlier this summer, an Atomic Energy Commission expert said not so long ago.

Victor Riesel

Out on the Flats, some of our fantastic scientists are working on something called Kiwi-B reactor tests. They dubbed it Kiwi after the Australian bird which doesn't fly. At the Flats they're working on a nuclear rocket. They have run it through 2,000 degrees Fahrenheit during the Kiwi-A Prime and Kiwi-A3 era last year.

Now Kiwi-B is about to be tested to see if it could move a rocket to the Moon, around the Moon, back from the Moon, and speed another such interspace ship to Mars.

CONSTRUCTION and testing in all these phases of something called Nerva and the Rover and Pluto projects will cost a total of $90 million.

We're rolling the dice for big stakes at the testing grounds some 90 miles from Las Vegas. How big a stake? — literally the sky's the limit.

I never did think I'd write a sentence which would say that we had a "chance" to beat the Russians in any arana. But realism is realism.

From no less an authority than Dr. Krafft A. Ehricke, director of the Centaur Division of Convair Astronautics, comes word that this nuelear propulsion is the only chance we have to "leap frog" the Russians in rocket development.

So what happens to Kiwi-B experiments at the Flats early next month could keep the Moon and a few planets from becoming the newest Soviet satellites.

All this has been planned jointly by the AEC and NASA. Then last June, the southern Nevada plumbers, some 500 of them, got into a hassle with the Nevada construction contractors.

THESE BUILDING firms provide all such work in the region—civilian and governmental. Of the 500 about 100 plumbers worked for contractors who were and are involved in the Nerva, Rover and Pluto operations.

Then, on June 30, the plumbers decided to strike the southern Nevada contractors. These included the men working on the nuclear propulsion experimentation.

Work stopped at the testing grounds. Despite pressure and pleading and despite the fact that the national construction unions in Washington had pledged President Kennedy and Labor Secretary Goldberg that it would not happen — they stayed out until July 19.

That's almost three full working weeks, though it was generally known that Kiwi-B was due for testing in October.

The October experiment was scheduled to mark the start of a new accelerated testing phase in the nuclear rocket propulsion program. And then after this test there were to be "ground runs" of the nuclear thing every two months.

Before I give you the details of the records in the federal offices here, let me report that on July 10 an AEC spokesman in Las Vegas said that the U.S. project to put a nuclear - powered rocket on the Moon was being delayed by the stoppage.

LEGALLY it was the plumbers' right to strike. They had asked for a wage increase. The contractors had offered them a $18-a-week raise over the next two years.

This was a base pay increase—and would go up proportionately if the men worked more than 40 hours a week. They had been receiving $177-a-week straight time. The increase would have jacked it up to $195 for a 40-hour week.

Nonetheless they struck.

The records here reveal they wanted a nickel more an hour for vacation allotment. For this the nuclear ram-jet propulsion project went dead for a good part of July. Legally, this was the plumbers' privilege.

But there are other considerations. This was about the time the Russians were putting Major Titov through his final rehearsal for the flight of the Vostock II.

Those of us who awakened in Berlin a few weeks later to learn that a Soviet astronaut was circling the earth for the day did not feel so good. I wonder how the strikers felt.

(This strike was one of the most dramatic. But there have been a string of others since the pledge was made to the President, and they have cost the government tens of thousands of lost man hours.)

I wonder why the regional construction trades union leaders become so indignant when they are criticized by such men as Sen. McClellan.

After all, they went out on strike. Why do they fume so when the public strikes out at them?

What Have You Got To Lose?

By Truman Twill

Medicine men are telling the Yankee home-run hitter Roger Maris not to worry because his hair keeps falling out.

They say this is the result of anxiety over hifting enough home runs to put him up there in the big bucks. The estimate may be cockeyed, but someone has added up the possibilities and come out with a total of half a million dollars for becoming the new Sultan of Swat.

No wonder the young man is anxious. No wonder his hair keeps falling out.

The medicine men say it will grow back in when he gets over his anxiety, but Maris shouldn't put any stock in this. His hair is gone for keeps.

He will not get over his anxiety.

Millions of us who have been through the de-feathering process can testify to this. No one gave us the time of day when our foliage was dropping by the wayside. It wasn't news. No medicine men were consulted. We weren't Maris.

But we knew the score.

We were over-anxious. We were trying to hoist ourselves into the bucks—not the big ones, but enough to cover expenses.

The odds were against us. People kept making invidious comparisons, the way they have insisted on pitting poor Maris against the mighty Babe Ruth.

Many of them have resented Maris as an upstart who has no right to dream about being the new Sultan of Swat. We anonymous lumpies whose hair fell out were up against this same ugly animosity.

We were resented.

The pitchers threw at our heads.

The bench jockeys gave us the lip.

Hero-worshippers of the dying generation told us we weren't fit to carry the gloves of our illustrious predecessors.

The general notion was that our generation was rotten and irresponsible. We were juvenile delinquents who had been released on probation and should be kept under surveillance.

If we did anything spectacular it was because the ball was livelier. It didn't figure we could have done it in the good old days with a dead ball and the buddy-duddy bats our progenitors used. No sir.

That's what made us anxious.

That's why our hair fell out. And there was no nonsense about its growing back. We'd had it!

Our generation invented ugly baldness, premature heart attacks, gastric ulcers, hyper-tension, psychiatristic treatments and nervous breakdowns.

We hold all the patents on gray flannel suits, sweaty palms, button-down minds and organizational frustration. Also the menace of Communism.

We have forgotten more about anxiety than young Roger Maris with his bid for the big bucks will ever know.

Man and boy, we've shed enough hair while chasing a livelihood to provide each of us with a hair-filled mattress to toss and fret on.

And now that we know how it turned out, we rub our hairless heads and snicker when we read that the medicine men are telling Maris not to worry because his hair keeps falling out.

Sure, kid, why worry? What have you got to lose except your hair?

Unexplained Paradox

By David Lawrence

Freedom Rides Raise Some Questions

There's an unexplained paradox in the news these days. It raises several interesting questions:

David Lawrence

First, why was it necessary to organize Freedom Rides to protest against racial discrimination in the South in seating on buses and at bus-terminal restaurants when the Interstate Commerce Commission all along has had the power to do what it has just done — issue regulations forbidding such discrimination?

Second, why did the attorney neral wait until May 29 to ask the Interstate Commerce Commission to issue these new regulations?

Third, why were the organizers of the Freedom Rides given encouragement by government officials to carry on those demonstrations when there was a remedy in existing law?

Fourth, why was the United States subjected to criticism abroad and the Soviet Union enabled to get a considerable propaganda use out of the news of the disorders at a time of international tension and especially when the United States was seeking to win the friendship and favor of various African countries which now have votes in the U.N.?

The above questions relate to a fundamental belief which too many people have expressed that the only way to get things done is to "take the law into your own hands."

This was the psychology of those who argued that the Negroes had "already waited too long for equal treatment" and that it was "about time to do something."

Not so many years ago this was the argument also of those who started mobs to do lynchings.

The leaders said it was useless to wait for the long drawn out processes of the law to punish criminals.

This was widely described as "government by mob instead of government by law and order."

Indeed, when the disorders broke out at Little Rock, Ark., in the autumn of 1957, criticism was heard that the incitement to violence by impassioned partisans of the cause of segregation showed that they did not believe in "law and order."

THE FREEDOM RIDERS in 1961 disregarded the fears of the local populace that "law and order" would be disrupted and that violence might result if the demonstrations were carried to the point of actual resistance to local laws.

Even some clergymen, who are supposed to teach reconciliation and certainly are not supposed to do anything remotely to provoke violence, actually participated in the Freedom Rides without getting a single letter of reprimand from the institutions, religious or educational, with which they were associated.

Does this mean that "the end justifies the means" after all, and that, if the cause one believes in is a worthy one, it's all right to engage in a demonstration notwithstanding that it is likely to incite a mob to violence?

Whether one likes the "law of the land" is irrelevant but, since it's desirable in a democracy for the people to await the normal functioning of legal processes in one cause, it is equally desirable for the partisans of any other cause to agree that "law and order" must be given an opportunity to apply its mandates through the judicial processes available.

The Kennedy administration must have known last January that it could ask the Interstate Commission to issue regulations to cover seating in buses and terminal facilities similar to those previously issued for railways and rail terminal facilities.

Why didn't the Department of Justice advise the Negro organizations in the beginning not to start Freedom Rides but to give the law a chance to function?

THERE ARE RUMORS that the demonstrations were actually undertaken with the knowledge, if not the advice, of the Department of Justice. This needs to be cleared up for there is a suspicion growing that the Department of Justice is acting as a partisan of political causes and is playing politics with the whole problem of desegregation.

Thus, it is not explained why President Kennedy waited until the last moment in the current Congress to send to the Senate the nomination of Thurgood Marshall, general counsel for the National Association for the Advancement of Colored People, to be a U.S. circuit judge in the second circuit.

Knowing that the nomination would stir up a Senate inquiry to determine whether the appointment was a political one and whether some other Negro lawyer without such political connections and controversial background could have been nominated, the President held up sending the nomination to the Senate so that there would be no time for any inquiry at all at the present session of Congress.

Indeed, there now will be a recess appointment which will permit the new appointee—who has had no experience on the bench — to occupy a high judicial post and draw a $25,000-a-year salary.

This is a defiance of customary procedures.

Again and again members of Congress have criticized the idea of giving recess appointments to federal judges. For what is to be thought of the rulings of such a judge made during the recess if his nomination next year fails to be confirmed?

THERE ARE SIGNS that both parties are playing politics in an effort to win the supply of Negro voters.

There seems to be a throwback to Reconstruction Days when the slogan was "might makes right." The 14th Amendment itself, on which the whole issue of "equal rights" is based today, was declared "ratified" in 1868 — three years after the war between the states was over—by precisely such illegal methods, in disregard of the requirements of the Constitution.

The Shark

Scientists are collecting a growing number of facts on man's ancient enemy—the shark.

An annual worldwide census of attacks on humans by the razor-toothed marauders is now kept at the Smithsonian Institution in Washington. Based on reports analyzed by the Shark Research Panel of the Amercan Institute of Biological Sciences, last year's record included 30 cases of "unprovoked" assault.

There are some 300 varieties of sharks, ranging from 2 to 60 feet in length. About a dozen are considered particularly dangerous. The "man-eater" white shark has been known to upset small boats, maiming or killing occupants. Among other sharks of ill repute are the tiger, hammerhead, mackerel and gray nurse.

One of nature's most sinister prowlers, the shark is equipped with a powerful jaw and mouth, studded with rows of sharp, pointed teeth. It will eat anything. Found in sharks' stomachs have been such assorted tidbits as tin cans, bricks, a fur coat, sack of coal, an alarm clock and a full-grown dog still wearing a collar.

Most sharks favor warm and temperate oceans, but some roam far north. A few inhabit tropical fresh-water lakes and rivers.

After World War II a Missouri-sized piece of Poland was given to Russia. In compensation, Poland was awarded the Kentucky-sized chunk of Germany now known as the Western Territories.

The first power - operated laundry was started in 1851 in Oakland, Calif., by a man named Davis. He used a 10-horsepower donkey engine.

Classic Styling Marks Lincoln

Lincoln Continental continues its classic styling theme in 1962, but adds a series of luxury appointments and mechanical reliability features.

That's the word from Ben D. Mills, Ford Motor Co. vice president and general manager of the Lincoln - Mercury Division.

The four-door Continental sedan is shown above.

The new Lincolns are offered locally by Arb Motor Sales, 1340 Pennsylvania Ave.

Continental will continue to offer two models, the four-door sedan and America's only four-door convertible.

Continental's styling continuity is enhanced in 1962 in the front by a new grille, a restyled bumper and repositioned headlights set slightly forward. The rear grille-type design matches the new front grille. From the side, the only appearances changes are the use of narrow-band white sidewall tires and new wheel covers.

A series of engineering refinements provide greater reliability, smoother and quieter riding, less need for car maintenance and more passenger comfort and convenience, Mills says.

Family

(Continued from Page One)

Mrs. Monroe's plight through the Salvation Army.

The family has resided in the rural Newell area for about a year after coming to Hancock County from either Tennessee or one of the Carolinas, welfare officials said.

Edward Monroe, the father, quit his job at the Pughtown Garage of the West Virginia State Road Commission last month to seek work in Cleveland, they said. When he failed to return to their apartment Thursday night, Mrs. Monroe became alarmed and started on foot with her children to their Newell area home.

Hancock County Court and sheriff's deputies supplied the family with medicine, blankets, food and clothing last Christmas. Deputies employed a four-wheel drive vehicle to plow through heavy snow to the Monroe home located in a ravine.

County welfare workers in New Cumberland said the family has not asked for aid or relief orders.

Weirton Woman's Unhurt In Car Crash

A Weirton woman escaped injury when her car skidded on the Penn-Lincoln Park Way, Routes 22 and 30, and crashed into railing near Pittsburgh Monday at 7:30 p. m.

The Carnegie barracks of the Pennsylvania State Police said a westbound car driven by Marie Koprivich, 24, of 111 Clearview Ave., Weirton, skidded on the wet pavement, crossed the divider strip and crashed into guardrails.

Damage was estimated at $600 to the car.

Union Event To Draw 60

Between 60 and 80 persons are expected to attend the taxation study workshop of United Steelworkers District 20 Wednesday at the Midland union hall, Kay Kluz, chairman of the district legislative committee, said.

It is being held for Executive Board members, legislative committees, recording secretaries, staff representatives and interested membership of the various district locals.

Prof. Helmut Golatz of the Pennsylvania State University and Prof. Edward Cook of the University of Pittsburgh will conduct the workshops in conjunction with the union's legislative office in Harrisburg and the International Education Department.

Prof. Golatz will be in charge of the taxation classes which will include, in addition to a broad examination of taxation, specific analysis of President Kennedy's federal tax program and Gov. Lawrence's tax program in the new school reform proposal.

Prof. Cook will discuss taxation in Third Class cities and boroughs and First, Second and Third Class townships.

The program will be conducted on a workshop basis with a question-and-answer period. The discussions will be held from 9:30 a. m. to 10:30, followed by a 15-minute break.

$7,433 Low Bid For New Refuse Truck

Mackall Motors, 1503 Pennsylvania Ave., submitted the apparent low offer when bids were opened Monday afternoon by the Board of Control for a new refuse collection truck with a 12-cubic yard "packer" body for the incinerator department.

The Ford agency offered an F-600 truck for $3,738 plus a 12-cubic yard Pak-Mor Model F body for $3,695, a total price of $7,433. It offered $1,100 for the city's 1954 Ford truck with a similar body bringing the net price to $6,333.

However, the Mackall firm recommended the city purchase a heavy - duty V-8 engine because of excessive starting, stopping and constant idling. If the heavy duty engine is purchased, the complete cost to the city would be $6,483.

O. S. Hill & Co., 948 Pennsylvania Ave., ask $7,650.50 for an International Model B-162 truck with a Thiele 16-cubic yard, side-loading packer body with a 13-cubic yard storage capacity. The body is 8-foot wide.

It offered an allowance of $1,305.50 for the trade in of the present unit, bringing the net cost to $6,345.

It offered as optional equipment a short cab for $125, five-speed transmission for $100, and oversize brakes for $25. There would be no extra charge for a 7-foot wide Thiele body, the bid said.

Wimmer Motor Sales, 600 Walnut St., offered a 1962 GMC truck with 165-horsepower V-6 engine for $3,600 less a $200 trade in of the present truck and a variety of body types.

They included a 12-cubic yard Pak-Mo Model F for $3,695; 13-cubic yard Heil Mark II for $4,555; 13-cubic yard Leach Packmaster at $4,504, and a Thiele packer body with a 13-cubic yard storage capacity and 4 - cubic yard loading compartment for $3,675.

A wide selection of packer bodies also was offered by Mike Turk, Inc., of E. 6th St. with a 1962 Chevrolet truck chassis.

The truck with a 13-cubic yard Thiele body was offered at $7,113.54; 12-cubic yard Pak - Mor body, $7,133.54; 16-cubic yard Seal Press, $7,543.54; 10 - cubic yard Leach body, $7,725.54; 13-cubic yard Leach body, $7,942.54; 18-cubic yard Truxmore body, $7,988.54 and 13-cubic yard Heil Collectomatic, $7,993.54.

It offered a trade in of $150 on the present 1954 truck and body.

Turk recommended the truck be equipped with a 12-inch clutch, five-speed transmission, reinforced frame, heavy-duty brakes with a vacuum reserve tank, 7,000 - pound front suspension and heavy-duty front springs which would be available for an additional $375.

Composed of Mayor Bert H. Goodballet and Safety - Service Director Robert Owen, the board took the bids under advisement.

Because City Hall did not open until 1 p. m. out of respect to the late Lt. Micheal A. Winters Jr., opening of the bids was delayed from noon until shortly after 1.

Buicks Go On Display Wednesday

The new Buicks will go on display here Wednesday at Mike Turk, Inc., 415 E. 6th St.

The Electra 225 series is shown above.

The 1962 models feature a revolutionary 90-degree V-6 engine in its Special series which has been expanded to include a two-door convertible.

All regular - size cars boast a completely new design with sporty new roof styles and long sweeping lines that make the car look bigger and more massive.

"We have recaptured that big-car look that has traditionally characterized Buick styling," said Edward D. Rollert, general manager of Buick and vice president of General Motors. "We feel that with our new styling, which is clean and uncluttered, and with the excellent record in mechanical performance Buick has achieved in the past year, we will continue to make substantial gains in the market."

For the first time, Buick, which pioneered the hardtop styling 12 years ago, will offer a two-door hardtop that looks like a regular convertible. These models will be available in the Invicta and LeSabre series.

A distinctive new roofline, with wide, sloping rear pillars, distnguishes the two-door and four-door hardtops in the new Electra 225 series.

Interiors in the regular line have been completely restyled, tastefully fashioned in the latest luxury fabrics in nylon, leather and vinyl. The instrument panel also is of new design, with an instrument cluster designed around a new needle-type speedometer.

Fall Crop's On Way

Change In Season Means Switch In Food Varieties

With the coming of fall, area produce counters will take on a larger variety of fruit and vegetables, Richard W. Skinner, marketing agent with the Co-Operative Extension Service in Canfield, pointed out today.

Summer fruits and vegetables such as sweet corn, tomatoes, peaches and melons will disappear from the market gradually in the next week or two, but they will be replaced by more apples, pears, grapes, potatoes, cabbage, squash, egg plant and beets, he said.

The sweet corn season is fast drawing to an end. Many growers did not have corn as long as they hoped to because of the dry weather in certain areas. Those growers who still have corn report their supply is near the end.

Tomatoes, peppers and cucumbers will be eliminated after the first frost, which usually occurs during the first week of October. However, it may occur sooner. If you are planning on canning tomatoes or making pickles, you will want to do so this week and as early in the week as possible.

There will be a limited amount of fresh peaches on the market until about Oct. 5. You may still find a few growers that have Elberta or J. H. Hale. However, Shippers Late Red is the more common peach found at this time. While Elberta and J. H. Hale may be used for canning or freezing, the Shippers Late Red is best when used fresh.

The volume of fruit marketed shifts from peaches to apples at this time. The first really mature McIntosh, a favorite of many, will be available about the first of October from Northern Ohio orchards. From this time until the end of winter, apples will remain one of the prime sources of fresh fruit for consumers of this area.

Concord grapes are now on area markets and they will increase in supply during the week. Concord grapes are grown locally in volume and are favorites for juice.

Other native grown grapes that are on the market include Delawares, which are excellent for eating fresh, and Niagaras, which have a flavor all their own. Western grapes are favorite table grapes. Varieties now available are Tokay and Thompson Seedless. You will find grapes an economical buy for the next two or three weeks.

Cabbage, squash, potatoes, beets and carrots have been rather plentiful and this will continue for some weeks. As usual, potatoes and cabbage are two of the best budget stretchers.

Sweet potatoes, egg plant and beets have increased in supply and will be considerably lower in price during the next week or two than in recent weeks.

This is seasonally the time of year when there are more of the smaller size eggs available. Because of an increased number of pullets started earlier this year, there will not be a noticeable tightening of supply during the next month, which usually is the case.

Any price advance will likely be centered on the grade A large, since small and medium sizes will make up more of the supply.

To find the most economical buy in eggs, check the cost per ounce. To do this you will need to remember that one dozen large eggs equals 24 ounces, one dozen medium eggs equals 21 ounces and one dozen small eggs equals 18 ounces. Divide the price per dozen into the weight per dozen to determine the cost per ounce.

The size that has the lower cost per ounce will be the best buy. When three is a difference of eight cents or more between sizes, the smaller sizes will usually be the better buy. In most stores today the medium size is the best buy on a cost per ounce basis.

All meat prices except one are about the same as one year ago. The one exception is poultry. Poultry fryers and turkeys are top choices in value in most retail markets.

Outside Agencies Aid Police During Funeral

Police Chief Americo J. Radeschi today thanked the Wellsville police department, Columbiana County sheriff's office and the State Highway Patrol for the aid they furnished local officers during the funeral Monday morning for Police Lt. Michael A. Winters Jrs.

The Wellsville department manned the desk at police headquarters and sheriff's deputies answered radio calls while city police attended the funeral for their fellow officer who died Thursday following a heart attack.

The State Highway Patrol led the funeral procession to the Columbiana County Memorial Park for the burial.

Vandals Hit 2 City Schools

Vandals forced their way into two city schools over the weekend and broke several windows but apparently took nothing, police reported.

It was the third breaking and entering of school buildings within a few days. Thieves stole $5, ransacked offices, broke glass panes and took door keys to Memorial Auditorium Thursday night or early Friday.

The intruders broke a window in the science room at East Junior High to gain entrance, opened desks and drawers in several rooms and broke the glass in the office door before leaving by the rear door, police said.

The building was entered between noon Saturday and 7:30 a. m. Monday, officers said, virtually the same time in which Westgate School also was entered.

At Westgate, desks and drawers in the general office, classroom and teachers' lounge were pried open and glass panes in the office and classroom were broken, police said.

Melvin L. Harris, 1071 Pennsylvania Ave., reported to police Monday that a vandal cut a six-inch slash in the roof of his car causing damage estimated at $96.

The vandalism apparently occurred between 9 p. m. Saturday and 8 a. m. Sunday while the car was parked at his home or at American Legion Post 374 on Pennsylvania Ave. or on 5th St., Harris said. He noticed the slash Sunday.

Nothing was taken when thieves broke open a door to the Central Service warehouse on Dresden Ave., police were told yesterday.

A thief climbed the fire escape on the north side of the former Faulk Building and kicked down a door leading into the second floor, police were told.

2 Workers Claimed By Sewer Gas Fumes

COLUMBUS, Ohio (AP) — Two city employes were asphyxiated by sewer gas Monday, one while trying to rescue the other who had been inspecting a new sewer line.

Dead are John W. Turner Jr., 56, and Robert Milburn, 22, workers in the city's sewage and drainage division.

Witnesses said Milburn went down the manhole and called out that he smelled gas. He started up the ladder but fell back unconscious. Turner went down the 15-foot hole to rescue Milburn, they said, but passed out as soon as he got to the bottom.

Firemen wearing gas masks carried the two to the surface.

Dixie Governors Back Kennedy On Peace Moves

NASHVILLE, Tenn. (AP) — Southern governors put aside sectional problems today and stood united behind the Kennedy administration's promise to work for peace but never to surrender to blackmail.

Vice President Lyndon B. Johnson, substituting at the Southern Governor's Conference Monday night for President Kennedy, warned the Soviets not to misjudge the character and strength of this nation, lest the world be pushed into nuclear war.

"We seek peace but we shun appeasement because we have learned appeasement is surrender on the installment plan and the signal for ultimate war," the vice president said.

Johnson spoke slowly and at times grimly. He drew his biggest applause from the 17 governors present when he declared the United States would never desert West Berlin or Nationalist China.

A resolution, submitted by Govs. Lindsay Almond of Virginia and Orval Faubus of Arkansas, was adopted in which Kennedy's speech was termed "a magnificent address."

2-Car Crash Fatal To Expectant Mother

COLUMBUS, Ohio (AP)—A two-car collision took the life of an expectant mother Monday night, police reported.

Mrs. Barbara J. Stertzer, 21, of Columbus suffered fatal injuries in the headon collision on Hamilton Road Monday morning. She died at St. Anthony Hospital about 12 hours after the crash. She was the mother of two children.

Army 'Brass' To Speak At Stratton Rites

(Continued from Page One)

oratories in Mariemont before going to Huntington for another inspection.

—:—

FOLLOWING the luncheon, the guests will board river boats at Lock 10 at 1:30 p. m. and are scheduled to arrive at Stratton at 3:30 p. m., 30 minutes before Secretary Stahr's address.

The dedication program is being sponsored by the Steubenville Chamber of Commerce with the Pittsburgh Engineers District and the Pittsburgh Coal Exchange co-operating. Heading the committee are H. Nelson Lang of the Wheeling Steel Corp., J. K. Deasy of the Weirton Steel Co. and Common Pleas Judge J. J. Greisinger of Steubenville.

The ceremony is being held almost six years after Lt. Gen. Samuel D. Sturgis, then Army chief of engineers, spaded the first dirt in November, 1955, to officially launch construction.

—:—

THE PROJECT actually got under way about a year earlier when some 70 properties in the Stratton area were torn down or moved to allow for the relocation of Route 7 some 200 feet to the west.

The Savin Construction Co. of East Hartford, Conn., constructed the two locks under a $16,312,765 contract while the Dravo Corp. of Pittsburgh, which was the second low bidder for the locks, won the contract to build the dam with a bid of $13,452,000.

The new dam and locks replace obsolete structures at Dams 7, 8 and 9, formerly located at Midland, Newell and New Cumberland, which already have been removed from the river.

Te high-lift, crest-grated dam provides a continuous 22.7 - mile pool from Stratton to the Montgomery Island dam at Ohio View, cutting as much as four hours from the towboat travel time through this section.

—:—

TWO LOCKS operate in conjunction with the dam, the larger measuring 110 feet wide by 1,200 feet long and the auxiliary chamber being 110 feet wide and 600 feet long.

The larger lock will raise or lower a towboat and 24 standard 1,000 - ton barges (26-x-175-feet) in seven minutes after entry while the 600-foot lock, the same size as the chamber in the old structures, will handle a towboat and eight standard barges in the same time. The lift from the lower to upper pool is 22.6 feet.

When modernization of the navigation system is completed in the late 1970's, a 24-barge tow traveling the 981 miles from Pittsburgh to Cairo, Ill., will be able to save as much as 45 hours in locking time alone, Gen. Wilson has said.

—:—

THE BILLION-dollar program ultimately calls for the present 46 locks and dams to be replaced with 21, of which three will be retained from the present system.

As the Upper Ohio Valley's industrial complex has grown and expanded, the Ohio River has loomed more important. Its importance is indicated by the steady increase in freight tonnages carried in the stretch in which the new dam and locks are located.

Tonnage in this area jumped more than 80 per cent in a five-year period, climbing from 8,631,800 tons in 1952 to 15,099,400 tons in 1956 when 4,200 towboats towing 30,245 barges traversed this part of the river.

In 1900, only 3 million tons of freight was moved over the entire 981 miles of the Ohio.

—:—

WHEN THE present system of locks and dams was authorized, the optimistic assumption was that traffic might increase in time to 15 million tons a year.

However, Army Engineers were criticized for "extravagance" in designing 600-foot locks.

By 1929 when the system was completed, the volume had risen to 22 million tons a year and by 1959 to a peak of 80,801,017—and the locks once criticized as being too large became bottlenecks impeding the flow of raw materials to industrial plants.

It became necessary to break modern tows of 20 or more barges carrying over 20,000 tons of freight into two or three parts and lock each separately.

An estimated 79,477,586 tons of freight was carried on the Ohio in 1960, about 20 million more than was handled through the Panama Canal.

—:—

COAL AND coke accounted for more than 50 per cent of the tonnage to feed the steel mills and huge electric plants which have developed along the river. One of the newest is the Ohio Edison Co.'s $115 million dollar plant at Stratton.

Ranking second but far behind in tonnage was oil and gasoline with stone, sand and gravel in third place. Miscellaneous freight ranked fourth, iron and steel was fifth, chemicals sixth and sulphur seventh.

2 District Bands To Play At Stratton

The Stanton Local and New Cumberland High School Bands will participate in the dedication program Thursday at the Stratton super-dam.

The Irondale band is directed by John William Hutson. Miss Helen Stobinsky is director of the New Cumberland band.

Gen. Eichelberger, War II Hero, Dies

ASHEVILLE, N.C. (AP)—Gen. Robert L. Eichelberger, 75, commander of the U.S. 8th Army in the Pacific in World War II and former superintendent of the U.S. Military Academy at West Point, N.Y., died here early today.

Eichelberger, who guided the "amphibious 8th" through the long Philippines campaign and later commanded Allied occupation forces in Japan, was hospitalized last Friday. He underwent surgery Monday.

Eichelberger had served as secretary of the general staff of two chiefs of staff of the U.S. Army—Douglas MacArthur and Malin Craig. He was graduated from West Point in 1909.

Lisbon Joins County Step For Planners

LISBON — A petition requesting Columbiana County commissioners to appoint a County Planning Commission was authorized by Lisbon Council Monday night.

The move is part of an organized effort by villages and cities in the county, now without planning groups, to obtain a county commission to correlate planning. The move stemmed from a recent meeting of the County Mayors Association.

Lisbon has no planning organization at present.

Council discussed ambulance service for Center and Elkrun Townships by the Lisbon volunteer fire department. Mayor Dean Stockman is to confer with trustees of the townships to discuss paying firemen for manning the ambulance on emergency calls.

Gerald Boring and Joseph Brown of the Shifters Auto Club explained the club's activities to Council, and said a sponsoring organization is needed, such as a group, business or government agency.

There are some 15 members in the club which has a garage about four miles west and has a "dune-buggy" to be operated next spring. The two representatives said the club is interested in helping the community.

Mayor Stockman said the club could meet at the Village Hall, but will have to make reservation arrangements with Police Chief Dalton Pike.

Mayor Stockman reported a tree has been cut down on property near the Nace Drugstore of N. Market St., eliminating a leaf problem. New parts costing $342 have been obtained for the village's leaf mulching machine, and street department crews are to do the labor.

The mayor reported on erection of "slow" signs where requested, and said he has received one complaint that the signs make grass cutting difficult. Council discussed lack of street markers at some intersections.

Bills totaling $10,878 were paid. Next meeting will be Oct. 9.

The Council chamber was recently painted by the Lisbon Junior Chamber of Commerce as a community service.

Don't try a recipe you've never made before on guests! Have a rehearsal first — for the family only.

Welfare Fund Contribution Set By Legion Post

A contribution of $25 for the Community Fund was authorized by Chester American Legion Post 121 at a meeting Monday night at the post home.

Gold life membership cards were presented to Byron Allison and Stanley Smusz, past commanders, by Jack Huff, commander.

Reports were given by M. J. Sweeney, service officer, and Myron Rogers, finance officer.

It was announced the post will sponsor buses to the Pitt - West Virginia football game Oct. 14 and the Steelers - Browns football game Oct. 14 and the Steelers-Browns football game Oct. 22. Tickets are available at the post.

Plans were made for dinner-dances November through March. Refreshments were served by Ed Huff and his committee. The next meeting will be Oct. 9.

Band Mothers Set Benefit Sale

Plans for a rummage sale Oct. 9-14 at a Mulberry St. store room in East Liverpool were completed at a meeting of the Purple and Gold Band Mothers Monday night at Chester High School.

Donations for the sale may be made by notifying the committee co-chairmen, Mrs. Bernard Reber and Mrs. Fred Morris.

Mrs. Cecil Pugh and Mrs. Darwin Picklesimer were appointed co-chairmen of a cooking school to be held with the Monongahela Power Co. in the future.

John Clovis, band director, was authorized to purchase six fire batons for the majorettes. Lunch was served 25 by Mrs. Reber and Mrs. Fred Greenlee.

Mrs. Herman Wilson, president, was in charge.

Pittsburgh Driver Jailed

A 63-year-old Pittsburgh man, whose car was hit by another auto in Chester and who later backed into a pedestrian, was jailed in lieu of bonds on two traffic citations Monday night.

Arthur Goss of Pittsburgh is slated for a hearing next Monday before Mayor Ray Collins on charges of failure to have his vehicle under control and failure to yield the right-of-way.

Patrolman Clarence Lennens said Goss' 1960 sedan was hit by a 1955 sedan driven by Mrs. Linda Kay Durbin of Carolina Ave. last night at 8:45 at Carolina Ave. and 1st St. Mrs. Durbin received a slight cut of the lip.

Lennens said Goss made a left turn from a right lane and was hit by Mrs. Durbin's car moving in the center lane at the intersection, causing extensive damage to the front of the Durbin auto and minor damage to the rear of the other car.

About 15 minutes later, when Lennens instructed Goss to pull his car ahead to clear the intersection, the Pittsburgher put the auto in reverse and backed into Mrs. Rena Pugh of Carolina Ave. who was walking across the street. She received knee bruises.

Goss was freed this morning when he posted $55.50 bond for the failure to yield the right-of-way charge, and $30.50 bond on the other charge.

Hits Discrimination

TOLEDO, Ohio (AP) — City Council Monday passed an ordinance prohibiting discrimination in the sale of real estate or the rental of multiple-dwelling units. It prohibits discrimination on the basis of race, color, religion or national origin, but contains no penalty for violations.

Raid

(Continued from Page One)

ery and Leonard Richard were included in the raiding team.

The officer said he gained entrance by waiting until the locked door was opened to admit two women.

Twelve men and women were seated in the club, Lt. Walker testified, and bottles of beer, a "shot" of whisky and some mixed drinks were on the bar and at tables. He did not witness a sale, he continued.

Walker introduced nine bottles of beer and the "shot" of liquor which police confiscated along with four bottle caps. Colored blue, the caps indicated the bottles contained high - powered—or 7 per cent—beer, he said.

Questioned by the judge, Collins said he "bought the place" and added it is a private club with memberships available for $1.

Asked by Judge Chertoff as to the purpose of the club, the former Hookstown resident replied, "I haven't found out yet."

"We are not going to allow the sale of whisky in East Liverpool on Sunday with or without a card," Judge Chertoff warned, pointing out there are many legitimate places of business trying to comply with the law and not desecrate the Sabbath.

"I can't believe a word you tell me. I believe you are only a 'front' for someone else. You can't tell me the purpose of the club or anything else about it," Judge Chertoff said. Collins objected that he had "papers at home" to show the purchase.

"Is this place related in any manner to the old club?" Judge Chertoff ask Radeschi. "It has the same license," the chief replied.

"The old club had a good reputation and some fine people were members. It apparently has fallen into disrepute and into the hands of bootleggers," Judge Chertoff replied.

He then decreed the fine and suspended jail term, informing Collins a check would be made to see if it can be closed as a "nuisance" and the state liquor authorities would be notified.

The Lincoln Memorial was dedicated in May 1922, culminating a project originated two years after Abraham Lincoln's death.

Here tomorrow—a great new exclusive from Buick

ADVANCED THRUST

Moves power forward for arrow-straight going

It puts the engine ahead like the tip of an arrow • It tames "wind wander" and road sway • It sweeps you forward in a hush of luxury • It turns the floor hump into foot space.

WHAT IT IS—Buick's big new move: It positions the great new Wildcat V-8 and Turbine Drive way up front over Buick's front wheels.

WHAT IT DOES—As the engine went forward, the floor hump went DOWN. And, the forward weight makes wheel response far quicker, cornering far surer, ride far smoother.

WHY YOU'LL LOVE IT—It's the closest you can come to sports car handling in a passenger car. Distances shrink before its ¾-G thrust. Hills disappear. Lean on curves is really gone. Winds don't make you wander. It's going at its Buick best!

How Can I?

By ANNE ASHLEY

Q. How can I insure longer wear in metal garbage and trash cans?

A. Periodic washing and drying will prolong the life of a galvanized steel garbage or trash can. Rust can be prevented by painting the inside of the metal can with zinc chromate when it is new. The base of the container may be given additional protection by priming and painting.

Q. How can I avoid smoke in my kitchen while grilling pancakes?

A. By rubbing your griddle with a small bag containing a quantity of salt. This bag can be used for a long time, and if the griddle is well tempered, it will need no further greasing.

Q. What is a good "substitute" cleaner for my typewriter keys?

A. Cigaret lighter fluid does a good job of this. Use it sparingly with a type-cleaning brush, or an old toothbrush.

Mrs. Solak Appointed To State School Unit

Mrs. Marilyn Solak of Salineville, high school supervisor for Columbiana County Schools, has been named to the Executive Committee of the Ohio Association of County Supervisors for the school year 1961-62.

Mrs. Solak has a bachelor's degree from Mount Union College and a master of education degree from Kent State University. At present, she is taking additional graduate work at Western Reserve University. She is a member of Delta Kappa Gamma, a life member of the National Education Association and an active member of several other educational organizations.

The Ohio Association of County Supervisors is a department of the Ohio Education Association and the Division of Rural Education. Its purpose is to promote the improvement of instruction in county schools of Ohio and the development of sound supervisory procedures applicable to county systems.

Three area servicemen have been assigned to Ft. Knox, Ky., for eight weeks of basic combat training with the Army.

They are Pvt. Joseph E. Hampson, son of Mr. and Mrs. Joseph E. Hampson, 175 Maine Blvd., Pvt. Charles R. Clark, son of Mr. and Mrs. Robert E. Clark, 1065 Ephriam St., and Pvt. Robert L. Curtis, son of Mr. and Mrs. Clarence J. Curtis, 1784 Clark Ave., Wellsville.

They have been assigned to Co. E of the 5th Training Regiment's 16th Battalion. The trio will graduate from basic training Oct. 21.

Heads National Unit

TOLEDO, Ohio (AP)—Rt. Rev. Msgr. Michael J. Doyle, director of Toledo Diocese Catholic Charities for 26 years, is the new president of the National Conference of Catholic Charities.

Rt. Rev. Msgr. Raymond J. Gallagher of Cleveland was elected secretary.

The Interior Department intends to preserve an 88-mile section of Padre Island, Texas, in its natural state.

Constitution Day Marked By Bethia Southwick DAR

Edwin Pugh of Wellsville, school teacher, spoke on "One Country, One Constitution and One Destiny" at the annual Constitution Day meeting of the Bethia Southwick Chapter of the Daughters of the American Revolution Saturday afternoon at Wellsville. Mrs. Isabel Hart of Aten Ave. was hostess.

Teacher of history and sociology in East Liverpool High School and of a Geneva College extension class, he outlined governmental experiences as milestones previous to the Constitution. He contends the first "GI Bill of Rights" was in 1787 as land grants for veterans of the Revolution in Ohio and western territories.

Mrs. George Fraser, chaplain, read Gal.5:1 for Scripture. She said "we have four symbols of freedom — the Holy Bible, our right to worship; a doorkey to lock our door against illegal government forces and prying; a pencil, freedom to speak or write what you think; free ballot, your right to choose people who represent you in government and your protection against government tyranny. Mrs. Fraser followed with prayer for Constitution Day.

The national defense topic was given by Mrs. Alva Dickey, chairman.

Mrs. Ford S. Ball, regent, presided and the group voted a $10 donation to Mrs. Robert Faulk, approved schools chairman, for a window at the Kate Duncan Smith auditorium at Grantsville, Ala.

The theme for the year will be "For evil to triumph, good men need only to do nothing," from Edmund Burke, English barrister and friend of the American colonists.

The buffet table was laid with a Colonial coverlet and had an arrangement of red and white carnations in a George Washington Toby made in an East Liverpool pottery, together with blue candles to emphasize the patriotic color scheme. The hostess was assisted by Mrs. Willard Leggett and Mrs. Lee Walton.

A Founder's Day program will be presented at the meeting Oct. 13 at the home of Mrs. D. T. O'Hara of Main St. Guest speaker will be Mrs. Marshall H. Francis of Steubenville, state registrar.

Several members of the chapter will attend the Central East district meeting at Gnadenhutten in the Joseph Heckenwelder Moravian Church Wednesday. Mrs. Edison M. Meyers, district director, will preside.

Wellsville Waits Scout Fund Drive

The annual Boy Scout Fund drive will open Monday in Wellsville, James Laughlin and Donald Wellington, co - chairmen, announced today.

The drive committee will meet tonight at 7:30 at the Carnegie Library to complete plans.

The chairmen said they hope to have the drive completed within a week. The goal is $2,500. There are 10 troops in the city.

The drive will include a house-to-house canvass plus a solicitation of businesses.

Team captains include Wilbert Ewing, William Hughes, Chauncey Whiteman, George Schneidmiller, Jack Lanam, Jack Clark, Charles Stone, Paul Waite, Atty. William Bush, Perry Mason, Dan MacLean and Dan Hitt.

The drive is held annually as the city does not have a United Fund campaign. Robert Gray of Chester, Cherokee District scout executive, will meet with the committee.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: Last Thursday was one of the hottest days in our city's history. Our wonderful 14-year-old collie was in the yard as usual. I had to fill his water pan three times.

About midafternoon he began to whine so I let him in the house. He looked at me pleadingly, panted a few times and then rolled over and died.

Blaze was like a member of the family. It took all my strength to call my neighbor and ask her to bury him—which she did.

When my husband came home I told him about Blaze. He turned on me like a maniac. He said I was stupid not to call a vet. He claims the vet might have saved him. I tried to explain Blaze dropped dead before I knew anything was wrong but he refused to listen.

My husband then went to the phone and called his mother and sisters and told them that my stupidity had killed the dog. Nothing I said seemed to get through. I'm really annoyed at him for making me out to be a nut. Any advice? — WILMA.

-:-

Dear Wilma: Your husband is distraught over the death of the dog and he is reacting in a child-like manner — placing the blame on the handiest party. A dog 14 years old is equivalent to a human being of 98. I'd say Blaze lived a good, full life.

Go out and buy another collie as soon as possible. Name him Blaze Jr. and tell your husband to button his lip already.

Too-Familiar Friend

Dear Ann: I'm getting pretty fed up on the actions of a certain man who has been coming over to play cards with my father for as long as I can remember. He always brings me a sack of candy as if I were 2 years old.

I'm 15 now and I think it's time he stopped trying to kiss me on the lips and pull me onto his lap. I told my mother that maybe this was all right when I was a baby but I'm a young lady now and I hate it. I also told her that if he doesn't stop pawing me I am going to sock him right in the chops. May I have your okay? — NO INFANT.

-:-

Dear No Infant: Sorry, but a young lady doesn't go around socking her father's friends — or anyone else — in the chops.

You are perfectly right to resent his behavior but there's a better way to handle the old coot.

Tell him you've outgrown the baby stuff and from now on his greeting is a handshake. If he doesn't get in line tell your father to give him the message—man to man.

Old College Ties

Dear Ann: I'm a bride of two months who needs your opinion. I attended college in the Southeast and was graduated three years ago. Since then I have carried on a rather extensive correspondence with college friends—both male and female.

It is my turn to answer several of these letters but my husband says a married woman should not correspond with males, even if it is platonic. I'd hate to lose track of these people because they are good friends. Our letters have always been strictly informational and I was never romantically involved with any of these fellows.

Do you feel that my husband is right? He calls it "preventive surgery." — MRS. A.W.K.

-:-

Dear Mrs. A.W.K.: I hope he's not a surgeon. Too much hacking away of healthy tissue can be dangerous.

A mature man should be able to tolerate his wife's correspondence with old college friends.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

United Fund Drive Slated Oct. 2-31 In Midland Area

Oct. 2-31 was set Monday evening for the United Fund campaign of the Midland Area Combined Charities whose goal is $45,471 of the Beaver County goal of $699,345.

Money raised will be used for more than 40 United Fund affiliated agencies which help solve the personal problems of over 50,000 or one out of every four persons in Beaver County.

Members of the Board of Directors of the charities group met Monday night at Lincoln High School to set the date and the "kickoff" meeting of the campaign committee, divisional chairmen and workers to be held next Monday night.

Materials for the solicitations will be given to chairmen at a meeting tonight at 7:30 at the high school.

Robert C. Kelker, superintendent of the electrical department of the Midland Works of the Crucible Steel Co., and general campaign chairman, reported on progress todate.

He said the mill is expected to get started soon on its solicitation and has promised its cooperation. It was brought out that most divisions of the campaign can get under way next Monday with only the house-to-house canvass held up until mill workers get their United Fund stickers on windows and doors so they will not be asked to give twice.

The solicitation of Crucible employes is expected to take about three weeks. The first report meeting of the campaign is Oct. 9 and the final Oct. 30.

Auditing for the county campaign will be done by Snodgrass & Co. and members of the Beaver County Chapter of the National Association of Accountants will assist area campaigns.

Joseph D'Alesio, president of Steelworkers Local 1212 at Crucible, is campaign co-chairman.

Kelker said there will be a speaker at the "kickoff" meeting and a film will be screened. It will be held in the Music Forum of the high school. Directors decided that refreshments will be served.

In other business, Nile H. Wain, secretary, and Charles L. Smith, president, were authorized to make payments to the United Fund of Beaver County when requested.

The board accepted the resignation of Atty. Edwin M. Wallover, a founder of the Midland charities, who recently moved to Beaver. School Supt. Ralph H. Jewell was asked to prepare a letter to be sent to Wallover, which will be read at the group's next meeting.

Jewell also reported on budget meetings of the county fund group to which he and the Rev. George Bohlender were Midland delegates during the summer.

Wain gave financial, petty cash and treasurer reports which were accepted.

Newell Fire Unit Elects

Newell volunteer firemen elected a new chief Monday night after accepting the resignation of Charles Lee.

Arch Coen, 217 Grant St., a clerk at the Crucible Steel Co. in Midland, received the post.

Lee, 430 Jefferson St., resigned because of business commitments.

Don Foltz, an employe of the Globe Brick Co., was elected assistant chief. Pete Lamp, a potter, was elected vice president to fill the vacancy created by the elevation of Foltz.

The department's maintenance committee will meet tonight at 6:30 to map plans for the annual fund - raising campaign for operations of the unit. Coen is chairman of the drive which gets under way early next month.

Firemen have been asked to meet Saturday at 10 a. m. to finish roofing of the fire station. The project is half completed. In case of rain, the work will be done Sunday.

Vern Betteridge, president, conducted business.

Wheat Plan Deadline Set

LISBON — Farmers who wish to participate in the 1962 wheat program must sign an intention in the Columbiana County Agricultural Stabilization and Conservation office by Nov. 15, according to C. F. Shaw, chairman.

They must reduce the acreage of wheat by a minimum of 10 per cent below what the 1962 allotment would have been without the program.

They may also voluntarily divert additional acreage subject to certain limits and conditions. Diverted acreage removed from wheat production must be put to an approved conservation use. The total acreage on the farm devoted to conservation uses, excluding the acreage diverted under this program and that diverted under the 1962 program for feed grains, must not be less than the total average average of land devoted to conservation uses on the farm in 1959 and 1960, Shaw said.

The acres diverted can not be harvested or pastured and weeds must be controlled as designated by the county ASC committee. Farmers are not required to participate but non - participants will be ineligible for price support on any wheat grown in 1962 or for payments for reduction of wheat acreage and diversion to conservation uses. The average price support in Ohio for 1962 wheat will be about $2.05 per bushel. Non-participating farmers have the choice of harvesting not more than their permitted acreage or paying the marketing quota penalty for the wheat produced in excess of the farm allotment.

An additional choice for farmers with less than 13.5 acres is to harvest within the permitted acreage for the farm. Intention to participate must be filed not later than Nov. 15 to be eligible for payment for underplanting.

Each farm situation is different and each farmer must decide for himself whether he wishes to participate, Shaw said. Farm allotments and payment rates have been mailed to each wheat farmer. Additional information is available at the county ASC office and producers with questions on the program are urged to check before planting their wheat.

Legion Gives $25 On Girl's TV Set

A $25 donation to a fund to purchase a television set for Norma Ice, an East End girl who faces two operations to correct a spinal condition, was approved by American Legion Post 374 Monday night.

John Creaturo was enrolled as a new member.

Memorial services for Charles Goddard, a charter member, were held by Louis Provost, chaplain. Post members will pay respects to Mr. Goddard Wednesday night at 7:30 at the Martin Funeral Home.

Legionnaires will meet tonight at 8 at the post home to wash and wax the paneled wall in the home. John Cregar, commander, presided.

John Fone screened movies of the national convention held early this month in Denver.

Refreshments were served 25 by Lou Skvarka, second vice commander, and his committee.

Palestine And Rogers Residents Are Wed

Miss Donna Lou Huston, daughter of Mr. and Mrs. Joe Huston of Bacon Ave., East Palestine, and William Alvin Gorby of Rogers R. D. were married Sunday afternoon at the East Palestine Methodist Church by the Rev. Thomas Hammerton, pastor.

The bridegroom is the son of Mr. and Mrs. William Gorby of Rogers R. D.

The bride attended East Palestine High School. Her husband, who attended New Waterford High School, is employed at the Mackintosh Division of the E. W. Bliss Co. at Midland. He served three years in the Army, including duty in Germany.

About 75 attended a reception Sunday night at the home of his parents. The couple is residing at 219 E. Main St., East Palestine.

25 Attend Hancock Principals Session

Twenty-five attended a brief meeting of the Hancock County Principals' Association Monday night in the library of New Cumberland High School.

Carl Barker of Weirton was named representative to the County Education Association.

Dates for future meetings were set and members discussed dates for issuing report cards to pupils of their respective schools.

E. Russell Slack, principal of Wells High School of Newell, is president. Next meeting will be Nov. 28 in Newell. Dinner will be served by the home economics department.

Dates for other meetings this term are Feb. 26 and April 30.

Number Slip Case Delayed

(Continued from Page One)

tor had advised him previously of the attorney general's staff appearing before the Grand Jury when the indictment was sought in the sales book case.

John Gleason, another assistant to McElroy, remarked to the court that he was in favor of starting extradition proceedings "right away" to require the defendants to appear. Atty. Moore replied such action was unnecessary, as the defendants had agreed to "appear at any time designated by the court."

The case of the sales book concern was the last called by the judge, as the indictments were taken in numerical order and the "numbers" charge was the last returned by the Grand Jury. The hearing ended shortly after noon.

Brokaw told the court he and Atty. Moore have an arrangement that the four defendants will appear as soon as the defense counsel studies the bill of particulars.

Brokaw added that he will file a motion requesting that the attorney general's staff be allowed to aid in the prosecution.

A hearing will be held Thursday afternoon at 1 before Judge Sharp on the motion.

Marble Cash Taken

LISBON — A small amount of change was taken from the marble board of the Thomas service station at Westville, according to Deputy Sheriff James Miller, who said a side window was broken for entry early Monday morning to the combined gas station and grocery at the junction of Routes 62 and 173. Harley Thomas, owner, said nothing else was missing.

Has 680,768 Vehicles

CLEVELAND (AP)— Cuyahoga County has 680,768 of the 4,391,836 motor vehicles registered in Ohio and is likely to have 700,000 by March 31, C. W. Ayers, registrar of the Ohio Bureau of Motor Vehicles in Columbus, reports.

Newsmen To End Course On State Setup, Financing

OXFORD, Ohio (AP) — Seventeen newsmen today wind up a short course in state government and its financing.

"Schoolmaster" Michael V. DiSalle and his cabinet assistants are discovering they picked a tough job in attempting to educate the newsmen in the mysteries of government finance in a couple of two-day seminars.

The first seminar was scheduled to wind up this afternoon on the Miami University campus in Oxford. The second opens Wednesday night at Bowling Green State University.

Newsmen who have covered DiSalle's five-a - week news conferences during his 2½ years as governor found nothing really new in the session which opened Sunday night. But it appeared to be an impressive education for newsmen who do not customarily cover the governor and his one-a-week cabinet meetings each Friday.

With relatively few strictly political overtones showing, DiSalle cabinet members attempted a quick sales presentation of their views on the need for more money for key state programs.

Motorist Fined

LISBON — William Rudibaugh, 31, of R. D. was fined $5 and costs by County Judge James L. MacDonald Monday on a charge of crossing the yellow line in a hazardous zone. Albert S. Boyce, 29, of Cleveland forfeited a $15 appearance bond for speeding in another State Highway Patrol case.

Man, 100, Dies

SANDUSKY, Ohio (AP)—Daniel Douglas White, 100, said to be the oldest resident of Erie County, died here Monday following an illness of six weeks.

Jefferson St. Mishap Damages Three Cars

Three autos were damaged in a collision late Monday morning on Jefferson St., about 100 feet south of the intersection with Webber Way, police reported.

Involved in the crash at 10:50 a. m. were cars operated by Robert McPherson, 40, of Salineville R. D. 1 and Max Walton, 69, of 1115 Harker Ave. and a parked sedan owned by Nathan Caplan of Jefferson St. and Webber Way, police said.

McPherson said he was headed east and turned up the Jefferson grade when Walton pulled from the curb into his path. Walton said he saw nothing coming and pulled out when he was struck by the car operated by McPherson and owned by Ideal Chevrolet, 409 Broadway, Wellsville.

The impact shoved his car into Caplan's parked auto, Walton said.

Mrs. Rose Rhodes, 88, of the Industry - Fairview Rd., Industry R. D. 1, a resident of the Midland area 14 years, died Monday at 1:30 p. m. at Rochester General Hospital after a lingering illness.

She was born in Johnstown and came to the Midland area from Cambria County, Pa. Survivors include a son, David Rhodes of Quincy, Mich.

Services will be Thursday at 2:30 p. m. at the Cannon Funeral Home at Midland. The Rev. George H. Bohlender, pastor of the Midland Presbyterian Church, will officiate. Burial will be in Oak Grove Cemetery in Industry.

Friends may call after 7:30 tonight at the funeral home.

Mrs. Mildred Dyke

Services for Mrs. Mildred Pauline Dyke, 150 Maple Dr., Brighton Township, near Beaver, will be held Wednesday at 9:30 a. m. at St. Aloysius Catholic Church. Burial will be in Columbiana County Memorial Park.

Mrs. Dyke died Sunday afternoon at Providence Hospital in Beaver Falls, following an illness of about three years.

Friends may call at the Martin Funeral Home this afternoon and tonight. The Rosary will be said at the funeral home tonight at 7:30.

Mrs. Clyde Freeman

LISBON — Mrs. Gertrude Nettie Freeman, 83, wife of Clyde Freeman, 316 Sherman St., died Monday at 4 p. m. at her home. She had been in failing health since June 1960.

Born Oct. 16, 1877, in Mill Creek, Pa., she was a daughter of Alfred and Elizabeth Ross Souders and was married March 8, 1905. She resided in this vicinity since that time.

She was a member of the First Presbyterian Church, The Naomi Circle and the Ladies Bible Class.

Surviving besides her husband are three daughters, Miss Frances Freeman at home and Mrs. Irene Kelch and Mrs. Kathryn Bowman of Lisbon; two sisters, Mrs. Mary Cuttell of West Elizabeth, Pa., and Mrs. Kathryn Auker of Alliance; two brothers, Chalmer Souders and Charles Souders, both of Altoona, and seven grandchildren and four great-grandchildren.

Services will be held Thursday at 1:30 p. m. at the Eells - Leggett Funeral Home by the Rev. Paul T. Gerrard. Burial will be in Lisbon Cemetery.

Friends may call at the funeral home Wednesday from 2 to 4 and 7 to 9 p. m.

Chester Autoist Fined 3 Counts

Raymond Sprout 18, of Montana Ave., Chester, was fined a total of $60 and costs on three traffic charges Monday night by Mayor Ray Collins, who dismissed two other charges.

Sprout was fined $25 and costs each for hazardous driving and no city driver's license and $10 and costs for driving an unsafe vehicle. He was committed to the Hancock County Jail in lieu of payment.

Charges of lack of registration and state driver's license were dismissed when Sprout presented them. He was cited Friday on Carolina Ave.

Ronald Newlun of 3rd St. Ext., cited Sept. 15 for hazardous driving after his car sideswiped another, was fined $10 and costs by Mayor Collins.

Ralph B. Watson, 30, of River Ave. was fined $5 and costs for operating a vehicle without a registration plate. He was cited Wednesday.

Storm

(Continued from Page One)

teer firemen, probably saved her life. Her husband, Charles W. McCarthy, was at work at the time at Universal Cyclops at Bridgeville. She has four step-children.

According to her father-in-law, the lightning came in on the copper tubing of the laundry tubs, grounding through her body.

He said he gave her mouth-to-mouth resuscitation and artifical respiration for about an hour. Mrs. Hazel Walker, a nurse at the Shippingport atomic power plant, operated a resuscitator supplied by Shippingport volunteer firemen.

Shippingport firemen were summoned by Hookstown firemen and Fire Chief Eugene Frasier met the Shippingport crew at Hookstown and gave directions to the Rohm farm.

Lawrenceville firemen were also at the scene.

Responding from Shippingport were Les Jones, a firemen, and Andrew Reese and Ronald Burris, William Burris, fire chief, said.

The hospital said today that Mrs. McCarthy is "doing as well as can be expected." She may be released in about 48 hours.

The wind, rain and lightning caused some damage along the Ohio River from Beaver to Ambridge.

A four-hour power failure was reported for Gringo, near Aliquippa, and in Monaca's third ward, about 300 homes were without power for 45 minutes.

Beaver reported tree limbs down and borough employes were out until midnight. No serious damage was reported.

In Rochester, one house was struck by lightning, "blowing" out a radio and causing about $30 damage.

Ambridge reported winds of 60-mph., broken tree limbs and wires down.

Midland police reported no damage.

The first of the series of storms with the advancing cool front occurred shortly before noon.

Most of rain yesterday fell with the heavier storm that hit about 6:30, with gusty winds that continued much of the night. No damage was reported, however.

The Tri-State District had been warned of "tornado conditions" about 6, but the alert was called off by the Ohio weatherman about 10 last night.

Glenmoor Men Grab Dog As Sheep-Killer

Glenmoor firemen captured a large black dog which attacked and killed the pet sheep of a Lincoln Highway family Monday morning.

The dog killed "Lula," the pet sheep of th echildren of Loren Griffiths, firemen said.

The animal was impounded in the station and was to be turned over to a dog warden from Lisbon. It gave no outward signs of having rabies. The dog did not wear a license.

Police Asked To Seek Missing City Girls, 14

Police were asked early today to seek two 14-year-old East Liverpool girls missing from their homes since late Monday afternoon.

They are Jewell Ann Green, daughter of Mrs. Naomi Green, 782 Woodlawn Ave., and Mary Frances Humphrey, daughter of Mrs. Dorothy Humphrey, 323½ E. 8th St.

The Green girl is 5 feet 4 inches, weighs 107 and has brown hair and gray eyes, her mother said.

The Humphrey girl is 5 feet, weighs 120 and has blonde hair and blue eyes. She was wearing green shorts, a white blouse and tennis shoes. Both girls were reported missing shortly after midnight.

Sophs To Get Chance . . .

After their performance in the Steubenville Central game, several sophomores may move up to starting spots for Friday night's tilt with New Philadelphia.

The sophomore group did such a fine job that it even satisfied some of the Monday morning quarterbacks.

Coach Bob Hedmond indicated the following moves in the backfield. He plans on shifting senior Jerry Bell from fullback to halfback and putting junior Len Oliver at fullback. Oliver turned in some fine running against Central on thrusts up the middle.

Sophomore Chuck Baker will be the starting quarterback, offensively, replacing senior Vince McKinnon, who will be used as a safety man on defense.

We saw something in Baker that you very seldom see in a young quarterback; that is passing while on the dead run. In one instance last Friday night he stiff armed an opponent with his left arm and threw a pass at the same time. And he looked like a veteran in doing it.

Bob Mercer is getting a shot at the other halfback post. The sophomore speedster was on the receiving end of two Baker passes Friday night. He has the speed and deception to make a great runner.

In a reserve game Saturday, he reeled off a 55-yard touchdown run.

This quartet could be the starting backfield Friday night, depending on what each boy shows on the practice field in the next few days.

—:—

ROGER OURS of Wellsville will have to go down as the "back of the week" on the district scene. His 25-yard jump pass with some six minutes left in the game brought Wellsville from behind to nip Toronto, 14-8.

On the receiving end of the toss was Andy Dash, Wellsville's senior end.

If there was a runnerup for top back honors it would have to be Don Reese of Chester. Just converted from a guard, Reese romped 79 yards for a touchdown on the first play from scrimmage for the Panthers. It led to Chester's first win of the season, a 14-6 verdict over South Side.

Potts, Zelch, Musuraca Star . . .

"THAT Jim Potts just threaded the needle all night," was the comment by Marshall football coach Charlie Snyder after Bowling Green had beaten his squad, 40-0, Saturday night at Huntington.

Snyder, of course, was talking about the East Liverpool product who passed for two touchdowns and set up another TD. In all, Bowling Green passers completed 10 of 12 aerials, with Potts doing most of the throwing.

"That was the best Bowling Green team I've ever seen," Snyder said.

Potts appears to be the key to Bowling Green's success this season. Jim is the most experienced quarterback in the Mid-American conference and since he has been at that positon Bowling Green has only lost one game in three seasons.

He alternated as a sohomore, but was the No. 1 signal caller last season.

The Falcons have been picked to capture the Mid - American championship.

—:—

DAVE ZELCH, the ex - Potter, who failed to get into the Miami lineup a week ago when the Hurricanes played Pitt on nationwide TV, made his debut Saturday night when Miami came from behind to defeat the University of Kentucky, 14-7.

The report from Coral Gables said: "Zelch, a sophomore halfback, was used on the Miami defensive unit and looked especially well in passing situations. He covers the ground well and did an excellent job against a club which put the ball into the air 33 times against Miami.

"Coaches thought that his debut, under real pressure and on foreign soil, was excellent and they expect him to develop into an outstanding defender."

This week, Miami plays Penn State, which defeated Navy last Saturday.

—:—

CONTINUING with ex - Potters who are making good on the college gridiron, Nick Musuraca got off to a fine start in his junior year at Denison University.

Denison whipped Centre College of Kentucky, 35-6, with Nick scoring one touchdown and setting up several others. He gained 104 yards on a hot afternoon at Granville and dashed 14 yards for his TD.

Nick, who was the team's leading ground gainer last season, will appear with Denison in the Rubber Bowl Saturday night when the Big Reds meet Akron University. Kickoff time is 8 p. m.

He also will visit the area on Oct. 21 when Denison meets Mt. Union College at Alliance.

A Wise Decision . . .

HATS OFF to a Bellaire doctor who came onto the gridiron Saturday at Bellaire and stopped a football game because of the extreme heat.

Fifteen high school football players who took part in the Bellaire-Marietta game were out of action due to heat exhaustion and one was in critical condition at Bellaire City Hospital when Dr. Pete Lancione halted the game after two minutes of play in the third quarter.

Magic No. 2 LA, Pirates In Twin Bill

By JIM HACKLEMAN
Associated Press Sports Writer

A wait of more than two decades may have dwindled into the final few hours for the Cincinnati Reds. Tonight could bring them their first National League pennant since 1940.

With the magic number at two, the race is at the wire. The Reds play the Cubs at Chicago this afternoon and the Los Angeles Dodgers are slated for a twi-night doubleheader at Pittsburgh with last year's surprise flag winners, the Pirates.

Any combination of two—a Cincinnati win plus a Dodger defeat, or a pair of Dodger losses—would give the NL another bust-to-boom champion, and would send the Reds into the World Series against New York's home run-blasting Yankees.

Cincinnati was idle Monday night. The Dodgers and Pirates were rained out, setting up their twi-nighter. In other NL games, the San Francisco Giants bombed the Philadelphia Phillies 10-2 with an 18-hit offensive and the Milwaukee Braves cut down the potential tying run at the plate in the ninth inning and edged the St. Louis Cardinals 2-1.

In the only American League action, Bob Shaw pitched eight no-hit innings but was rapped in the ninth as Kansas City gained a split with Detroit, 6-3. The Tigers clinched second place by winning their sixth in a row in the doubleheader opener, 6-4.

The Giants' free-swinging assault against the Phils was spearheaded by Orlando Cepeda and rookie catcher John Orsino.

Cepeda, on a torrid batting streak, had four hits and drove in four runs, boosting his league-leading RBI total to 140. Orsino homered twice and singled, while Willie Mays and Felipe Alou also contributed three hits each. Left-hander Mike McCormick (13-16) was tagged for 10 hits but won in a breeze. Don Farrarese (5-11), batted out early, was the loser.

The Braves saved their narrow decision over the Cards by cutting down Ken Boyer when he tried to score on an almost-wild pitch by Don McMahon. Ray Washburn (0-1), in his first big league start, gave up a first-inning homer to Hank Aaron and balked across the deciding run in the fourth. Milwaukee starter Carl Willey (6-12) collaborated on a five-hitter with McMahon.

Shaw (12-13) reached the ninth inning before his try for a no-hitter blew up. Dick McAuliffe led off the Tiger ninth and was safe on Dick Howser's wild throw, then Bubba Morton clipped the Kansas City right-hander for a solid single. An infield out, a sacrifice fly, Larry Osborne's homer and a single by Jake Wood followed before Frank House popped up for the last out.

A five-run burst in the eighth brought Detroit from behind in the opening game. Wood, pinch-batters Al Kaline and Vic Wertz, Bill Bruton and Morton knocked in the runs in the Tiger rally.

A GROUP OF dejected Dodgers look on rain swept Forbes Field as their game with the Pittsburgh Pirates was called off Monday night. They will play a twinight doubleheader today. (UPI Telephoto)

Lopez Given New Contract At Chicago

CHICAGO (AP)—Al Lopez, the only manager to crack New York Yankee pennant superiority since 1948, will pilot the Chicago White Sox for the sixth consecutive season in 1962.

Lopez, 53, signed a one-year contract Monday after suffering the worst finish of his managerial career. The Sox will wind up fourth this year.

Last year they finished third. Previous to last season, no team managed by Lopez, a former National League catcher, had finished lower than second.

Lopez won pennants with the Cleveland Indians in 1954 and the White Sox in 1959. His one burning ambition is to manage a team to a world championship, something he failed to achieve in 1954 and again in 1959.

In signing Lopez to what is believed to be a $50,000 contract, General Manager Ed Short said, "I am delighted that Al has decided to remain with the White Sox. I consider him the best manager in baseball and I hope he stays with us a long, long time."

Twenty passengers are carried on commercial aircraft for every seven carried a decade ago.

City's Junior High Teams To Open Gridiron Seasons

East Liverpool's two junior high football teams launch their 1961 campaigns this week.

Norm Six, the new head coach at Westgate, sends his team out a day early, opening Wednesday at East Palestine in a game scheduled for 4 p. m. Six, a former Newell High and University of Iowa gridder, is being assisted by Larry Foltz also of Newell.

East Junior gets the season underway Thursday at 4:15 p. m. when Steubenville Central invades the East End Field. Dom Cascio is back at the East End helm this season.

Westgate won't appear at home until an Oct. 12 game with Toronto at Patterson Field.

Each school plays a six - game schedule with the finale on Nov. 2 pitting East Junior against Westgate in the battle for intercity honors. Westgate won the 1960 contest.

The 1961 schedules follow:

East Junior High

Sept. 28—Steubenville Central, home 4:15
Oct. 5—Toronto, away 4:15
Oct. 12—East Palestine, home, 4:30
Oct. 19—Salem, away, 4:30

Yankees Lose Cerv For World Series

NEW YORK (AP) — The New York Yankees have lost a reserve outfielder and valued pinch hitter for the World Series.

Bob Cerv, who set two records last Saturday when he hit the 12th pinch-homer of his career and the Yanks 10th of the season, entered the hospital for a cartilage operation on his right knee.

Jordan Wins Links Event

Jim Jordan ran up 26 points to capture Sunday's par-birdie-eagle contest at the East Liverpool Country Club.

Second was Norman Ankrim with 21 points while Dr. R. J. Kinsey and E. B. Rohrer tied with 20 each.

Bill Mayers won honors in the second division with 28 points.

George Bloomgren and Rohrer fired 7 up to share honors in Saturday's match play against par. Ankrim was 5 up while W. B. Cooper and T. H. Kashuba finished 3 up.

The closing golf event of the season will be a best ball medal play over nine holes Wednesday afternoon.

Sugar Ray Tops Foe In Another Comeback

DETROIT (AP) — Sugar Ray Robinson, at 41 just a spurting shadow of a great champion, wants to wear the middleweight crown once more.

The five-time former middleweight king launched another of his many comebacks Monday night and earned a 10-round split decision over aggressive Wilfie Greaves.

Robinson got off the canvas after a low blow in the eighth round to notch his first victory in nearly 18 months.

As soon as he's ready, he said he'd like to fight Gene Fullmer, NBA champion who defeated him last March, or Terry Downes of England. Downes is recognized as the champion in New York, Massachusetts and Europe.

"I'm certainly not ready yet to fight for the championship," Robinson said, weary after his close victory over Greaves, claimant to the Canadian middleweight championship.

Robinson is signed to fight Denny Moyer in New York's Madison Square Garden Oct. 21.

Judge Nick Thimmesch awarded the fight to Robinson 47-46. Judge Al Goodman favored Robinson 46-44. Referee Lou Handler voted for Greaves 45-44. The AP scored it 48-44 under Michigan's five-point must system.

Local Mat Show Will Bring Crusher, Calhoun Together

A wrestling show sponsored by the Harding Chapter, Order of DeMolay, will bring "The Crusher" and Haystacks Calhoun together for the first time Saturday night at Memorial Auditorium.

While "The Crusher" - Calhoun bout is billed as the feature, three other battles are listed for the local ring.

Meeting in a tag-team match will be Billy Fox and Ace Freeman against Mickey Sharp and Jack Terry. Gypsy Joe, a veteran of the pro mat wars, will take the ring against Zivko Kovacic. One other bout is also scheduled.

Proceeds from the wrestling show will go towards two $500 college scholarships and the lifetime membership fund, which the local DeMolay is planning to establish.

Tickets are $1.50, $2 and $2.50 and are on sale at Jordan's in East End, Heimie's, Reark's, Chadwick's service station on Lisbon St., Pleasant Heights, Bloor's Pharmacy in Wellsville, Floyd's Dry Cleaners in Chester and Fannin's in Midland.

Iowa Ranks No. 1 Team In Country

By ED CORRIGAN

Iowa, which doesn't open its season until Saturday, was voted the top college football team in the country today in the first regular-season Associated Press weekly poll.

The special national panel of 49 sports writers and sportscasters gave the Hawkeyes, who tangle with California in their opener, 343 points to 332 for second-place Mississippi and 309 for third-place Ohio State, another outfit that doesn't get rolling until Saturday.

The points were based on the formula of 10 for first place, 9 for second and so on.

Iowa, which also led the preseason poll, received 19 first place votes to 12 for Mississippi and 7 for Ohio State. The Buckeyes, second to Iowa in the preseason poll, play Texas Christian in their first game Saturday.

Mississippi's smoothly contrived 16-0 victory over Arkansas in a nationally televised game last week obviously impressed the panel. Ole Miss was placed no better than ninth in the preseason poll with a mere two first-place votes.

The top 10 teams — first place votes in parentheses:

Iowa (19)	343
Mississippi (12)	332
Ohio State (7)	309
Alabama (6)	307
Syracuse	233
Texas (1)	227
Rice (2)	220
Penn State (2)	192
UCLA	98
Michigan State	80

Other teams receiving votes: Missouri, Baylor, Georgia Tech, Texas Christian, Purdue, Kansas, Florida, Maryland, Louisiana State, Duke, Minnesota, Oregon, Pitt, Kansas State, Auburn, Notre Dame, Army, Wyoming, Wisconsin, North Carolina State, Colorado, Mississippi State, Tennessee, Utah State, Furman, California.

Popular Piersall Seen On Tribe Trading Block

MINNEAPOLIS (AP) — Jim Piersall reportedly is the Cleveland Indians' prime trade bait as they look forward to next season.

But the fiery centerfielder is extremely popular with the fans, and his departure from the wigwam probably would touch off the greatest public reaction in Cleveland since Rocky Colavito was sent to Detroit in exchange for Harvey Kuenn at the start of the 1960 season.

Tribe General Manager Gabe Paul offered Piersall and Walter Bond to the Kansas City Athletics for Norm Siebern, but the A's turned down the offer.

Fans argue that Piersall is the only colorful player the Indians have, but Paul says color doesn't draw people to the ball park. Piersall was in center field this season when the Indians drew only 725,547 fans, compared with 950,985 last year.

One reason Piersall is on the trading block is that his market value is high because he is batting 50 points over his lifetime average. It may never be as high again.

The Indians are here for a three-game series with the Minnesota Twins opening today. Gary Bell (11-15) will start for the Tribe in the opener and will be opposed by Jack Kralick (13-10).

Niles Pressing Massillon For 1st Place In Initial Ohio Grid Poll

By FRIT HOWELL
Associated Press Sports Writer

COLUMBUS, Ohio (AP) — Massillon's mighty Tigers, winners of the 1960 Ohio high school football championship, were right back on top today as 36 sports writers rated the teams in the opening Associated Press poll of the infant campaign.

Niles McKinley, runner-up last year, was in second place—a lot closer than the Red Dragons were at the 1960 finish when they were 131 poll points behind Leo Strang's Tigers. Today the margin was a mere 25 points, and Niles grabbed seven first-place votes while Massillon was getting six.

Alliance, third a year ago, skidded to fourth place, trading spots with Sandusky. Cincinnati Purcell, sixth last season, was down in 10th place—but the other five in the top ten were newcomers.

From fifth through ninth the new ones are Toledo St. Francis, Mansfield's resurgent Tygers, Steubenville's Big Red, Toledo Scott and Warren Harding — the latter the only loser in the lot.

Hamilton Garfield, pre-season pick to land among the elite, failed to get beyond 11th place in the voting. A squeaky 7-6 win over Cincinnati Woodward last weekend failed to help Lou Florio's team to any great extent.

Springfield South, always a contender, was belted 14-6 by Columbus North, and the Wildcats wound up with a single tenth-place vote. Portsmouth, after two impressive wins, was stunned 27-14 by Columbus Aquinas to push the Trojans out of the running.

FROM HERE AND THERE:

Ricky Sygar has scored 62 points in three games for Niles, which has now won 21 in a row since losing the 1959 opener to Youngstown Rayen.

Mike Urbanic of New Admiral King at Lorain scored two touchdowns and intercepted a crucial fourth-period pass as his team, after two losses, whipped Lorain 28-8. His dad, Chuck Urbanic, was the coach of the losing team.

Warren, ninth in the ratings, was smothered 34-16 by Cleveland Collinwood in its opener, fumbles playing a big part. But the Panthers came up with the big one last weekend as junior Reedy Thomas scored all 20 points in a 20-8 win over Canton McKinley. McKinley was held to 83 yards rushing.

David Myers of Beaver Local in Columbiana County blocked four punts against Chester, W. Va., last week. He's a 160-pound guard.

Hamilton has an 8-0 record for its three high schools. Garfield and Taft are 3-0, and Catholic 2-0.

Kettering Fairmont, after winning its opener 20-8 over Marion Harding, has been tied 8-8 by Middletown and 6-6 by Dayton Chaminade. The last time Fairmont went two straight without a victory was in 1955 when the Dragons tied Miamisburg 0-0 and then lost to Troy 13-6.

Steubenville trailed Weirton, W. Va., 16-0 in the second quarter but stormed back to win 22-16 as 9,500 cheered. Halfback Harry Wilson has scored seven touchdowns for the Big Red, on runs of 51, 76, 58, 70, 37 and 35 yards, plus a 52-yard pass.

Steubenville Central's quarterback, Slingin' Sam Fornsaglio, has passed for seven touchdowns, and halfback Jim Gilday has scored eight as the Crusaders swamped three foes by 126 to 6. Central gets a chance at Niles Oct. 7.

The big one this week is Alliance at Massillon Friday night, with 18,000 due to watch it. Massillon won 14-10 in the last minute a year ago. Alliance's halfbacks are 140-pounders, the fullback 145 and the quarterback 165—one of the smallest corps in the state. And Charley Babb, the demon middle linebacker, tips the scale at 136.

Here's How Writers Voted In Grid Poll

The Top Ten

Teams	Poll Pts.	Scoring
Massillon (6)	275	102-18
Niles McKinley (7)	250	120-20
Sandusky (2)	143	72-42
Alliance (3)	130	94-22
Tol. St. Francis (8)	82	21-0
Mansfield (0)	69	56-14
Steubenville (1)	51	100-34
Toledo Scott (0)	51	28-18
Warren Harding (0)	47	36-42
Cincinnati Purcell (1)	46	75-32

Toledo St. Francis, Toledo Scott and Cincinnati Purcell have 2-0-0 records; Warren Harding is 1-1-0, and the rest are 3-0-0.

Others: Hamilton Garfield (2) 44; Napoleon 40; Salem (1) 37; Dayton Chaminade 35; Marion Harding (1) 34; Tiffin Columbian 32; Urbana (1) 31; Middletown (1) 30; Youngstown Boardman 29; Kettering Fairmont 28; Columbus Eastmoor (1) 27; Cincinnati Roger Bacon 26; Jackson 22; Upper Arlington 21; Dayton Dunbar (1) and Youngstown Woodrow Wilson 18; Columbus North, Martins Ferry, Rossford and Youngstown Mooney 16; Portsmouth 15; Canton McKinley 14; Cincinnati Elder and Steubenville Central 13; Wellsville 12; Poland and Mansfield Madison 10; Barberton and Dover 9; Findlay, Columbus Central, Pomeroy, Zanesville and Bowling Green 8; Canton Central, East Cleveland Shaw and Columbus West 7; Athens, Minerva and Bellevue 6; Hamilton Taft, Delaware Hayes, Chauncey - Dover, Shaker Heights, Akron East, Columbus Aquinas, Dayton Fairborn and Beaver Local 5; Hamilton Catholic, Waverly, Lima Senior, Berea, Shelby, Canton Lincoln, Parma, Lowellville and Hubbard 4; Columbus St. Charles, Southwestern (Gallia), Cleveland Collinwood, Fremont Ross and Circleville 3; Groveport, Canton Glenwood, Cleveland Holy Name, Huron, Cardington, Cuyahoga Falls, Cleveland Benedictine, Warren St. Mary and United Local 2; Springfield South, North Canton, Cleveland St. Ignatius, Tiffin Calvert and Painesville Harvey 1.

Boosters Set Oct. 28 Fete At Midland

The Midland Leopard Booster Club Sunday evening set Oct. 28 for its "Booster Betty Banquet" to be held at the American-Yugoslav Club.

Those wishing tickets may contact John Wilson or William (Butch) Vinovich, co-chairmen in the charge of the dinner. Further plans will be announced later.

James (Sonny) Migliore, president, turned the meeting over Charles Polce, Lincoln High football coach who discussed Friday's Midland - Beaver game. Movies of the game were screened and a question and answer period was held.

Refreshments were served by a committee, including Hugo Oberg, Ray Colaber and Frank Migliore.

A guest speaker could not make the meeting and another, probably one of the Beaver Valley coaches, is expected at the business meeting Sunday at 7:30 p. m. in Council Chambers in the Borough Building.

Polce plans to have a demonstration to explain various football equipment.

U.S. Davis Cup Play Seen Even Against India

NEW DELHI (AP) — The captain of the U.S. Davis Cup team said today America's chances look about even in the interzone tennis finals against India this weekend.

David L. Freed, non-playing captain of the Americans, said India possibly should have a little edge because its star, Ramanathan Krishnan, is the best singles player on the two teams.

"But our average ability may be a little higher, so it works out about even," Freed told a group of sports writers.

The U.S. team is led by Chuck McKinley, 20-year-old Trinity University sophomore who lost to Australia's Rod Laver in the Wimbledon finals this year.

Other members of the American team are Whitney Reed, whom the Indians fear as an upset artist, Donald Dell and Martin Riessen.

FIGHT RESULTS

Detroit—Sugar Ray Robinson, 160¼, New York, defeated Wilfie Greaves, 161¼, Edmonton, Alta., 10.

New York—Cecil Shorts, 146¼, Cleveland, stopped Fernando Barreto, 146¼, Brazil, 6.

San Francisco—Alejandro Lavorante, 207, Argentina, defeated Alonzo Johnson, 188, Rankin, Pa., 10.

The University of Utah has won the Skyline Conference football championship 18 times since 1910, more than any other conference team.

Scalpers Given Okay For $1,000 License

CINCINNATI (AP) — Ticket scalpers who wangle Cincinnati Reds World Series seats can pursue their trade without trouble—if they buy a city license for $1,000.

City Treasurer Thomas Coyne said Monday nobody has shown up yet to buy the license to sell tickets at more than established prices. He noted, however, the fine for those caught selling tickets without the license is $100.

Signs With Indians

CHARLESTON (AP) — Roy Kuhl, 17-year-old All-State baseball player from East Bank, has signed a contract with the Cleveland Indians for next season. Kuhl, who hit .431 for East Bank as a catcher last season, said he probably would be sent to a Class D club.

Local Creek Has Taken On 'Dirty Look'

Apparently due to the lack of rain, Columbiana County's best fishing stream, Beaver Creek, has taken on a "dirty look."

Fishermen of the area said the water in the creek is very low and large amounts of "green slime" are on the bottom and along the shoreline. It also has been reported that there are heavy accumulations of a thick foam along sections of the shoreline. This generally accumulates during hot weather.

The county only has had scattered thundershowers for the past several weeks. There hasn't been a heavy rain, which apparently is what is needed to "wash" the creek clean.

But, the water's condition apparently hasn't drastically affected fishing. Although not generally good, there are scattered reports of some good catches being made. Some say they are doing good with hellgramites and small lizards, while others report catches on artifical bait.

Those using plugs are having the best luck in the evenings and early mornings.

Wellsville Brothers Win On Motorcycles

Donald and Ronald Heaton, Wellsville brothers, won top honors at the final meet of the season for the Flying Wheels Motorcycle Club of Wellsville Sunday afternoon at the club grounds on Leatherberry Rd.

Bill Smith, an official, made the presentation to the three top riders. Donald, first with 15 points; Ronald, second, 14 points, and John Neidengard, third, 10 points.

Nine contestants from several cities in the Tri-State area participated in the 12 - game event supervised by Mrs. Janet Kevan, George Tate, James Heaton Jr. and Smith. Sixty attended the meet.

Next meeting is Oct. 2 at the Heaton Harley - Davidson Sales in Wellsville with Charles White, president, in charge.

Maris Waits, But Pitchers Refuse To Make Mistakes

NEW YORK (AP) — Roger Maris, still looking for "a pitcher to make a mistake," resumes his search for his 60th home run tonight as the New York Yankees return to Yankee Stadium for their last five games of the regular season.

Baltimore, with a pitching staff that has allowed only two homers to the 27-year-old slugger, furnishes the opposition tonight and Wednesday afternoon, and the Boston Red Sox for the final three games—Friday night, and Saturday and Sunday afternoons.

Maris, who'll have to settle for a 162-game record in his challenge to Babe Ruth's all-time total of 60 in 1927 if he manages to hit any more, isn't at all confident.

"They (the pitchers) aren't giving me anything to hit," he said. "I'd have a better chance at the Stadium if they pitched to me. But, you watch, they'll pitch me outside. The only way I'll get another one is if a pitcher makes a mistake."

The law of averages would indicate that Maris should hit at least one home run, possibly two, in the last five games. In 76 games at the Stadium, he has hit 28—an average of a home run every 2.7 games.

Jeff Chandler's Death Results In $1.5 Million Suit

SANTA MONICA, Calif. (AP)—Actor Jeff Chandler's death last June has resulted in a $1.5-million damage suit against six doctors and a hospital.

The suit, filed Monday, alleged negligence, malpractice, wrongful death and assault and battery. It was filed on behalf of Chandler's children and his estate.

Named as defendants were Drs. Marvin A. Korbin, Peter B. Samuels, Sam Galinson, Kenneth J. Richland, Alan M. Rosenberg and Milton Rosenthal; and Culver City Hospital. Also named in the suit were 20 John Does.

"The victim was caused to die," the action said, "by the combined negligence of the defendants, or one or more of them, and it is requested that the court determine the liability of each."

Chandler, 42, underwent surgery at Culver City Hospital May 13 for a slipped spinal disc.

A few days later he suffered severe internal bleeding and was given 55 pints of blood. He rallied and seemed headed for recovery, but suffered a relapse and died June 17. Death was attributed to general blood infection.

There was no immediate comment from the doctors.

The hospital released a statement disclaiming any responsibility in the death.

The suit asked $1 million for daughters Jamie, 14, and Dana, 11, plus $500,000 for the estate. Chandler's divorced wife, Marjorie, asked nothing.

Russian Paper Prints Story On Kennedy's Stand

MOSCOW (AP)—Pravda today printed a two-column article about President Kennedy—at the invitation of the New York Post.

The article was written by the Post's editor, James Wechsler, who pointed out that almost everything about Premier Khrushchev is printed in U.S. newspapers but little about Kennedy appears in Soviet newspapers.

In his article Wechsler invited the Communist party newspaper Pravda and the government newspaper Izvestia to print the article, which he called a brief analysis of the position of the President. Pravda reported it was printing it in full.

Wechsler wrote that Kennedy has no illusions about victory in a nuclear war, but if the worst happened he would not allow the United States to accept defeat.

Nevertheless, he said the President was determined to try to work out solutions of existing problems even knowing that any solution will shower blame on him as a conciliator. He said the President thought anything could be negotiated except the dignity of a free people.

Countess Dies At 79

NEW YORK (AP) — Countess Marguerite Cassini, 79, prominent Washington social figure in the days of Presidents McKinley and Theodore Roosevelt, died Monday. The countess was born in Bucharest, a daughter of Count Cassini, Russia's ambassador to the United States. She was the mother of Oleg Cassini, dress designer, and Igor Cassini, syndicated society columnist.
